Trustees' Report

The trustees present their report and financial statements of the charity for the year ended 31 May 2025.

Objectives and activities

Strategy, Purpose and Values

During the year, the Trustees and Management team have worked together to review the Charity's aims and create a strategic business plan.

The Trustees confirm that our objects, as set out in our constitution document, remain:

For the public benefit, the emotional and wellbeing support of those who are affected by cancer including patients, their families and carers, in particular but not limited to by providing or assisting in the provision of:

(a) information and support; and
(b) advancement of education generally.

Alongside this, we have agreed the charity's purpose statement to be:

'TOGETHER WE CHANGE THE PERCEPTION OF LIVING WITH & BEYOND CANCER.'

This refers to how we work with our cancer community to change the traditional narrative around cancer, have conversations around traditionally taboo cancer-related subjects, encourage our community members to challenge themselves and inspire others with cancer to do the same.

We have also agreed the following values:

• EMPOWERMENT
We strive to empower people to take control of their health, their cancer, and their future by providing practical resources emotional support and inspiring stories of others.

• COMPASSION
We provide unwavering support and empathy to people affected by cancer making sure no one ever feels alone.

• COMMUNITY
We believe in the power of connection, creating an inclusive environment where individuals feel heard, valued and empowered.

• RESILIENCE
We celebrate the strength and courage of those living with and beyond cancer and encourage each person to embrace life with hope and optimism.

• INTEGRITY
We operate with transparency, honesty and accountability, ensuring that our actions align with our purpose and the trust that our community places in us.

Objectives, strategies and activities

Activities during the year

1. Supporting Our Community In-Person and Online

Throughout 2024-2025 we provided:

- 52 weekly drop-in 'Get Togethers', for anyone affected by cancer, at Walcot House in Bath;
- 12 monthly Zoom meet-ups for our Stage 4 community members;
- 3 pub social evenings for community members and their friends and family;
- 6 evening 'curry club' socials for community members and their friends and family; and
- 2 supervised WhatsApp groups - one for regular community members and one for our stage 4 members.

The combination of this in-person and online support continues to form the core of our community support for those affected by cancer.

Our 'drop in' Get Togethers enable local people to meet others who're going through cancer, spend time together and share information, ideas and support. They are attended by our existing community members as well as an increasing number of new people who discover We Get It as our profile raises. Our records show that we had 514 attendees who have benefited from our Get Togethers during this financial year.

In addition to this, we had 11 attendees at our 3 evening pub socials, 62 at our Curry Club evenings and 28 attendees at our Stage 4 online sessions.

2. Wellbeing One-To-Ones And Signposting

Members who attend our ongoing support sessions such as the Get Together or evening events, also continue to have the chance to request a one-to-one support session with our Wellbeing Lead Sue Judge.

Throughout the financial year, Sue continued these sessions, focusing on the member's individual key issue(s). With a background in holistic health and nutrition, the advice, support and signposting Sue is able to offer ranges from nutrition, mental health/emotional support, lifestyle and exercise, to treatment side effects management, pain management and mobility issues.

These one-to-one sessions were funded by a grant from The National Lottery Community Fund during the financial year. A total of six one-to-one sessions were held with community members during the financial year.

3. Workshops

We held a number of workshops and social events for our community members during the financial year to support their wellbeing, further their knowledge and provide enjoyment. These were hosted as a result of feedback from members on their specific needs and interests. These workshops also provide opportunities to collaborate with charity partners.

Objectives, strategies and activities (continued)

Our workshops and social events included:

• 4 weekly 'Fire & Feast' evenings during August at the Wise Woods in Box - 52 attendees;
• 25 morning 'Woodland Wellbeing' sessions focusing on the healing power of nature at the Wise Woods in Box, held in collaboration with We Hear You, the professional counselling service charity - 98 attendees;
• A rowing taster event at Avon County Rowing Club - 6 attendees;
• A Christmas community meal at Pomegranate, Bath - 20 attendees;
• A 6-week Visual Journalling course run by a specialist Art Therapist - 34 attendees; and
• A sound bath and massage session at the Soul Spa, Bath run by specialist message therapists - 7 attendees.

4. Events

The Strength in Style Fashion Show - a fusion of fashion and compassion
Collaboration with other cancer-based charities continues to be an important value and goal for our charity, in order to raise our profile and awareness of our support services, generate more funding and reach more local people living with and beyond cancer.

In 2024, we collaborated with Children's Hospice South West and Dorothy House again on the second Strength in Style Fashion Show. This was a fashion show with a real difference. It took place at the prestigious Assembly Rooms in Bath on Thursday 26 September 2024 and was hosted by the celebrated men's stylist Nick Hems and social media influencer and vintage fashion content creator Ellie (AKA The Vanity Case). It succeeded in achieving several objectives:

• To profile the important work done by the three charities;
• To showcase some of the independent fashion retailers in Bath;
• To highlight the importance of sustainable fashion; and
• To create a truly memorable event which has become a regular, anticipated event in Bath's social calendar.

Strength in Style's reach went far beyond fashion; it profiled three local charities, empowered individuals, highlighted local businesses, and promoted sustainability.

Moreover, by its collaborative nature, it united different sectors of the local community and showed how powerful we can be when we work together with others for a common aim. Strength in Style exemplified the spirit of community, compassion, and creativity, leaving a lasting impact on all those involved.

All the models walking the runway on the evening were members of the charities' communities. This included eight We Get It community members who reported how empowered and inspired they felt by taking part, both on the evening itself and throughout the following year. 300 tickets were sold. Given the huge success of the first two events, a third, bigger Strength in Style Fashion Show is now in planning, to be held at Bath Abbey on Wednesday 24th September 2025.

The Step-by-Step Walk - to remember our community members who have died.
We held our first 'Step by Step' Walk in April, an event which saw 33 community members come together to remember those who've died. They shared memories and anecdotes of loved ones no longer with us, while taking in the sights and sounds of the beautiful River Avon, some walking the 5k route, some travelling the route in our Ambassador Leigh Forster's boat.

Objectives, strategies and activities (continued)

Feedback on the event included:
"It was a beautiful event and so lovely to be together and important to remember and celebrate all those amazing and special people that we have lost. There was too many names on the flag and lots of memories to share and it was lovely to see everyone who could make it."

Promoting early diagnosis
We run an annual #getitchecked campaign linked to World Cancer Day in February which promotes and recognises the need for the public to get any niggling symptoms checked that they are not happy with, while highlighting the continuing research statistics which show how early cancer diagnosis makes treatment more effective and increases the chances of a successful recovery from the disease.

100k in May
100k in May is our annual fundraising challenge which sees participants run, walk or cycle 100k during the month of May. This challenge was held for the fifth time during this financial year. This was the first year we applied a registration fee to take part in order to cover the costs of administrating the event. We had a total of 58 participants joining in who were based locally, nationally and internationally. These participants are a combination of community members, their friends and family, and members of the public with awareness of We Get It. Together they raised £11,863 for our charity. We look forward to our sixth 100k in May challenge in 2026.

This fundraising challenge was rounded off with a 'Cheers to 5 years:100 celebration and pub night walk', which allowed the challenge participants and their supporters to come together to complete a 3k walk and enjoy an evening at the Bathampton Mill in Bath, celebrating the end of the challenge, as well as the fifth anniversary of We Get It becoming a registered charity.

Scars for Life - celebrating the beautiful and the bold
Scars for Life is an all-immersive exhibition exploring the physical and mental scars of cancer through photography and film.

It consists of 12 photos and videos of our community members. It illustrates our cancer stories and the scars they have left behind, shining a light on an area of having cancer that is normally hidden, and normalising it in a way that encourages and inspires others to live well with cancer.

While the physical exhibition was not on display during this financial year, the online exhibition continued to be viewed and enjoyed via our website.

5. Creating A Team of We Get It Ambassadors

Four long-term We Get It community members accepted the role of Ambassador for the charity in this financial year. These members continually prove their value in providing peer support for newer members at our events. Through their involvement as models at our Strength in Style Fashion Show and for our Scars for Life exhibition, these community members have become keen advocates of the charity and inspirational examples of getting outside their comfort zones, in order to live well with and beyond cancer. They will have a specific mandate and appropriate training to represent We Get It at events and over social media. They are also part of our new fundraising strategy and will be set an annual fundraising target.

