Para 1.20	<p>The Charity has continued to perform all of its key functions for the community during this year. Section D

Achievements and performance

Summary of the main achievements of the charity during the year

Whilst the Charity has continued to perform its core purpose of providing community first responders for Faversham and the surrounding area, the Pandemic has meant that the Charity has not been as active in other areas such as education or fundraising. It is hoped that the Charity will have a more active second year.

First Response

The core activity of the charity has continued unabated, with the charity's six trained first responders responding to calls in and around the local community in support of the South East Coast Ambulance Service, undoubtably saving numerous lives.

First Aid Training and Education

The Trustees regret that, due to the pandemic, the planned programme of educational activities was not able to go ahead as planned this year. The trustees hope that once the pandemic restrictions have eased, that this programme will be able to commence properly.

Defibrillators

Unfortunately, due to the Covid-19 Pandemic, the Charity has not yet been able to undertake this function, but the trustees hope that 2022 will see charitable funds used to provide this life saving equipment for the people of Faversham.

Fundraising.

The charity has received a not insignificant amount of donations this, with key donors including the Rotary Club of Faversham, and other local philanthropic groups. Since year end, the charity has started to participate in the Faversham District Community Lottery which supports local good causes.

Section E

Financial review

Brief statement of the charity's policy on reserves

The Trustees consider that the charity does not face significant financial risks at this time as there have been no routine operating expenses, and therefore have not made a formal reserves policy. The Trustees will continue to monitor the financial situation as the Charity emerges from the Covid-19 Pandemic, and will reconsider their position on a reserves policy in due course.

Details of any funds materially in deficit

Not applicable.

Further financial review details (Optional information)

You may choose to include additional information, where relevant about:

- the charity's principal sources of funds (including any fundraising);
- how expenditure has supported the key objectives of the charity;
