During our meeting, we marked the success of having a bank account for the Charity with the Charity Aid Foundation Bank (CAF) on the 5th of October 2021 of which the process took TARDIO over 12 months.

While observing our objectives which is to provide educational and learning materials to children in the kindergarten and primary stage, we agreed unanimously the need for our counterpart to have a proven and validated bank accounts for us to have a financial traceability link for the purpose of accountability. This is because one

of the identified counterparts stated their requirement of funds for transporting any material, they receive from TARDIO.

We also agreed that once that is established, we will begin to review steps for fund raising.

Dear Charity Commission,

We would like to confirm that the charity TARDIO (Tardiograde International Organisation) did not carry out any financial transactions / operations during the financial year ending 12 December 2020.

This was because we did not have the capacity to carry out financial transactions as there was a huge delay in approving our bank account application. So we had no means of raising funds/ expending funds.

Our charity account has now been approved and opened by CAF bank on the 1st of October 2021. Please find attached the account approval confirmation letter for your perusal.

Warm regards,