Objectives, strategies and activities (continued)

6. Driving Local Collaboration and Wider Partnerships

Collaborating and connecting with other organisations in the Bath community is imperative for us at We Get It and we continue to work closely with the other charities in our area, fostering collaboration and closer relationships for the benefit of those affected by cancer.

In January 2023 we established the 'Cancer Charity Development Board' (CCDB), to drive the communication, collaboration and co-operation between local charities helping people deal with cancer. We are joined at these board meetings by leading members from Dorothy House, We Hear You, the Macmillan-funded Citizen's Advice Bureau Welfare Rights Service, the Macmillan-funded Citizen's Advice Bureau Link Service, 3SG and also key oncology workers at the RUH.

Through these meetings, attendees support one another, share skills and knowledge, develop links, understanding and transparency between the local charities, sectors and businesses. As a result of working together in this way, we are helping more people affected by cancer before, during and beyond their diagnosis.

During this financial year, we held four CCDB meetings and compiled the Terms of Reference for the Board, defining the Board's purpose, role and objectives.

We Get It believes that collaboration is the only way forward and during the year we collaborated with a wide range of local charities, businesses and other organisations in order to serve our cancer community more effectively.

Testimonials

Testimonials from our community members about our support services during the financial year include:

"It's like finding a family you didn't know you had. I've done things I wouldn't have done and didn't know I could do - Wise woods, sound spa, river walk, pub night, journaling. Life saver." LW

"We Get It is group of people who share a common illness and therefore can relate to you in a way that other people cannot" RB

"We Get It has connected me with others and given me the support and confidence to face this uncertain cancer journey while living well and thriving without the constant fear and dread I used to feel before I found them. I love being around the people in We Get It as we have something huge in common and it connects us in a way that words can't. The friendship and connection is wonderful and I love taking part in all the different things the team organise like the rowing, the fashion show, curry nights, coffee mornings, the soul spa, the journaling - its all wonderful and for me We Get It is most definitely the silver lining of cancer." LS

"A lovely group to join that doesn't judge, we can laugh and cry whatever you need." BM

"A support group that supports in every way, formal and informal, anyone touched by cancer in the family." EF

Financial review

The Charity generated a surplus of £13,581 (2024: £10,593). Expenditure during the period was £67,585 (2024: £52,792).

Total income for the year was £81,166 (2024: £63,385) and this was broken down into £34,216 in donations, £14,984 in fundraising income, £31,550 in grants, and interest received of £416.

At 31 May 2025, total funds were £68,044 of which £47,990 are unrestricted (2024: £28,288) and £20,054 (2024: £26,175) are restricted.

We Get It has diversified its fundraising to include, for example, legacy gifts and community fundraising. As a result, we have been able to grown the services we provide to our members. The Trustees are pleased with the financial performance and the opportunity this gives us to grow and help more people affected by cancer.

Policy on reserves

As a charity that is aiming to continue to grow and serve its community, it is our ambition to maintain unrestricted reserves equal to 3 months of running costs as projected in 12 months' time. The Trustees have reviewed our reserves policy and agreed to maintain it at £20,000.

In addition, we continue to ringfence £7,000 towards establishing a permanent centre for We Get It.

Principal funding sources

Our funding this year was split between grants, our two flagship events – 100K in May and the Strength-in-Style Fashion Show, and a number of fundraising campaigns and donors.

During the year, we received the following grants:

- £5,000 from the Albert Hunt Trust;
- £5,000 from Quartet Community Foundation; and
- £500 from Stone King.
- £20,000 from the People's Postcode Lottery awarded this year and accrued into the accounts.

These grants fund the activities that we provide for our Community Members.

We also received:

- a £16,400 donation in memory of Anne Layfield;
- £128 in memory of Steve Taylor;
- £446 and £335 raised at concert by the Via Verde Singers and Grenville Jones;
- £240 from the Residents of Audley Avenue (in addition to the £1350 raised last year) with their 24 hour relay event;
- £1,049 from Dan Jones (in addition to the £690 raised last year) through his 500 mile cycle ride;
- £200 from Emily Barker (on top of the £644 raised last year) for running the Leeds Marathon;
- £894 from Founder and Chair, Laura Phillips for walking up Snowdonia at Night;
- £500 from The Worshipful Company of Environmental Cleaners;
- £2,559 from the Strength-in-Style Fashion show, which raised £7,677 overall, split between us, Dorothy House and Children's Hospice South West; and
- £11,863 through our 100K in May challenge. (We are very grateful to all those who took part, got moving and generated these donations for us).

We also now have a number of regular givers, to whom we are very grateful for their ongoing support.

Public benefit

The trustees confirm that they have complied with the requirements of section 17 of the Charities Act 2011 to have due regard to the public benefit guidance published by the Charity Commission for England and Wales.

Risk management

The Trustees review the major risks to which the charity is exposed and the risk management strategy to contain those exposures and to mitigate significant risks at each Board Meeting.

Significant risk areas identified during the year were the loss of key personnel and insufficient financial information for informing strategic decisions. The former has been mitigated by a programme of cross-training and documentation of key processes as well as the review of key policies and procedures such as our finance policy.

Our financial reporting has been improved by the appointment of Tracy Hunter as Treasurer, the upskilling of our bookkeeper and our move to our new accountants, Milsted Langdon. The Trustees feel that the rigorous financial policies and processes that we have in place have put us in a strong position as the charity continues to grow.

Structure, governance and management

Nature of governing document

The financial statements have been prepared in accordance with the accounting policies set out in note 1 of the financial statements and comply with the charity's governing document, the Charities Act 2011 and "Accounting and Reporting by Charities: Statement of recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)".

Organisational structure

The charity is controlled by its constitution.

John Hill stepped down as Trustee at our AGM in November 2024. The board extended a vote of thanks to John for his service to We Get It, helping us through our formative years.

Tracy Hunter, a community member with significant senior level experience in Finance and Accounting, was appointed to the Board at the same meeting. We wish to welcome Tracy and thank her for stepping up.

A further new Trustee, Johanna Davies, a senior leader with extensive experience in the marketing and communications sector was appointed at a Trustee meeting in May 2025.

Fundraising disclosures

The Charity operates according to an ethical fundraising policy prepared within guidelines provided by the Institute of Fundraising and the Fundraising Regulator. This governs Trustees' review and decision-making processes over solicited and unsolicited donations from individuals or businesses, large and anonymous donations and activities of external fundraisers, with the purpose of safeguarding potentially vulnerable donors, and the positive reputation of the Charity in light of its charitable objectives.

Trustees' Report (continued)

Going concern

The Trustees have considered cash projections for the coming year. Our main overheads are the provision of services and the management and facilitation of the charity's work. Having secured grant funding to cover most of these costs for the coming year, our priority is to diversify our income sources to transition to a more sustainable funding model.

The Charity is therefore confident in declaring that it continues to be a going concern.

The annual report was approved by the trustees of the charity on 18/11/25 and signed on its behalf by:

Trustee

We Get It Together CIO

Statement of Trustees' Responsibilities

The trustees are responsible for preparing the trustees' report and the financial statements in accordance with the United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice) and applicable law and regulations.

The law applicable to charities requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources of the charity for that period. In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The trustees are responsible for keeping sufficient accounting records that disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 2011, the Charities (Accounts and Reports) Regulations 2008, and the provisions of the constitution. The trustees are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The trustees are responsible for the maintenance and integrity of the corporate and financial information included on the charitable company's website. Legislation governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

Approved by the trustees of the charity on 18/11/25 and signed on its behalf by:

We Get It Together CIO

Independent Examiner's Report to the trustees of We Get It Together CIO

I report to the trustees on my examination of the accounts of We Get It Together CIO for the year ended 31 May 2025.

Responsibilities and basis of report

As the charity's trustees of We Get It Together CIO you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

Having satisfied myself that the accounts of the Charity are not required to be audited and are eligible for independent examination, I report in respect of my examination of the We Get It Together CIO's accounts carried out under section 145 of the 2011 Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of We Get It Together CIO as required by section 130 of the Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

1 Accounting policies

Statement of compliance
The financial statements have been prepared in accordance with the second edition of the Charities Statement of Recommended Practice issued in October 2019, the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102) and the Charities Act 2011.

