HANDS OF HOPE FOUNDATION

Charitable Incorporated Organisation

Trustees' Annual Report (Incorporating the Director's Report) *(continued)*

Year ended 27 February 2023

Structure, governance and management

The organisation is a Charitable Incorporated Organisations (CIO), incorporated on 07 May 2020 at Charity Commission with registration number 1189406. The charity is governed by Charitable Incorporated Organisation (CIO) - Foundation which established the objects and powers of the charitable organisation. The Board of Trustees are responsible for all the legal and financial administration of the charity that Hands of Hope Foundation - is registered under. They are the final authority for the Charity when it comes to legal and financial decisions. The current board of Trustees consist of:

Alexander Babudoh- Chair of Trustees
Blessing Odebode - Trustee
Elizabeth Smith-Mensah - Trustee
Adeola Ogunade- Trustee
Phillips Aderonke

Recruitment and Appointment of Trustees

The trustees of the organisation are also Charity Trustees for the purpose of charity law. Appointment of trustees were initially by recommendation of the board of trustees

Trustees Induction and Training

Most trustees are familiar with the workings of the charity and charity being drawn from long-standing Trustees have a skill set to offer and an empathy with our core values. An information pack has been prepared from Charity Commission signpost through the commissions guide " the Essential Trustee" this is given to all new Trustees couple with training seminars. New trustees are invited and encourage to attend a series of short training sessions led by the Chair of the trustees. These covers: The Obligation of trustees, The main documents of the charity - CIO Foundation, The Charities Financial Statements and the future plans and objectives.

Risks Management

The trustees have a duty to identify and review the risks to which the charity is exposed and to ensure appropriate controls are in place to provide assurance against fraud and error. The Trustees is ultimately responsible for the system of internal control and for reviewing its effectiveness. The Trustees has reviewed the effectiveness of the system of internal controls, it has reviewed and updated the process for identifying and evaluating the major risks affecting the charity and the policies and procedures by which risks are managed. The Core leaders are responsible for the identification and evaluation of significant risks applicable to their areas of business together with the design and operation of suitable controls. These risks are assessed on a continuing basis and may be associated with a variety of internal or external control sources including control breakdowns, disruptions in information systems and regulatory requirements.

Objectives and activities

Trustees Report Charity's Public Benefit

The main aims and Objectives of the charity are:

1. To promote social inclusion for the public benefits by working with people in London and the surrounding area who are socially excluded on the grounds of their unemployment, homelessness, drug and alcohol dependency and criminal history to relieve the needs of such people and assist them to integrate into society, in particular:
2. Advancing education and career development
3. Signposting the provision of advice, support, and assistance
4. Increasing or co-ordinating opportunities for such persons to engage with service providers to enable those providers to adapt services to better meet their needs

Our Mission and Vision

Our main focus is on assisting vulnerable adults by facilitating means that will enable them to integrate in the communities. The foundation provides housing and educational support, information, advice, training, and advocacy on detailing with the ongoing effects of housing and unemployment issues. The charity also supports African Orphanage homes

Achievements and performance

Cinnamon Grant

We trained different organisations and churches on homelessness prevention, we provided around 3000 people with homelessness prevention training, advice, and information. We set up housing surgeries for people to drop in and ask questions from our Gillingham hub and few other locations. We continue to provide housing-related support such as advice, information, training, and other interventions to help people sustain and maintain their tenancies. Telephone advice sessions - to give relevant housing advice and support to beneficiaries based on their current circumstances. We ran Skills-based workshops and Career's Advice sessions - to build back confidence and teach useful skills that people can use to get better jobs. The workshops included support with job search, job profiling, CV Clinics, and preparation for interview workshops with one-to-one support. Training on 'How to use a computer', Welfare benefits information, 'Understanding Housing Health & Safety Rating System. o Housing advice surgeries and training on how to get on to the housing register and deal with private landlords. The sessions have assisted beneficiaries who are facing challenges such as rent arrears, illegal eviction, overcrowding, and homelessness to address their housing issues. We have referred beneficiaries to relevant external agencies such as local authorities, housing associations, private landlords and job centres for more support.

Main Grant (Community Funding)

We support our community with food provision for everyone that is struggling including BME food and we deliver to different parts of Medway. We have been able to provide food parcels to multiple nationalities that have approached us. All foods including BME Food have been distributed to reach all excluded areas in Medway and its surrounding areas. We have been able to support families with household grant to cover the increase in their gas and electricity. Other works have included supporting African Orphanages with educational and food supplies through funds donated by friends and families to continue the work.

