### **REPORT OF THE TRUSTEES**

#### **History, Objectives and Activities of International Social Health and Welfare**

The Trustees of the International Social Health and Welfare submit their report and financial statements for the year ended 31 March 2021. International Social Health and Welfare was set up on the 5<sup>th</sup> Day of May 2020. International Social Health and Welfare was incorporated as a charity and its name was entered in the Charity Commission's Central Register on the 5 May 2020.

#### **The Objectives of International Social Health and Welfare are:**

The Charity's objects are for the benefit of the promotion of the efficiency and effectiveness of the charitable sector through the provision of project management duties to charities to aid them with furthering their charitable purpose.

#### **Structure, Governance and Management**

The charity is constituted by a Constitution of a Charitable Incorporated Organisation (CIO) with voting members are its Charity Trustee. It is governed by the regulation set out in the Constitution and run by a voluntary Executive Committee. The charity's committee members are elected at the Annual General Meeting every two years.

The Executive Committee members are normally briefed by the Chairman and the General Secretary to familiarise themselves with the rules, regulations and responsibilities of the charity. The Management Committee met six times during the year to review the activities of the charity including the approval of the annual report and accounts as well as budgets, capital expenditure and to set out the fund-raising date for the charity.

The day-to-day work of the charity is overseen by the Chairman who is responsible to and reports to the Management Committee. The Executive Committee is aware of the potential risks to the charity, both financial and otherwise. Therefore, strategies are in place to control these risks. Assessments have also been taken relating to fire and health and safety.

The Executive Committee are seriously considering other risk areas such as operational, governance and compliance with law and regulations.

A solicitor, who specialises in Charities' law has been consulted about necessary policies. He advised about it. Policies on Conflict of Interest and Conflict of Loyalty were discussed in trustees' meeting and special care is being taken to observe these rules.

#### **Financial Review**

The financial position of the Charity is portrayed in the accompanying Annual Accounts.

**Statement of Trustees' Responsibilities-** Law applicable to charities in England & Wales requires the Trustees to prepare a financial statement for each financial year, which gives a true and fair view of the charity's financial activities during the year and of its financial position at the end of the year. In preparing those financial statements, the trustees are required to:

- (a) Select suitable accounting policies and apply consistently
- (b) Make judgements and estimates that are reasonable and prudent;
- (c) State whether applicable accounting standards and statements of recommended practice have been followed, subject to any departures disclosed and explained in the financial statements;
- (d) Prepare the financial statements on a going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The Trustees are responsible for keeping accounting records, which discloses with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the charity act 1993. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

**Reserve Policy**

It is the policy of the charity that unrestricted funds, which have not been designated for a specific use, should be maintained at a level equivalent to at least 12 months' expenditure. The Executive Committee consider that reserves at this level will ensure that, in the event of a significant drop in funding, they will be able to continue the charity's current activities while consideration is given to ways in which additional funds may be raised. International Social Health and Welfare will actively work to achieve this level of reserves.

**Risk Factors**

The Trustees have assessed the major risks to which the charity is exposed and are satisfied that systems are in place to mitigate exposure to the major risks.

**Independent Examiner**

As per the provisions of the Charities Act 2011, the Trustees agree that an audit is not required for this financial year; however, due to the provisions of the same act an Independent Examiner is required.

The Executive Committee agreed to re-appoint Mohammed Muhit Uddin M Com, ACA, FCCA of Muhit & Co, to carry out the Independent Examination of the accounts in 2023.

Accounts approved on the behalf of the Executive Committee.