Basis of preparation
We Get It Together CIO meets the definition of a public benefit entity under FRS 102. The accounts (financial statements) have been prepared under the historical cost convention with items recognised at cost or transaction value unless otherwise stated in the relevant note(s) to these accounts. The accounts have been prepared on an accruals basis.

Exemption from preparing a cash flow statement
As allowed by the Charities SORP (FRS 102) the trustees have opted not to include a statement of cash flows due to the size of the charity.

Going concern
The trustees consider that there are no material uncertainties about the charity's ability to continue as a going concern.

Income and endowments
Voluntary income including donations, gifts, legacies and grants that provide core funding or are of a general nature is recognised when the charity has entitlement to the income, it is probable that the income will be received and the amount can be measured with sufficient reliability.

Donations and legacies

Donations and legacies are recognised on a receivable basis when receipt is probable and the amount can be reliably measured.

Investment income

Dividends are recognised once the dividend has been declared and notification has been received of the dividend due.

Expenditure
All expenditure is recognised once there is a legal or constructive obligation to that expenditure, it is probable settlement is required and the amount can be measured reliably. All costs are allocated to the applicable expenditure heading that aggregate similar costs to that category. Where costs cannot be directly attributed to particular headings they have been allocated on a basis consistent with the use of resources, with central staff costs allocated on the basis of time spent, and depreciation charges allocated on the portion of the asset's use. Other support costs are allocated based on the spread of staff costs.

Charitable activities

Charitable expenditure comprises those costs incurred by the charity in the delivery of its activities and services for its beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.

Support costs

Support costs include central functions and have been allocated to activity cost categories on a basis consistent with the use of resources, for example, allocating property costs by floor areas, or per capita, staff costs by the time spent and other costs by their usage.

Governance costs

These include the costs attributable to the charity's compliance with constitutional and statutory requirements, including audit, strategic management and trustees meetings and reimbursed expenses.

Taxation

The charity is considered to pass the tests set out in Paragraph 1 Schedule 6 of the Finance Act 2010 and therefore it meets the definition of a charitable company for UK corporation tax purposes. Accordingly, the charity is potentially exempt from taxation in respect of income or capital gains received within categories covered by Chapter 3 Part 11 of the Corporation Tax Act 2010 or Section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively to charitable purposes.

Tangible fixed assets

Tangible fixed assets are measured at cost less accumulative depreciation and any accumulative impairment losses.

Depreciation and amortisation

Depreciation is provided on tangible fixed assets so as to write off the cost or valuation, less any estimated residual value, over their expected useful economic life as follows:

Asset class	Depreciation method and rate
Furniture and equipment	33% straight line basis

Trade debtors

Trade debtors are amounts due from customers for merchandise sold or services performed in the ordinary course of business.

Trade debtors are recognised initially at the transaction price. They are subsequently measured at amortised cost using the effective interest method, less provision for impairment. A provision for the impairment of trade debtors is established when there is objective evidence that the charity will not be able to collect all amounts due according to the original terms of the receivables.

Cash and cash equivalents

Cash and cash equivalents comprise cash on hand and call deposits, and other short-term highly liquid investments that are readily convertible to a known amount of cash and are subject to an insignificant risk of change in value.

Trade creditors
Trade creditors are obligations to pay for goods or services that have been acquired in the ordinary course of business from suppliers. Accounts payable are classified as current liabilities if the does not have an unconditional right, at the end of the reporting period, to defer settlement of the creditor for at least twelve months after the reporting date. If there is an unconditional right to defer settlement for at least twelve months after the reporting date, they are presented as non-current liabilities.

Trade creditors are recognised initially at the transaction price and subsequently measured at amortised cost using the effective interest method.

Fund structure
Unrestricted income funds are general funds that are available for use at the trustees discretion in furtherance of the objectives of the charity.

Designated funds are unrestricted funds set aside for specific purposes at the discretion of the trustees.

Restricted income funds are those donated for use in a particular area or for specific purposes, the use of which is restricted to that area or purpose.

Pensions and other post retirement obligations
The charity operates a defined contribution pension scheme which is a pension plan under which fixed contributions are paid into a pension fund and the charity has no legal or constructive obligation to pay further contributions even if the fund does not hold sufficient assets to pay all employees the benefits relating to employee service in the current and prior periods.

Contributions to defined contribution plans are recognised in the Statement of Financial Activities when they are due. If contribution payments exceed the contribution due for service, the excess is recognised as a prepayment.

Financial Instruments
The charity only holds basic financial instruments as defined in FRS 102. The financial assets and financial liabilities of the charity and their measurement basis are as follows;

Financial assets - trade and other debtors are basic financial instruments and are debt instruments measured at amortised cost. Prepayments are not financial instruments.

Cash at bank - is classified as a basic financial instrument and is measured at face value.

Financial liabilities - trade creditors, accruals and other creditors are financial instruments, and are measured at amortised cost. Taxation and social security are not included in the financial instruments disclosure definition. Deferred income is not deemed to be a financial liability, as the cash settlement has already taken place and there is an obligation to deliver services rather than cash or another financial instrument.

2 Income from donations and legacies

	Unrestricted funds General £	Restricted funds £	Total 2025 £	Total 2024 £
Donations and legacies;				
Donations from individuals	17,816	16,400	34,216	18,226

The trustees have chosen to reclassify the categorisation of restricted funds for the current and prior period in the financial statements into funds that are deemed appropriate. The updated restricted funds in these financial statements are based on activity rather than source of funds. There is no change in the aggregate value of restricted funds for the year ended 31 May 2024.

The specific purposes for which the funds are to be applied are as follows:

We Get It Centre:
The trustees have ringfenced £7,000 towards establishing a permanent centre for We Get It.

Wellbeing activites:
Regular activites provided for our community members, including our weekly Get Together, monthly Curry Club, Fire & Feast events and well-being workshops run thoughaout the year according to need.

Wellbeing lead:
To provide a Wellbeing Lead to run our regular community events and also to provide one-to-one well-being check-ins.

Staff salaries:
To pay our Charity Manager, currently part time at 20 hours per week.

Panel Event:
To provide a panel discussion event for community members and a wider audience, including expenses and accomodation for influential panel members on complex topics relevant to those affected by cancer.

Office equipment:
To provide laptop, mobile phone and printer for our Charity Manager.

Branding & Printing:
To refresh our branding and websitre, including new printed promotional materials to advertise our services to those who could benefit from them.

Anne Layfield fund:
Funds donated in memory of Anne Layfield to be spent on various activites as agreed with Anne's family.

Trustees report
For the year ended 31 May 2024

Objectives and Activities

The trustees present their report and financial statements for the period ended 31 May 2024.

The financial statements have been prepared in accordance with the accounting policies set out in note 1 to the financial statements and comply with the charity's governing document, the Charities Act 2011 and "Accounting and Reporting by Charities: Statement of recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)".

Purpose

We Get It Together CIO (We Get It) is a dynamic, inclusive support and resource charity for anyone affected by cancer; any age, any gender, any cancer. We Get It is run by people who have themselves experienced cancer, and, because of that, the group can truly say "we get it".

With 1 in 2 people likely to have a cancer diagnosis during their lifetime, our objective for We Get It is to provide a community of support for people affected by the disease in Bath and the surrounding areas, including North East Somerset, parts of Wiltshire and beyond. We believe that no one should be alone during or after cancer treatment and wherever possible, we aim to empower people to live well with and beyond cancer.

We Get It Together CIO is registered with the charity commission and is governed by its Constitution as registered on 20 May 2020.

Objectives and Activities

Our objects, as set out in our constitution are, for the public benefit, the relief of those who are affected by cancer including patients, their families and carers, in particular but not limited to by providing or assisting in the provision of:

(a) information and support; and

(b) advancement of education generally.

Recent growth and ambitious plans

Our year to May 2024 has been an important step in our ongoing growth plans. The first full year of our Charity Manager has enabled us to provide more services to more people and plan the next steps on our growth, including ringfencing £7,000 of unrestricted funding as seed capital for our permanent 'We Get It Centre' to serve the people of Bath and the surrounding area. This will be a collaborative, holistic support hub for those living with and beyond cancer, run by our employees and volunteers.

