Section D

Achievements and performance

Summary of the main achievements of the charity during the year

2022 was a year of recovery a year to try and find some sense of normality. Realising that although Covid still needed to be treated with respect we were now more able to manage life despite its threat.

We began the year with a desire to grow and become established. A desire to officially let the area know that we existed. To have an open day.

To have the confidence to take on new members.

The shed is looking forward to expanding and bring more members into the shed.
