Trustees Annual Report and Accounts

for the Year Ended 31st January 2025

Ministerios Alfa y Omega

Purpose of Charity (as set out in its governing document)

To advance the christian faith for the benefit of the public in accordance with the statement of faith mainly, but not exclusively, by means of church planting, outreach and missionary work.

Main activities

Throughout the year, the charity has carried out a range of activities to advance the Christian faith and support the public benefit. Our weekly gatherings, including Sunday services and home-groups, have provided regular opportunities for worship, teaching, pastoral support and community building. These meetings have enabled us to offer spiritual and emotional support to individuals and families.

We have organised activities and programmes for children and young people, creating safe environments that encourage positive engagement, personal development and protection from harmful influences.

The charity has also offered counselling and support to couples facing difficulties, helping to strengthen relationships and promote the value and stability of family life within our community.

Achievements and Performances

During the year, Ministerios Alfa y Omega continued to support the spiritual and practical wellbeing of its members and the wider community. Attendance at services and homegroups increased, with more youth and families actively participating in church activities.

The charity supported personal and spiritual development through men's and women's events, marriage and family activities, and the new "Saved and Healthy" initiative encouraging fitness and fellowship. A church retreat provided teaching, baptisms, and community building away from daily pressures.

Community engagement also grew through celebrations such as Mother's Day, Father's Day, and baby dedications open to both members and non-members. Fundraising included a football tournament with other churches, promoting positive behaviour, teamwork, and a safe environment for young people, as well as a cultural food festival celebrating the diverse backgrounds of the congregation.

International outreach continued with mission support in Uganda, benefiting children, families, and vulnerable groups. Overall, the charity strengthened its ministry, increased participation, and continued to provide meaningful support locally and abroad.

Financial Review

The charity's financial position at the end of the period remained similar to the previous year. Like last year, the wider economic climate continues to affect the level of donations received. Despite these challenges, the charity maintained financial stability and was able to continue delivering its core activities without disruption.

The charity's policy continues to be to hold reserves that are carried forward into the next period. These reserves exist to support the charity in managing expected costs and to ensure that essential activities can continue even when income fluctuates.

The amount of reserves held at the year end was approximately **£1,000**.

There are currently no funds materially in deficit.

As the charity remains primarily dependent on donations, there is an inherent uncertainty regarding future income. However, there are no significant concerns regarding the charity's ability to continue as a going concern.

Structure, Governance and Management

Type of governing document

The charity is governed by a Trust Deed.

How the charity is constituted

The charity is registered and operates as a Charitable Incorporated Organisation (CIO).

Trustee selection and appointment

Trustees are identified and considered during formal meetings involving the Chair, existing trustees, and the Senior Pastor. Suitable individuals are approached and invited to serve as trustees. Upon acceptance, their nomination is reviewed and voted on by the board. Following approval, the Senior Pastor formally appoints them, and the decision is then confirmed to the wider leadership of the church.