Activities during the period

1 SUPPORTING OUR COMMUNITY IN-PERSON AND ONLINE

Throughout 2023-24 we provided:

52 weekly drop-in 'Get Togethers', for anyone affected by cancer, at Walcot House in Bath;
12 monthly Zoom meet-ups for our Stage 4 community members;
3 evening 'pub' socials for community members and their friends and family members;
1 evening 'curry club' social for community members and their friends and family members (a new event which has taken place on the monthly basis since May 24) and
2 supervised WhatsApp groups – one for regular community members and one for our stage 4 members.

The combination of this in-person and online support continues to form the core of our community support for those affected by cancer.

Our 'drop in' Get Togethers enable local people to meet others who're going through cancer, spend time together and share information, ideas and support. They are attended by our existing community members as well as an increasing number of new people who discover We Get It as our profile raises. Our records show that we had 548 attendees who have benefited from our Get Togethers during this financial year.

In addition to this, we had 19 attendees at our 3 evening 'pub' socials, 6 at our first Curry Club evening and 35 attendees at our Stage 4 online sessions.

2 WELLBEING ONE-TO-ONES AND SIGNPOSTING

Members who attend our ongoing support sessions such as the Get Together or evening events, also continue to have the chance to request a one-to-one support session with our Wellbeing Lead Sue Judge.

Throughout the financial year, Sue continued these sessions, focusing on the member's individual key issue(s). With a background in holistic health and nutrition, the advice, support and signposting Sue is able to offer ranges from nutrition, mental health/emotional support, lifestyle and exercise, to treatment side effects management, pain management and mobility issues.

These one-to-one sessions were funded by a grant from The National Lottery Community Fund during the financial year. A total of 18 one-to-one sessions were held with community members during the financial year.

Trustees report (continued)

3 WORKSHOPS

We held a number of workshops and social events for our community members during the financial year to support their wellbeing, further their knowledge and provide enjoyment. These were a result of feedback and ideas from members on their needs/wants/interests, and also using opportunities to collaborate with charity partners.

Our workshops and social events included:

- A day fact-finding community visit to the Dorothy House Hospice in Winsley – 12 attendees
- 2 4-week Visual Journalling courses run by a specialist Art Therapist – 53 attendees
- A private community visit to the Roman Baths in Bath – 12 attendees
- 5 weekly 'Food & Fire' evenings during August at the Wise Woods in Box – 36 attendees
- A sound bath and massage session at the Soul Spa, Bath run by specialist message therapists - 9 attendees
- A rowing taster event at Avon County Rowing Club – 9 attendees
- A community comedy night at Komedia Comedy Club, Bath – 12 attendees
- A Christmas community meal at Pomegranate, Bath – 16 attendees

4 EVENTS

Scars for Life – celebrating the beautiful and the bold

Scars for Life is an all-immersive exhibition exploring the physical and mental scars of cancer through photography and film.

It consists of 12 photos and videos of our community members. It illustrates our cancer stories and the scars they have left behind, shining a light on an area of having cancer that is normally hidden, and normalising it in a way that encourages and inspires others to live well with cancer.

During this financial year, this exhibition continued to be on the move, and was hosted at the University of the West of England during August and September 2023. A total of 30 people attended the exhibition open evening at UWE on 9th August 2023.

Feedback from the UWE exhibition included:

"Thank you for creating this exhibition and thanks to all the participants who shared their stories and images. Really uplifting to see the strength and resilience of these amazing people. And the amazing work of surgeons and the rest of the clinical teams."

"It's so worth seeing, it's a beautiful exhibition."

Trustees report (continued)

The Strength in Style Fashion Show – a fusion of fashion and compassion

Collaboration with other cancer-based charities continues to be an important value and goal for our charity, in order to raise our profile and awareness of our support services, generate more funding and reach more local people living with and beyond cancer.

In 2023, we collaborated with Children's Hospice Hospice South West and Dorothy House on the inaugural Strength in Style Fashion Show.

This was a fashion show with a real difference.

It took place at the prestigious Assembly Rooms in Bath on Thursday 28 September 2023 and was hosted by BBC presenter, Alex Lovell. It succeeded in achieving several objectives:

- To profile the important work done by the three charities
- To showcase some of the independent fashion retailers in Bath
- To highlight the importance of sustainable fashion, and
- To create a truly memorable event which would become a regular, anticipated event in Bath's social calendar

Strength in Style's reach went far beyond fashion; it profiled three local charities, empowered individuals, highlighted local businesses, and promoted sustainability.

Moreover, by its collaborative nature, it united different sectors of the local community and showed how powerful we can be when we work together with others for a common aim.

Strength in Style exemplified the spirit of community, compassion, and creativity, leaving a lasting impact on all those involved.

All the models walking the runway on the evening were members of the charities' communities. This included six We Get It community members who reported how empowered and inspired they felt by taking part, both on the evening itself and throughout the following year.

All 223 tickets were sold and a waiting list was in place for available tickets.

Given the huge success of the inaugural event, a second Strength in Style Fashion Show is now in planning, to be held at Assembly Room Bath again on Thursday 26th September 2024.

Promoting early diagnosis

We run an annual #getitchecked campaign linked to World Cancer Day in February which promotes and recognises the need for the public to get any niggling symptoms checked that they are not happy with, while highlighting the continuing research statistics which show how early cancer diagnosis makes treatment more effective and increases the chances of a successful recovery from the disease.

Trustees report (continued)

100k in May

100k in May is our annual fundraising challenge which sees participants run, walk or cycle 100k during the month of May. This challenge was held for the fourth time during this financial year, with a record number of people taking part. We had a total of 78 participants joining in who were based locally, nationally and internationally – a growth of 28% from last year

These participants are a combination of community members, their friends and family, and members of the public with awareness of We Get It. Together they raised £4498 in funds for our charity.

We look forward to our fifth anniversary 100k in May challenge in 2025.

5 DRIVING LOCAL COLLABORATION AND WIDER PARTNERSHIPS

Collaborating and connecting with other organisations in the Bath community is imperative for us at We Get It and we continue to work closely with the other charities in our area, fostering collaboration and closer relationships for the benefit of those affected by cancer.

In January 2023 we established the 'Cancer Charity Development Board' (CCDB), to drive the communication, collaboration and co-operation between local charities helping people deal with cancer. We are joined at these board meetings by leading members from Dorothy House, We Hear You, Macmillan Cancer Care, 3SG and also key oncology workers at the RUH.

Through these meetings, attendees support one another, share skills and knowledge, develop links, understanding and transparency between the local charities, sectors and businesses. As a result of working together in this way, we are helping more people affected by cancer before, during and beyond their diagnosis.

During this financial year, we held five CCDB meetings and these attracted new, valuable board members including a Macmillan-funded Welfare Rights Adviser, the Macmillan-funded Project Lead of the link worker service providing practical 'life administration' support, both based at Bath's Citizens Advice Bureau, and a SWAG-funded Nurse Facilitator for Personalised Care for cancer patients in Primary care, who provides a key link between local third sector support and local GP surgeries.

Trustees report (continued)

The charities we collaborated and connected with during this financial year are as follows:

- Abigail Strike – Lymphatic & Massage Specialist
- Avon County Rowing Club
- BA1 Hair
- Bandook Kitchen, Bath
- Bath and North East Somerset Third Sector Group CIO (3SG)
- Bath Mind
- Bath Women's Fund
- Dorothy House Hospice Care
- Macmillan Cancer Care
- Penny Brohn
- Quartet Community Foundation
- Radio Bath CIO
- Sporting Family Change
- St Johns Foundation
- We Hear You (WHY)
- The Wisdom Space CIC

In addition to this, we worked with and supported the following people, businesses and organisations:

- At the Chapel
- Bath and North East Somerset Council
- Bath Citizens Advice Bureau
- Bath Aqua Glass
- Bath Racecourse
- Bathampton Mill
- Bath Life – Mediaclash
- Beth Al Rikabi - The Free Range Chef
- Blue Women & Home
- Boho
- The Business Exchange Bath and Somerset – *including attending and exhibiting at The TBE Charity Expo & Conference at Bath Racecourse and as Media Partner for the Strength in Style Fashion Show*
- Carol Waller
- Centre of Appearance Research, Bristol
- Charity Challenge
- Corsham Print
- David Medlock
- Enlightened Lighting
- Field Doctor

Testimonials

Testimonials from our community members about our support services during the financial year include:

We Get It is a wonderful local support group that has arranged loads of activities that allows people affected by cancer to meet others, laugh and cry together. It has been such a support – K

