Registered Office Address: Office 7, 35-37 Ludgate Hill, London EC4M 7JN

Accountant: Erin He, Chartered Accountant, Mpathy Accounting, 80 Beauval Road, London SE22 8UH

## Trustees

Dr Sala Abdalla

Ms Samantha Matin

Dr Jennifer Watt

## Our Aims and objectives

### Purposes and Aims

Our charity's purposes are as follows:

The advancement of health, including the prevention or relief of sickness, amongst underprivileged communities in any part of the world by:

- (a) Providing free surgical and medical care to patients in need of such care;
- (b) Training local medical professionals; and
- (c) Assisting with the development of a sustainable medical infrastructure.

The relief of poverty of children living in underprivileged communities in any part of the world, including children living in orphanages, in such ways as the charity trustees shall think fit.

The advancement of education of such children in such ways as the charity trustees shall think fit.

### The focus of our work

Our main objectives continued to be to deliver safe surgical care, free at the point of use. We aim to do this by gathering a team of clinicians and surgical equipment and partnering with a hospital in a lower- or middle-income country (LMIC) to organise a short duration trip to that hospital. During that trip we are allocated local staff and operating theatres with which we deliver a high volume of surgical procedures to the local population, who have been notified of our arrival in advance and travel far and wide to reach us.

### Who benefits from our services?

Any community with limited access to safe, timely and affordable surgery may benefit from our services. Today two thirds of the world's population do not have such access. There are 1.1 million Specialist Surgeons worldwide, yet less than 20% of those are in LMICs. Communities in Africa and South East Asia are particularly affected. Given that population in LMICs represents almost 50% of the world's population, it is clear that LMICs are severely underserved in the provision of surgical care.

## 2022: A Year in Review

The 2020 - 2021 covid-19 pandemic brought unprecedented disruption to economies and societies globally. This disruption curtailed almost all OIUK activity, from local fund-raising to service provision.

In 2022 we were able to deploy our first mission since the pandemic. A team of clinicians from the UK, Ghana, and the USA travelled to the Holy Family Hospital in Techiman, Ghana. It was an emotional reunion between the OI volunteers and the Holy Family hospital staff, both teams having much to be thankful for.

With extra precautions in place for covid safety the team was able to rise to the challenge of triaging and treating 168 patients within 5 days. A wide variety of cases were performed, from repairing years-long hernias, treating neck tumours & oesophageal disease, to burn contracture.

The mission was held in honour of a dearly departed team member Craig Mastracci, CRNA (1964 – 2021) who had joined the 2019 mission.

## Financial Review

The following funds were raised in 2022<sup>1</sup>:

1. £900 from our 2022 mission volunteers.
2. £660 from the sale of OIUK themed surgical hats at charitable events.
3. £1,150 from donations via our gofundme campaign page.

## Principal Funding Sources

We envisage that our primary funding sources will be a combination of grants from our affiliated charity, Operational International Ltd<sup>2</sup>.

We also aim to organise an in-person fundraiser in 2023.

Finally, we will submit grant applications for funding from charitable foundations committed to improving global health.

---

<sup>1</sup> Amounts are approximate. Please refer to financial statement

<sup>2</sup> Operation International Limited (<https://www.operationinternational.org>).

## Structure, Governance and Management

### Governing Document

The organisation is a charitable incorporated organisation (CIO), registered on 7 May 2020. The company has a constitution which established the objects and powers of the CIO and is governed under its articles of association.

### Recruitment and Appointment of Trustees

The directors of the CIO are also charity trustees for the purposes of charity law. Under the requirements of the constitution a trustee will serve until i. the trustee dies, ii. if the CIO ceases to exist; or iii. The trustee sends notice of resignation to the charity trustees provided that there shall be at least one trustee after the notice of resignation takes effect.

All Trustees give their time voluntarily and receive no benefits from the charity. Any expenses reclaimed from the charity are set out in the accounts.

