

Ashley Church CIO

Annual Report for the year ended 31 December 2021

Ashley Church CIO was constituted 20th April 2020 and is a registered charity incorporated organisation No. 1189293. Its address is Ashley Church, St Albans, Hertfordshire, AL1 5DA. The charity trustees during the year to 31 December 2020 were:

Mrs Gillian Bywaters, Mrs Carole Perryman, Mr Shaun Perryman, Mrs Claire Wilkinson, Mrs Gillian Jalland, Ms Claire Pinney

The object of the charity is to further the religious and other activities of ASHLEY CHURCH in accordance with its Statement of Beliefs (reproduced in the Declaration of Trust). The Trust is handling all the funds given to the Church by agreement of the members of the church. All the Leadership Team of the Church are Trustees, and this will continue as a matter of policy.

The charity began as a result of an existing charity (Ashley Church Fellowship Trust No. 1066501) changing from being an unincorporated charity to a charity incorporated organisation during 2020. However, as a result of delays created by the COVID pandemic and other issues beyond our control in transferring the property deeds to the new organisation this CIO has remained in a dormant state. The churches activities were therefore run under the existing charity (Ashley Church Fellowship Trust No. 1066501) for the year 2020/21. The charities full report and accounts can be viewed under the existing charity name and number.

During 2021 we continued the process of converting to a charitable incorporated organisation and as of 1st January 2022 the conversion was completed. The Ashley Church Fellowship Trust will therefore be closed as of 31st December 2021 and the new Ashley Church Trust will take control on 1st January 2022