The Fashion Show was the most amazing thing I have ever been involved in. It was great for my kids to see such a positive thing can come from havibg cancer. It gave me so much confidence and felt good to show people what living with cancer can look like – L

Very friendly supportive group. Has given me the opportunity to talk about my illness in a safe space. A chance to talk about the anger and frustrations – J

Komedia club comedy night is also a fantastic time to get the community out together and have a good laugh – L

It's enabled me to speak a language that we all understand without drama. Met a lot of great people who I have used their knowledge or vice versa – S

I have had a purpose to continue trying new things as well as sharing with others integrative alternatives to support my treatment under the NHS. Knowing that there are other paths I can take to support my treatment has ensured that I face the future in a more positive way – A

Always offering a safe space for discussion, friendship, and support. Physical and emotional support is a massive factor for me – K

Yes the group gives me the opportunity to meet and talk with others who are experiencing a similar journey to myself. Members can offer empathy and share feelings in a safe environment – J

Connecting with other cancer sufferers and listening to their and journey and being able to share your own without judgement has been a life saver mentally. Being able to access knowledge and signposts to greater knowledge of your own cancer has also been invaluable. With a rarer cancer these aspects have been key during my journey with cancer even though the prognosis is terminal - F

Trustees report (continued)

6 FUNDING SOURCES

Our funding this year was split between grants, our two flagship events – 100K in May and the Strength-in-Style Fashion Show, a number of fundraising campaigns, including that run by by Grenville Jones and his family and many other individual givers.

During the year, we received the following grants:

- £4,980 from Quartet Community Foundation to fund our Wellbeing Lead to provide our programme of groups for the year.
- £14,540 from Macmillan to provide office equipment for our new Charity Manager and to update our branding and website.
- £20,000 from the National Lottery Awards for All to cover much of our events programme and also part of our Charity Manager's salary.
- £500 from Stone King towards refreshments at our weekly Get Togethers

We were also the beneficiaries of a number of fundraising campaigns:

- We were very grateful to Grenville Jones who held a concert in Bath Abbey in memory of his son Keiron and raised £5,915 for us. Also, to his other son, Dan, who has an ongoing fundraising challenge which had raised £690 for us by 31st May.
- The incredible residents of Audley Avenue in Bath also had a 24-hour relay fundraiser which raised £1350 for us.
- The amazing Emily Barker, the niece of a community member who died, ran the Leeds Marathon and raised £644 for us.
- And the outstanding Alex Wildy, a friend of a community member, is cycling from Land's End to John o' Groats for us at the end of July and has raised £1,843 as at our year end.

We received £895 from our Strength-in-Style Fashion show, which raised £2,685 overall, split between us, Dorothy House and Children's Hospice South West.

We also raised £4,498 through our 100K in May challenge although some of these funds were received after year-end. We are very grateful to all those who took part, got moving and generated these donations for us.

Trustees report (continued)

FINANCIAL REVIEW

Financial position

The Charity generated a surplus of £10,593 (2023: £17,841). Expenditure during the period was £52,792 (2023: £16,817).

Total income for the year was £63,385 (2023: £34,658) and this was broken down into £18,226 in donations, £44,795 in grants and interest received of £364.

At 31 May 2024, total funds were £54,463 of which £28,288 are unrestricted.

Despite our overheads growing, as planned, more than threefold, we've managed to generate a reasonable surplus and the Trustees are pleased with the financial performance and the opportunity this gives us to grow and help more people affected by cancer.

Reserves policy

As a new and rapidly growing charity, it is our ambition to maintain unrestricted reserves equal to 3 months of running costs as projected in 12 months' time. Given our ambitious growth plans, the Trustees increased our reserves policy as at 31st May 2024 to £20,000.

In addition, we have ringfenced £7,000 towards establishing a permanent centre for We Get It.

STRUCTURE, GOVERNANCE AND MANAGEMENT

The charity is controlled by its constitution.

Geraint Lewis stepped down as a trustee at our AGM in February 2024. The board extended a vote of thanks to Geraint for his service to We Get It, helping us through our formative years.

Kate Banks, a community member with significant senior level experience in Personnel and HR, was appointed to the Board at the same meeting. We wish to welcome Kate and thank her for stepping up.

Ethical fundraising

The Charity operates according to an ethical fundraising policy prepared within guidelines provided by the Institute of fundraising and the Fundraising Regulator. This governs Trustees' review and decision-making processes over solicited and unsolicited donations from individuals or businesses, large and anonymous donations and activities of external fundraisers, with the purpose of safeguarding potentially vulnerable donors, and the positive reputation of the Charity in light of its charitable objectives.

Trustees report
For the year ended 31 May 2024

Trustees report (continued)

STATEMENT OF TRUSTEES' RESPONSIBILITIES

The trustees are responsible for preparing the Trustees' Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice). The law applicable to charities in England and Wales requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources of the charity for that year. In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The trustees are responsible for keeping sufficient accounting records that disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the constitution. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Approved by the board of trustees on: 02/12/2024

Independent examiner's report to the trustees of We Get It Together CIO

I report to the trustees on my examination of the accounts of We Get It Together CIO (the charity) for the year ended 31st May 2024.

Responsibilites and basis of report

As the charity trustees you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the Charity's accounts carried out under section 145 of the 2011 Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Charity as required by section 130 of the Act; or

2. the accounts do not accord with those records; or

3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

We Get It Together CIO
Notes to the Accounts
for the year ended 31 May 2024

1 Principle accounting policies

We Get It Together CIO is a Charitable Incorporated Organisation

The principal accounting policies adopted in the preparation of the financial statements are set out below:

Basis of preparation
The financial statements have been prepared in accordance with the charity's governing document, the Charities Act 2011 and Accounting and Reporting By Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102) (effective 1 January 2019). The charity is a Public Benefit Entity as defined by FRS102.

The charity has taken advantage of the provisions in the SORP for charities applying FRS 102 Update Bulletin 1 not to prepare a Statement of Cash Flows.

The financial statements are prepared in sterling , which is the functional currency of the charity. Monetary amounts in these financial statements are rounded to the nearest £.

The financial statements have been prepared under the historical cost convention. The principal accounting policies adopted are set out below.

Fund Accounting
Unrestricted funds are available for use at the discretion of the trustees in furtherance of the general objectives of the charity.

Restricted Funds are subjected to restrictions on their expenditure imposed by the donor or through the terms of an appeal.

Incoming Resources
All incoming resources are included in the statement of financial activities when the charity is entitled to the income and the amount can be quantified with reasonable accuracy. The following specific policies are applied to particular categories of income.

Voluntary income is received by way of grants, donations and gifts and is included in full in the Statement of Financial Activities when receivable. Grants, where entitlement is not conditional on the delivery of a specific performance by the charity, are recognised when the charity becomes unconditionally entitled to the grant.

Donated services and facilities are included at the value to the charity where this can be quantified.

The value of services provided by volunteers has not been included in these accounts.

Investment income is included when receivable.

Incoming resources from charitable trading activity are accounted for when earned.

Incoming resources from grants, where related to performance and specific deliverables, are accounted for as the charity earns the right to consideration by its performance.

Resources expended
Expenditure is recognised on an accrual basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered.

Costs of generating funds comprises those costs associated with attracting voluntary income and the costs of trading for fundraising purposes.

Charitable expenditure comprises those costs incurred by the charity in the delivery of its activities and services for its beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.

Governance costs include those costs associated with meeting the constitutional and statutory requirements of the charity and include the examiner's fees and costs linked to the strategic management of the charity.

All costs are allocated between the expenditure categories of the SoFA on a basis designed to reflect the use of the resource. Costs relating to a particular activity are allocated directly, others are apportioned on an appropriate basis.

Cash and cash equivalents
Cash and cash equivalents include cash in hand, deposits held at call with banks, other short-term liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities.

Tangible fixed assets

Tangible fixed assets are measured at cost less accumulative depreciation and any accumulative impairment losses. Depreciation is provided on all tangible fixed assets, other than freehold land, at rates calculated to write off the cost, less estimated residual value, of each asset evenly over its expected useful life, as follows:

Computer equipment	33% on a straight line basis

Pensions
Contributions to defined contribution plans are expensed in the period to which they relate.

Trustees report
For the year ended 31 May 2023

Objectives and Activities

The trustees present their report and financial statements for the period ended 31 May 2023.