Due to the nature of the charity's work, the trustees seek to ensure that the needs of this group are appropriately reflected through the diversity of the trustee body, as well as the more traditional business and medical skills.

### Risk Management

The Trustees have conducted a review of the major risks to which the charity is exposed. These risks and associated mitigants are outlined in the 'Working Overseas' and 'Safeguarding' policy documents that are both available on the trust website ([www.oiuk.uk](http://www.oiuk.uk)). These policies are reviewed every two years and updated where necessary.

Where appropriate, systems and procedures have been established to mitigate identified risks to the CIO. In other instances, the charity will rely on the risk management procedures of the volunteer's employer. For example, the Director of the charity has been designated as the safeguarding lead to ensure rapid response to any safeguarding concerns. All clinical volunteers are also required to have undertaken hospital-delivered safeguarding training within two years of joining a surgical mission. This ensures a uniform understanding of overall safeguarding responsibilities. We believe that this requirement, in conjunction with familiarity with our specific safeguarding policy, offers an acceptable control against safeguarding risks.

## Organisational Structure

The CIO has three trustees who meet quarterly and are responsible for strategic direction and day-to-day management.

### Related Parties

In so far as it is complimentary to the charity's objects, the charity is guided by both the national and the international areas of surgical best practice.

The CIO also has an affiliate relationship with Operation International Ltd (OI Ltd), who have provided financial and organizational support to establish OIUK. The chair of Operation International UK is a member of the Board of Directors of Operation International Ltd.

### Responsibilities of the Trustees

The trustees are required to prepare statements of receipts and payments for each financial year. A financial statement for the period 01 January 2022 - 31 December 2022 is provided within this report.

The Trustees are responsible for maintaining proper accounting records which disclose with reasonable accuracy at any time the financial position of the CIO, and to enable them to ensure that the financial statements comply with the Companies Act 1985. The Trustees are also responsible for safeguarding the assets of the CIO and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

## Financial Statement

I report on the accounts of the OPERATION INTERNATIONAL UK for the year ended 31 December 2022.

### Respective responsibilities of trustees and examiner

The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is needed. The charity is preparing accrued accounts and I am qualified to undertake the examination by being a qualified member of CIMA.

It is my responsibility to:

- examine the accounts under section 145 of the 2011 Act,
- follow the procedures laid down in the General Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act; and
- state whether particular matters have come to my attention.

### Basis of independent examiner's report

My examination was carried out in accordance with the General Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and the seeking of explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and, consequently no opinion is given as to whether the accounts present a "true and fair" view and the report is limited to those matters set out in the statement below.

### Independent examiner's statement

In connection with my examination, no matter has come to my attention:

- (1) which gives me reasonable cause to believe that, in any material respect, the requirements:

- (a) to keep accounting records in accordance with section 130 of the 2011 Act; and
- (b) to prepare accounts which accord with the accounting records and comply with the accounting requirements of the 2011 Act have not been met; or

- (2) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

## 1 [Accounting Policies](#)

### 1.1 [Basis of preparation of accounts and assessment of going concern](#)

The financial statements have been prepared under the historical cost convention with items recognised at cost or transaction value unless otherwise stated in the relevant notes to these accounts. The financial statements have been prepared in accordance with the Statement of Recommended Practice: Accounting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102) and the Charities Act 2011.

The charity constitutes a public benefit entity as defined by FRS102.

The Trustees consider that there are no material uncertainties about the charity's ability to continue as a going concern.

### 1.2 [Fund accounting](#)

General funds are unrestricted funds which are available for use at the discretion of the

Trustees in furtherance of the general objectives of the Charity and which have not been designated for other purposes.

**OPERATION INTERNATIONAL UK**  
**Balance Sheet and Notes to Accounts**  
**For the year to 31<sup>st</sup> December 2022**

**1.3** Income and expenditure

All income and expenditure have been recorded on an accrual's basis.

**2.** Creditors due within one year

|                          | 2022       | 2021       |
|--------------------------|------------|------------|
