Company law requires the directors to prepare financial statements for each financial year which give a true and fair view of the state of the charity's financial activities as at the balance sheet date and of its incoming resources and application of resources, including income and expenditure, for the financial year. In preparing those financial statements, the directors should follow best practice and:

- select suitable accounting policies and apply them consistently;
- observe the methods and principles in the charities SORP;
- make judgements and estimates that are reasonable and prudent;

The charity is dependent on voluntary contributions from its members in the United Kingdom. During the year the charity has seen a growth in its voluntary contributions despite the impact of the pandemic on many members. Lajna Ima'illah (UK) had a surplus at year end.

The members continued to voluntarily contribute throughout the year making the risk to income very low. The charity's focus remains on the improving the moral and spiritual training of its members and to continue with its outreach and social work. The continuous education and awareness of the charity's activities should have a positive impact on our future income.

**INDEPENDENT AUDITORS REPORT TO THE MEMBERS OF LAJNA IMA'ILLAH (UK)**  
**Year ended 30 September 2024**

---

**Opinion**

We have audited the financial statements of LAJNA IMA'ILLAH (UK) (the 'company') for the year ended 30 September 2024 which comprise statement of financial activities and balance sheet and notes to the financial statements, including significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 *The Financial Reporting Standard applicable in the UK and Republic of Ireland* and United Kingdom Generally Accepted Accounting Practice.

In our opinion the financial statements:

- give a true and fair view of the state of the company's affairs as at 30 September 2024, and of its surplus for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

**Basis for opinion**

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor responsibilities for the audit of the financial statements section of our report. We are independent of the company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

**Conclusions relating to going concern**

In auditing the financial statements, we have concluded that the directors' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the company's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the directors with respect to going concern are described in the relevant sections of this report.

**Other information**

The other information comprises the information included in the annual report<sup>4</sup>, other than the financial statements and our auditor's report thereon. The directors are responsible for the other information contained within the annual report<sup>4</sup>. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon. Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit, or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

**Opinions on other matters prescribed by the Companies Act 2006**

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the strategic report and the directors' report for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the strategic report and the directors' report has been prepared in accordance with applicable legal requirements.

---

**INDEPENDENT AUDITORS REPORT TO THE MEMBERS OF LAJNA IMA'ILLAH (UK)**  
**Year ended 30 September 2024**

---

**Matters on which we are required to report by exception**

In the light of the knowledge and understanding of the company and its environment obtained in the course of the audit, we have not identified material misstatements in the strategic report and the directors' report.

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit [; or
- the directors were not entitled to prepare the financial statements in accordance with the small companies regime and take advantage of the small companies' exemptions in preparing the directors' report and from the requirement to prepare a strategic report.

**Responsibilities of directors**

As explained more fully in the directors' responsibilities statement set out on page 4, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the company or to cease operations, or have no realistic alternative but to do so.

**Auditor responsibilities for the audit of the financial statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

- Explanation as to what extent the audit was considered capable of detecting irregularities, including fraud.

Because of the inherent limitations of an audit, there is a risk that we will not detect all irregularities, including those leading to a material misstatement in the financial statements or non-compliance with regulation. This risk increases the more that compliance with a law or regulation is removed from the events and transactions reflected in the financial statements, as we will be less likely to become aware of instances of non-compliance. The risk is also greater regarding irregularities occurring due to fraud rather than error, as fraud involves intentional concealment, forgery, collusion, omission or misrepresentation.

As part of an audit in accordance with ISAs (UK), we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the directors.
- Conclude on the appropriateness of the directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation (ie. gives a true and fair view).

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

**Use of our report**

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

**NOTES TO THE FINANCIAL STATEMENTS**  
**for the year ended 30 September 2024**

---

**1. Summary of significant accounting policies**

**(a) Basis of preparation**

These accounts have been prepared under the historical cost convention with items recognised at cost or transaction value unless otherwise stated in the relevant note(s) to these accounts.

The accounts have been prepared in accordance with the Statement of Recommended Practice: Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) issued on 16 July 2014, the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102) and with the Charities Act 2011.

**(b) Income: Recognition of income**

These are included in the statement of financial activities when:

- the charity becomes entitled to the resources;
- it is more likely than not that the trustees will receive the resources; and
- the monetary value can be measured with sufficient reliability.

**(c) Grants and Donations**

Grants and donations are only included in the statement of financial activities when the charity has met the general income recognition criteria (5.10 to 5.12 FRS102 SORP).

**(d) Volunteer help**

Members of Lajna Ima'illah UK currently operate on a voluntary basis and the value of work is not included in the accounts.

**(e) Expenditure: Grants Payable**

Grant payments are payable to members to further the charitable obligations. They are expensed during the year when events have created a valid expectation that the charity will discharge its liabilities.

**(f) Expenses and Liabilities**

Expenses are recognised on an accrual's basis. Liabilities are recognised as soon as there is a legal or constructive obligation requiring the charity to pay out resources.

**(g) Taxation**

The charity has the duty to submit the corporation tax return since the notice of requiring the return was served from the HMRC. An application to grant the gift aid status was submitted in 2021 and subsequently accepted. All sources of income are generated via charitable activities for the year ended 30 September 2024, therefore the charity is exempt from corporation tax in this year.

---

**NOTES TO THE FINANCIAL STATEMENTS (continued)**  
for the year ended 30 September 2024

---

**(h) Fund Accounting**

Unrestricted funds are those funds which are spent at the discretion of the management committee for the purpose of meeting the charity's objectives.

Designated funds are those restricted funds that have been given to the charity for a purpose and set aside by the trustees for particular purposes as defined by the management committee. The aim and use of each designated fund is set out in the notes to the financial statements.

Restricted funds are spent in accordance with specific instructions from the donors and for the funds it was collected on behalf of.

**(i) Tangible Fixed Assets**

Tangible fixed assets are stated at cost (or deemed cost) or valuation less accumulated depreciation and accumulated impairment losses. Cost includes costs directly attributable to making the asset capable of operating as intended.

Depreciation is provided on all tangible fixed assets, at rates calculated to write off the cost, less estimated residual value, of each asset on a systematic basis over its expected useful life as follows:

IT equipment 33% straight line basis	Office Furniture 25% straight line basis
Other Equipment 20% straight line basis	Building improvements 10% straight line

**(j) Going concern**

The financial statements have been prepared on a going concern basis, as the trustees have determined that there is no material uncertainty that casts doubt on the entity's ability to continue as a going concern. The trustees have considered the level of funds held and the expected level of income and expenditure for 12 months from authorising these financial statements. The budgeted income and expenditure is sufficient with the level of reserves for the charity to be able to continue as a going concern.

**(k) Donations and Gifts**

Donations and gifts are recognised in the Statement of Financial Activities as soon as they are receivable.

**(l) Grants Payable**

Grants payable are expensed when events have created a valid expectation in other parties that the Charity will discharge its liabilities.

**(m) Governance**

Governance costs are the costs associated with the constitutional and statutory arrangements of the Charity as opposed to those costs associated with income generation or charitable activity. Included within this category are costs associated with the strategic rather than day to day management of the Charity's activities. These costs include external audit and reimbursed trustee expenses.

**(n) Funds**

Unrestricted funds are donations and other incoming resources receivable or generated in furtherance of the Charity's objectives without further specified purpose and are available as general funds. Designated funds are unrestricted funds earmarked by the trustees for particular purposes.