The financial statements have been prepared in accordance with the accounting policies set out in note 1 to the financial statements and comply with the charity's governing document, the Charities Act 2011 and "Accounting and Reporting by Charities: Statement of recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)".

Purpose

We Get It Together CIO (We Get It) is a dynamic, inclusive support and resource charity for anyone affected by cancer; any age, any gender, any cancer. We Get It was founded by people who themselves experienced cancer, and, because of that, the group can truly say "we get it".

With 1 in 2 people likely to have a cancer diagnosis during their lifetime, our objective for We Get It is to provide a community of support for people affected by the disease in Bath and North East Somerset. We believe that no one should be alone during or after cancer treatment and wherever possible, we aim to empower people to live well with and beyond cancer.

We Get It Together CIO is registered with the charity commission. It is governed by its Constitution as registered on 20 May 2020.

Objectives and Activities

Our objects, as set out in our constitution are, for the public benefit, the relief of those who are affected by cancer including patients, their families and carers, in particular but not limited to by providing or assisting in the provision of:

(a) information and support; and

(b) advancement of education generally.

Recent growth and ambitious plans

We recruited our first employee in May 2023 and have ambitious plans for the future, including a permanent 'We Get It Centre' to serve the people of Bath and the surrounding area. This will be a collaborative, holistic support hub for those living with and beyond cancer, run by our employees and volunteers.

Trustees report (continued)

Activities during the period

1 SUPPORTING OUR COMMUNITY IN-PERSON AND ONLINE

Throughout 2022-23 we provided:

51 weekly drop-in 'Get Togethers', for anyone affected by cancer, at Walcot House in Bath;
12 monthly Zoom meet-ups for our Stage 4 community members;
12 evening socials for friends and family members; and
2 supervised WhatsApp groups – one for regular community members and one for our stage 4 members.

The combination of this in-person and online support continues to form the core of our community support for those affected by cancer.

Our 'drop in' Get Togethers enable local people to meet others who're going through cancer, spend time together and share information, ideas and support. They are attended by our existing community members as well as an increasing number of new people who discover We Get It as our profile raises. Our records show that we had 529 attendees who have benefited from our Get Togethers during this financial year.

In addition to this, we had 95 attendees at our evening socials and 39 attendees at our Stage 4 online sessions.

2 WELLBEING ONE-TO-ONES AND SIGNPOSTING

Members who attend our ongoing support sessions such as the Get Together or evening events, also continue to have the chance to request a one-to-one support session with our Wellbeing Lead Sue Judge.

Throughout the financial year, Sue continued these sessions, focusing on the member's individual key issue(s). With a background in holistic health and nutrition, the advice, support and signposting Sue is able to offer ranges from nutrition, mental health/emotional support, lifestyle and exercise, to treatment side effects management, pain management and mobility issues.

These one-to-one sessions were funded by a grant from The National Lottery Community Fund during the financial year. A total of 20 one-to-one sessions were held with community members during the financial year.

Trustees report (continued)

3 WORKSHOPS

We held a number of workshops for our community members during the financial year to support their wellbeing, further their knowledge and provide enjoyment. These were a result of feedback and ideas from members on their needs/wants/interests, and also using opportunities to collaborate with charity partners.

Our workshops included:

- a Retreat Day for our members at The Penny Brohn Centre near Bristol – 13 attendees
- a 4-week Yoga for Cancer course run by a specialist Oncology and Haematology Physiotherapist, Lymphedema Therapist and Hatha Yoga teacher – 13 attendees
- a practical Breath and Fermentation Workshop – 14 attendees
- a 7-session 'Wellbeing Through Time' course in collaboration with The Roman Baths and Bath College, covering the practical wellbeing solutions practiced by the Romans – 7 attendees

4 EVENTS

Scars for Life – celebrating the beautiful and the bold

In 2022 we created the Scars for Life exhibition, exploring the physical and mental scars of cancer through photography and film.

Scars for Life is an all-immersive exhibition consisting of 12 photos and videos of our community members. It illustrates our cancer stories and the scars they have left behind, shining a light on an area of having cancer that is normally hidden, and normalising it in a way that encourages and inspires others to live well with cancer.

For those of us who have scars from cancer – whether they are physical, mental or both – we tend not to show them or talk about them.

And yet, the scars represent visually what we have experienced, both mentally and physically. They are the scars that have enabled us to carry on living – they are our scars for life.

And this is why the Scars for Life project is so important to us; it is to show those scars and be proud of what our bodies have achieved.

We joined forces with award winning photographer Sophie Mayanne, our We Get It photographer, Holly Webb and James Stapleton from Jooka Video Production on this project.

The Scars for Life Exhibition was launched at The House of St John's in Bath on 9th June 2022. This event was attended by 80 people from local businesses and our charity partners, to WGI supporters and team members. Some of the Scars for Life models also attended and brought friends and family members.

Following the launch event, the exhibition remained on show at The House of St John's. It was also hosted at Dorothy House Hospice in Winsley during the financial year.

Following the launch event, the exhibition remained on show at The House of St John's. It was also hosted at Dorothy House Hospice in Winsley during the financial year.

Promoting early diagnosis

We run an annual #getitchecked campaign linked to World Cancer Day in February which promotes and recognises the need for the public to get any niggling symptoms checked that they are not happy with, while highlighting the continuing research statistics which show how early cancer diagnosis makes treatment more effective and increases the chances of a successful recovery from the disease.

Trustees report (continued)

100k in May

100k in May is our annual fundraising challenge which sees participants run, walk or cycle 100k during the month of May. This challenge was held for the third time during this financial year, with a record number of people taking part. We had a total of 61 participants joining in who were based locally, nationally and internationally– a growth of over 50% from last year.

These participants are a combination of community members, their friends and family, and members of the public with awareness of We Get It. Together they raised £17,997 in funds for our charity.

5 DRIVING LOCAL COLLABORATION AND WIDER PARTNERSHIPS

Collaborating and connecting with other organisations in the Bath community is imperative for us at We Get It and we continue to work closely with the other charities in our area, fostering collaboration and closer relationships for the benefit of those affected by cancer.

In January 2023 we established the 'Cancer Charity Development Board' (CCDB), to drive the communication, collaboration and co-operation between local charities helping people deal with cancer. We are joined at these board meetings by leading members from Dorothy House, We Hear You, Macmillan Cancer Care, 3SG and also key oncology workers at the RUH.

Through these meetings, attendees support one another, share skills and knowledge, develop links, understanding and transparency between the local charities, sectors and businesses. As a result of working together in this way, we are helping more people affected by cancer before, during and beyond their diagnosis.

The charities we collaborated and connected with during this financial year are as follows:

- Bath and North East Somerset Third Sector Group CIO (3SG)
- Dorothy House Hospice Care
- Macmillan Cancer Support
- Penny Brohn
- Radio Bath CIO
- Sporting Family Change – including supporting and attending the SFC Annual Charity Ball
- St Johns Foundation / House of St Johns
- We Hear You (WHY)

Trustees report (continued)

In addition to this, we worked with and supported the following businesses and organisations:

- Bathampton Mill
- Bath College
- Bath Life - Mediaclash
- Bath Yoga Studio
- The Business Exchange Bath and Somerset – *including attending and exhibiting at The TBE Charity Expo & Conference at Bath Racecourse*
- Cassia Bath
- Diane Lee
- G.F. Smith
- Hanora Health
- Holly Webb Photographer
- Homewood Bath
- Ignition Bath
- Jooka
- Kingsdown Golf Club
- Live Well in BANES
- Minuteman Press Bath
- Modern Art Buyer
- Olivia Core Yoga
- Ripe Digital
- Rathbone HR solutions
- Roman Baths
- Royal United Hospital, Bath (RUH)
- Sophie Mayanne
- Walcot House

Testimonials

Testimonials from our community members about our support services during the financial year include:

WGI is always offering a safe space for discussion, friendship, and support. Physical and emotional support is a massive factor for me. WGI has helped me be less scared for my future. Friendship is important to all members. Being able to talk or not is important for the mental health of everyone involved. - KJ

Just so wonderful to meet and get to know such amazing people including Sue. I love the Friday mornings. I work so can't do too many activities but do what I can. - T

It's enabled me to speak a language that we all understand without drama. I've met a lot of great people who I have used their knowledge or vice versa. - S

I have benefitted from the various activities that We Get It have organised and funded. Without these activities, I can't imagine how I would have coped mentally with living with cancer. They have been emotionally supportive and given me a chance to try/learn new things and connect with others dealing with cancer. – A

Trustees report (continued)

6 FUNDING SOURCES

We were very grateful to be named Kingsdown Golf Club's Charity of the Year for 2022 and were delighted to receive the proceeds of their fundraising, which totalled £10,539.