HANDS OF HOPE FOUNDATION

Charitable Incorporated Organisation

Trustees' Annual Report (Incorporating the Director's Report) *(continued)*

Year ended 27 February 2023

Financial review

The total incoming resources for the year under review increased by 2.57% to £56,162 as compared to last year (2022-£56,162). The total resources expanded during the year decreased by 3.62% to £49,214 as compared to last year (2022-£51,063). This resulted in an increase of 64.62% net surplus to £8,394 as compared to last year (2022- £5,099)

The principal funding source continue to be donation from individuals and grants.

Reserves Policy

The trustees recognise the need to maintain reserves. Unrestricted funds are needed to cover the day-to-day administration and support costs of the charity and also to have Restricted reserves or designated funds available for specific projects.

Plans for future periods.

Future Plans

1. We plan to extend the frequency of our food distribution, the quantity and quality of food we offer and to distribute to more people.
2. We plan to offer more training, to cover more locations, more people, and more organisation to benefit from our services.
3. We plan to purchase a van to ease our food distribution to cover more locations. This is due to the huge request that we have been receiving.
4. We plan to recruit more volunteers and paid staff for the continuity of services.

Small company provisions

This report has been prepared in accordance with the provisions applicable to companies entitled to the small companies exemption.

The trustees' annual report was approved on 4 August 2023 and signed on behalf of the board of trustees by:

Adeola Ogunade
Trustee

Independent Examiner's Report to the Trustees of HANDS OF HOPE FOUNDATION

Year ended 27 February 2023

I report to the trustees on my examination of the financial statements of HANDS OF HOPE FOUNDATION ('the charity') for the year ended 27 February 2023.

Responsibilities and basis of report

As the trustees of the company (and also its directors for the purposes of company law) you are responsible for the preparation of the financial statements in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of the charity's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the charity as required by section 386 of the 2006 Act; or
2. the financial statements do not accord with those records; or
3. the financial statements do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination; or
4. the financial statements have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

HANDS OF HOPE FOUNDATION

Charitable Incorporated Organisation

Notes to the Financial Statements

Year ended 27 February 2023

1. General information

The charity is a public benefit entity and a private company limited by guarantee, registered in England and Wales and a registered charity in England and Wales. The address of the registered office is 14 Warren Wood Road, Rochester, ME1 2UB.

2. Statement of compliance

These financial statements have been prepared in compliance with FRS 102, 'The Financial Reporting Standard applicable in the UK and the Republic of Ireland', the Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Charities SORP (FRS 102)) and the Companies Act 2006.

3. Accounting policies

Basis of preparation

The financial statements have been prepared on the historical cost basis, as modified by the revaluation of certain financial assets and liabilities and investment properties measured at fair value through income or expenditure.

The financial statements are prepared in sterling, which is the functional currency of the entity.

Going concern

There are no material uncertainties about the charity's ability to continue.

Fund accounting

Unrestricted funds are available for use at the discretion of the trustees to further any of the charity's purposes.

Designated funds are unrestricted funds earmarked by the trustees for particular future project or commitment.

Restricted funds are subjected to restrictions on their expenditure declared by the donor or through the terms of an appeal, and fall into one of two sub-classes: restricted income funds or endowment funds.

HANDS OF HOPE FOUNDATION

Charitable Incorporated Organisation

Notes to the Financial Statements *(continued)*

Year ended 27 February 2023

3. Accounting policies *(continued)*

Incoming resources

All incoming resources are included in the statement of financial activities when entitlement has passed to the charity; it is probable that the economic benefits associated with the transaction will flow to the charity and the amount can be reliably measured. The following specific policies are applied to particular categories of income:

- income from donations or grants is recognised when there is evidence of entitlement to the gift, receipt is probable and its amount can be measured reliably.
- legacy income is recognised when receipt is probable and entitlement is established.
- income from donated goods is measured at the fair value of the goods unless this is impractical to measure reliably, in which case the value is derived from the cost to the donor or the estimated resale value. Donated facilities and services are recognised in the accounts when received if the value can be reliably measured. No amounts are included for the contribution of general volunteers.
- income from contracts for the supply of services is recognised with the delivery of the contracted service. This is classified as unrestricted funds unless there is a contractual requirement for it to be spent on a particular purpose and returned if unspent, in which case it may be regarded as restricted.

