Dear Charity Commission

Ref: 1189551

As the CIO had not yet begun operating in this period, it has had £0 income and expenditure to report in the annual return form.

The CIO was registered on 19 May 2020 as the successor charity to the charitable unincorporated association known as Hamilton Road Evangelical Church ("the CUA"). However, the transfer of assets from the CUA to the CIO had not yet taken place and the CIO had therefore not begun operating in this period.

Kind regards

Peter Hawes