We were also beneficiaries of a £5,000 grant towards core costs from the Garfield Weston Foundation and nominated to receive £500 from the proceeds of the Just Helping Christmas Tree recycling by Dorothy House.

We raised £17,997 through our 100K in May challenge although some of these funds were received after year-end.

FINANCIAL REVIEW

Financial position

The Charity generated a surplus of £17,841 (2022: £3,075). Expenditure during the period was £16,817 (2022: £16,561).

Total income for the year was £34,658 (2022: £19,636) and this was broken down into £29,572 in donations, £5,000 in grants and interest received of £86.

At 31 May 2023, total funds were £43,870 of which £40,199 are unrestricted.

Beginning 2023/24 with a substantial surplus (relative to our current income) is a clear sign that our fundraising has outstripped our service growth, however it will help us maintain and grow delivery and achieve our ambition to employ a manager for the charity in the current year.

The Trustees are pleased with the financial performance and the opportunity this gives us to grow and help more people affected by cancer.

Trustees report (continued)

Reserves policy

As a new and rapidly growing charity, it is our ambition to maintain unrestricted reserves equal to 3 months of running costs as projected in 12 months' time. Given our ambitious growth plans, the Trustees increased our reserves policy as at 31st May 2023 to aim for £15,000.

STRUCTURE, GOVERNANCE AND MANAGEMENT

The charity is controlled by its constitution.

Ethical fundraising

The Charity operates according to an ethical fundraising policy prepared within guidelines provided by the Institute of fundraising and the Fundraising Regulator. This governs Trustees' review and decision-making processes over solicited and unsolicited donations from individuals or businesses, large and anonymous donations and activities of external fundraisers, with the purpose of safeguarding potentially vulnerable donors, and the positive reputation of the Charity in light of its charitable objectives.

STATEMENT OF TRUSTEES' RESPONSIBILITIES

The trustees are responsible for preparing the Trustees' Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice). The law applicable to charities in England and Wales requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources of the charity for that year. In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The trustees are responsible for keeping sufficient accounting records that disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the constitution. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Approved by the board of trustees on: 01/01/2024.

Independent examiner's report to the trustees of We Get It Together CIO

I report to the trustees on my examination of the accounts of We Get It Together CIO (the charity) for the year ended 31st May 2023.

Responsibilites and basis of report

As the charity trustees you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the Charity's accounts carried out under section 145 of the 2011 Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Charity as required by section 130 of the Act; or

2. the accounts do not accord with those records; or

3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

We Get It Together CIO
Notes to the Accounts
for the year ended 31 May 2023

1 Principle accounting policies

We Get It Together CIO is a Charitable Incorporated Organisation

The principal accounting policies adopted in the preparation of the financial statements are set out below:

Basis of preparation
The financial statements have been prepared in accordance with the charity's governing document, the Charities Act 2011 and Accounting and Reporting By Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102) (effective 1 January 2019). The charity is a Public Benefit Entity as defined by FRS102.

The charity has taken advantage of the provisions in the SORP for charities applying FRS 102 Update Bulletin 1 not to prepare a Statement of Cash Flows.

The financial statements are prepared in sterling , which is the functional currency of the charity. Monetary amounts in these financial statements are rounded to the nearest £.

The financial statements have been prepared under the historical cost convention. The principal accounting policies adopted are set out below.

Fund Accounting
Unrestricted funds are available for use at the discretion of the trustees in furtherance of the general objectives of the charity.

Restricted Funds are subjected to restrictions on their expenditure imposed by the donor or through the terms of an appeal.

Incoming Resources
All incoming resources are included in the statement of financial activities when the charity is entitled to the income and the amount can be quantified with reasonable accuracy. The following specific policies are applied to particular categories of income.

Voluntary income is received by way of grants, donations and gifts and is included in full in the Statement of Financial Activities when receivable. Grants, where entitlement is not conditional on the delivery of a specific performance by the charity, are recognised when the charity becomes unconditionally entitled to the grant.

Donated services and facilities are included at the value to the charity where this can be quantified.

The value of services provided by volunteers has not been included in these accounts.

Investment income is included when receivable.

Incoming resources from charitable trading activity are accounted for when earned.

Incoming resources from grants, where related to performance and specific deliverables, are accounted for as the charity earns the right to consideration by its performance.

Resources expended
Expenditure is recognised on an accrual basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered.

Costs of generating funds comprises those costs associated with attracting voluntary income and the costs of trading for fundraising purposes.

Charitable expenditure comprises those costs incurred by the charity in the delivery of its activities and services for its beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.

Governance costs include those costs associated with meeting the constitutional and statutory requirements of the charity and include the examiner's fees and costs linked to the strategic management of the charity.

All costs are allocated between the expenditure categories of the SoFA on a basis designed to reflect the use of the resource. Costs relating to a particular activity are allocated directly, others are apportioned on an appropriate basis.

Cash and cash equivalents
Cash and cash equivalents include cash in hand, deposits held at call with banks, other short-term liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities.

Independent examiner's report to the trustees of We Get It Together CIO

I report on the accounts of We Get It Together CIO for the period ended 31st May 2022, which are set out on pages 3 to 15.

Respective responsibilities of trustees and examiner

The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year under section 144 (2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is needed.

It is my responsibility to:

a) examine the accounts under section 145 of the 2011 Act;

b) to follow the procedures laid down in the general Directions given by the commission under section 145(5)(b) of the 2011 Act; and
c) to state whether particular matters have come to my attention.

Basis of independent examiner's report

My examination was carried out in accordance with the general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the next statement.

Independent examiner's statement

In connection with my examination, no matter has come to my attention:

(1) which gives me reasonable cause to believe that in any material respect the requirements:

a) to keep accounting records in accordance with section 130 of the 2011 Act; and

b) to prepare accounts which accord with the accounting records and comply with the accounting requirements of the 2011 Act have not been met; or

(2) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

Charity number: **1189567**

Trustees report
For the year ended 31 May 2022

Objectives and Activities

The trustees present their report and financial statements for the period ended 31 May 2022.

The financial statements have been prepared in accordance with the accounting policies set out in note 1 to the financial statements and comply with the charity's governing document, the Charities Act 2011 and "Accounting and Reporting by Charities: Statement of recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)".

Purpose

We Get It Together CIO (We Get It) is a dynamic, inclusive support and resource charity for anyone affected by cancer; any age, any gender, any cancer. We Get It was founded by people who themselves experienced cancer, and, because of that, the group can truly say “we get it”.

With 1 in 2 people diagnosed with cancer, our objectives for We Get It were to create a charity for people affected by the disease. This charity was to be a social network, a support group, and a resource centre founded by people who “get it”.

We are proud to have achieved those objectives.

Our next steps are to grow greater awareness of We Get It and eventually find a permanent venue so that we can enable more people to meet, talk, listen, feel supported and be helped to live well with cancer.

We Get It Together CIO is registered with the charity commission. It is governed by its Constitution as registered on 20 May 2020.

Objectives and Activities

Our objects, as set out in our constitution are, for the public benefit, the relief of those who are affected by cancer including patients, their families and carers, in particular but not limited to by providing or assisting in the provision of:

(a) information and support; and

(b) advancement of education generally.

Activities during the period

1 CONTINUED TO SUPPORT OUR COMMUNITY REMOTELY AND IN-PERSON

Many of our community members continued to shield throughout much of 2021. Following the highly successful measures we took at the outset of the pandemic, we continued to work our community online, to prevent the loneliness of social isolation, whilst providing safe opportunities to meet up in person for those who felt able to.

Trustees report (continued)

We were excited to get our community members back together in person from September 2021. Meeting monthly initially in the outdoor space at the Holbourne Museum, we then returned to weekly in-person get togethers at The Walcot from April 2022. We were so excited to see each other again after such a long time apart and delighted to meet our newer members in person for the first time.