Resources expended

Expenditure is recognised on an accruals basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is classified under headings of the statement of financial activities to which it relates:

- expenditure on raising funds includes the costs of all fundraising activities, events, non-charitable trading activities, and the sale of donated goods.
- expenditure on charitable activities includes all costs incurred by a charity in undertaking activities that further its charitable aims for the benefit of its beneficiaries, including those support costs and costs relating to the governance of the charity apportioned to charitable activities.
- other expenditure includes all expenditure that is neither related to raising funds for the charity nor part of its expenditure on charitable activities.

All costs are allocated to expenditure categories reflecting the use of the resource. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs are apportioned between the activities they contribute to on a reasonable, justifiable and consistent basis.

Tangible assets

Tangible assets are initially recorded at cost, and subsequently stated at cost less any accumulated depreciation and impairment losses. Any tangible assets carried at revalued amounts are recorded at the fair value at the date of revaluation less any subsequent accumulated depreciation and subsequent accumulated impairment losses.

HANDS OF HOPE FOUNDATION

Charitable Incorporated Organisation

Notes to the Financial Statements *(continued)*

Year ended 27 February 2023

3. Accounting policies *(continued)*

Tangible assets *(continued)*

An increase in the carrying amount of an asset as a result of a revaluation, is recognised in other recognised gains and losses, unless it reverses a charge for impairment that has previously been recognised as expenditure within the statement of financial activities. A decrease in the carrying amount of an asset as a result of revaluation, is recognised in other recognised gains and losses, except to which it offsets any previous revaluation gain, in which case the loss is shown within other recognised gains and losses on the statement of financial activities.

Depreciation

Depreciation is calculated so as to write off the cost or valuation of an asset, less its residual value, over the useful economic life of that asset as follows:

Equipment - 25% reducing balance

Impairment of fixed assets

A review for indicators of impairment is carried out at each reporting date, with the recoverable amount being estimated where such indicators exist. Where the carrying value exceeds the recoverable amount, the asset is impaired accordingly. Prior impairments are also reviewed for possible reversal at each reporting date.

For the purposes of impairment testing, when it is not possible to estimate the recoverable amount of an individual asset, an estimate is made of the recoverable amount of the cash-generating unit to which the asset belongs. The cash-generating unit is the smallest identifiable group of assets that includes the asset and generates cash inflows that largely independent of the cash inflows from other assets or groups of assets.

For impairment testing of goodwill, the goodwill acquired in a business combination is, from the acquisition date, allocated to each of the cash-generating units that are expected to benefit from the synergies of the combination, irrespective of whether other assets or liabilities of the charity are assigned to those units.

Financial instruments

A financial asset or a financial liability is recognised only when the charity becomes a party to the contractual provisions of the instrument.

Basic financial instruments are initially recognised at the amount receivable or payable including any related transaction costs.

Current assets and current liabilities are subsequently measured at the cash or other consideration expected to be paid or received and not discounted.

Debt instruments are subsequently measured at amortised cost.

HANDS OF HOPE FOUNDATION

Charitable Incorporated Organisation

Notes to the Financial Statements *(continued)*

Year ended 27 February 2023

3. Accounting policies *(continued)*

Financial instruments *(continued)*

Where investments in shares are publicly traded or their fair value can otherwise be measured reliably, the investment is subsequently measured at fair value with changes in fair value recognised in income and expenditure. All other such investments are subsequently measured at cost less impairment.

Other financial instruments, including derivatives, are initially recognised at fair value, unless payment for an asset is deferred beyond normal business terms or financed at a rate of interest that is not a market rate, in which case the asset is measured at the present value of the future payments discounted at a market rate of interest for a similar debt instrument.

Other financial instruments are subsequently measured at fair value, with any changes recognised in the statement of financial activities, with the exception of hedging instruments in a designated hedging relationship.

Financial assets that are measured at cost or amortised cost are reviewed for objective evidence of impairment at the end of each reporting date. If there is objective evidence of impairment, an impairment loss is recognised under the appropriate heading in the statement of financial activities in which the initial gain was recognised.

For all equity instruments regardless of significance, and other financial assets that are individually significant, these are assessed individually for impairment. Other financial assets are either assessed individually or grouped on the basis of similar credit risk characteristics.

Any reversals of impairment are recognised immediately, to the extent that the reversal does not result in a carrying amount of the financial asset that exceeds what the carrying amount would have been had the impairment not previously been recognised.