This is how we continued to support our community remotely and in-person:

- Weekly Zoom Get Togethers June 2021 to December 2021
- Relaunched The (Real life) Get Together (Monthly) on Friday 24th September 2021 to March 2022
- Moved The (Real life) Get Together to weekly from April 2022
- Continued the We Get It Private Facebook Group
- Delivered 45 x We Got You Bags to the We Get It Community
- Continued the WhatsApp Community Group
- Launched our Friends and Family Hangout (8 events, 15 attendees)
- Monthly walk and pub night with Friends & Family on the Go - June, July and September 2022
- WGI Down the Pub - October 2022

2 EVENTS

Scars for Life
Feeling strongly that people living with cancer need a platform to explore their physical and emotional scars, we developed a series of events to make this possible, culminating in a photographic exhibition with models from our We Get It Community, bravely and proudly baring all for award winning photographer Sophie Mayanne. We combined this with behind-the-scenes photographs by Holly Webb and video by James Stapleton from Jooka Video Production to create an all-immersive exhibition of photos and video illustrating our cancer stories and the scars they have left behind.

- Scars for Life (Event 1) - The Soul Spa - Saturday 9th October 2021 (8 Participants)
- Scars for Life (Event 2) - Ariel Yoga - Saturday 6 November 2021 (8 Participants)
- Scars for Life Photo & Video Shoot - Friday 19th November (12 Participants)
- Scars for Life (Event 3) - Life Drawing & Art Therapy - Tuesday 29th March 2022 (8 Participants)
- Scars for Life Exhibition - Thursday 9th June 2022 (80 Participants)

Bath Life Awards - Once again, We Get It was a finalist at the Bath Life Awards, September 2021

Our (now annual) fundraiser, 100k in May 2022 had 40 participants

Co-hosted a Bath Festival event with Kris Hallenga - How to Glitter a turd - Tuesday 17th May 2022 (50 Participants)

Trustees report (continued)

3 WIDER PARTNERSHIPS

Collaborating and connecting with other organisations in the Bath community is imperative for us at We Get It and we continue to work closely with the other charities in our area, fostering collaboration and closer relationships for the benefit of those affected by cancer. This includes:

- The Royal United Hospital cancer services
- Macmillan – who have funded team training on mental health, dealing with death and bereavement and wellbeing, and also attend our get togethers
- We Hear You, who have attended our Friends and Family Hangouts
- Dorothy House, who have attended our Get Togethers and events and who also provided death and bereavement training to our volunteer team
- Penny Brohn - Laura Philips is an ambassador for Penny Brohn, speaking regularly at their events. Sue Judge (from our committee) is Living Well facilitator and nutritionist for Penny Brohn.

Local businesses:

As well as actively targeting the Bath business community to enable signposting of staff who may need us, and providing other ways they can get involved, we are passionate about linking up and supporting other independent organisations across the city. We have worked and continue to work with:

- The Walcot
- Bath Yoga Studio
- House of St Johns
- Soul Spa
- Hanora Health
- Radio Bath
- Bathhampton Mill
- Hope Art Therapy
- Balance The Countryside Gym
- Holly Webb photography
- Heffer Studio
- Modern Art Buyer
- Ignition Bath
- We are Jooka
- Sophie Mayanne
- The Bath Festival
- The Curfew Bath

Trustees report (continued)

Testimonials

Here are just a few of the comments collected from our Community in our January 2022 survey:

“I feel much more open to talk about my journey with cancer and not to be embarrassed about how it has affected me and life at home.”

“The zoom meetings made me feel less isolated.”

“We Get It were there. There at the time I was looking online for support when I felt scared and alone. Confused and had so many unanswered questions. We were in lock down too so being able to see and talk with other people who just got it was just such a relief. I felt happier to be able to connect.”

“I felt supported, certainly my emotional and mental health were supported by everyone I have encountered at We Get It.”

“It’s made a huge impact as both a supporter to others and the support that it gives me.”

“The events organised have made me more aware of mine and others stories and beCer able to cope with anything that is thrown at me.”

“It has raised my confidence and resilience and allowed me to do things that previously I would have shied away from.”

Trustees report (continued)

FINANCIAL REVIEW

Financial position

The Charity generated a surplus of £3,075 (2021: £22,954). Expenditure during the period was £16,560 (2021: £4,414).

Total income for the year was £19,636 (2021: £27,368) and this was broken down into £9,686 in donations and £9,950 in grants.

At 31 May 2022, total funds were £26,029 of which £13,696 are unrestricted.

Beginning 2022/23 with a substantial surplus (relative to our current turnover) is a clear sign that our fundraising has outstripped our service growth, however it will help us maintain and grow delivery and achieve our ambition to employ a manager for the charity in the current year.

The Trustees are pleased with the financial performance and the opportunity this gives us to grow and help more people affected by cancer.

Trustees report (continued)

Reserves policy

As a new and rapidly growing charity, it is our ambition to maintain unrestricted reserves equal to 3 months of running costs as projected in 12 months' time. Given our ambitious growth plans, the Trustees increased our reserves policy as at 31st May 2022 to aim for £15,000.

STRUCTURE, GOVERNANCE AND MANAGEMENT

The charity is controlled by its constitution.

Ethical fundraising

The Charity operates according to an ethical fundraising policy prepared within guidelines provided by the Institute of fundraising and the Fundraising Regulator. This governs Trustees' review and decision-making processes over solicited and unsolicited donations from individuals or businesses, large and anonymous donations and activities of external fundraisers, with the purpose of safeguarding potentially vulnerable donors, and the positive reputation of the Charity in light of its charitable objectives.

We Get It Together CIO

Charity number: **1189567**

Trustees report
For the year ended 31 May 2022

Trustees report (continued)

STATEMENT OF TRUSTEES' RESPONSIBILITIES

The trustees are responsible for preparing the Trustees' Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice). The law applicable to charities in England and Wales requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources of the charity for that year. In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The trustees are responsible for keeping sufficient accounting records that disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the constitution. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Approved by the board of trustees on: 28/11/2022

and signed on its behalf by:

1 Principle accounting policies

We Get It Together CIO is a Charitable Incorporated Organisation

The principal accounting policies adopted in the preparation of the financial statements are set out below:

Basis of preparation
The financial statements have been prepared in accordance with the charity's governing document, the Charities Act 2011 and Accounting and Reporting By Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102) (effective 1 January 2019). The charity is a Public Benefit Entity as defined by FRS102.

The charity has taken advantage of the provisions in the SORP for charities applying FRS 102 Update Bulletin 1 not to prepare a Statement of Cash Flows.

The financial statements are prepared in sterling , which is the functional currency of the charity. Monetary amounts in these financial statements are rounded to the nearest £.

The financial statements have been prepared under the historical cost convention. The principal accounting policies adopted are set out below.

Fund Accounting
Unrestricted funds are available for use at the discretion of the trustees in furtherance of the general objectives of the charity.

Restricted Funds are subjected to restrictions on their expenditure imposed by the donor or through the terms of an appeal.

Incoming Resources
All incoming resources are included in the statement of financial activities when the charity is entitled to the income and the amount can be quantified with reasonable accuracy. The following specific policies are applied to particular categories of income.

Voluntary income is received by way of grants, donations and gifts and is included in full in the Statement of Financial Activities when receivable. Grants, where entitlement is not conditional on the delivery of a specific performance by the charity, are recognised when the charity becomes unconditionally entitled to the grant.

Donated services and facilities are included at the value to the charity where this can be quantified.

The value of services provided by volunteers has not been included in these accounts.

Investment income is included when receivable.

Incoming resources from charitable trading activity are accounted for when earned.

Incoming resources from grants, where related to performance and specific deliverables, are accounted for as the charity earns the right to consideration by its performance.

Resources expended
Expenditure is recognised on an accrual basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered.

Costs of generating funds comprises those costs associated with attracting voluntary income and the costs of trading for fundraising purposes.

Charitable expenditure comprises those costs incurred by the charity in the delivery of its activities and services for its beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.

Governance costs include those costs associated with meeting the constitutional and statutory requirements of the charity and include the examiner's fees and costs linked to the strategic management of the charity.

All costs are allocated between the expenditure categories of the SoFA on a basis designed to reflect the use of the resource. Costs relating to a particular activity are allocated directly, others are apportioned on an appropriate basis.

Cash and cash equivalents
Cash and cash equivalents include cash in hand, deposits held at call with banks, other short-term liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities.
