Bolton Community Advice aim to improve the lives of the people in our community by giving advice, guidance or information on a wide range of issues including benefits, housing and debt management.

Significant activities

A thank you from the CEO Steve Fisher

Dear volunteers, trustees, partnership workers, and friends of the centre,

2025 has been another amazing year for our Bolton Community Advice.

On behalf of myself and the trustees I want to sincerely thank everyone who has helped us on this journey.

I'd like to say a special thank you to our amazing team of volunteers, without whom we wouldn't be able to do this.

Our incredible growth continues (we were facing closure in 2020) and in 2025 the number of people in our community that we helped has increased again.

Helping the people of Bolton more than ever

In 2025 we helped:

Over 750 people on probation to resettle back into the

community Over 550 people with benefit claims

Over 750 people with hearing and sight impairment and other

disabilities Over 250 people with homelessness and housing

issues

Over 180 people with debt problems

Over 200 people with mental health

issues Over 300 elderly people

Over 500 people with other issues

Public benefit

The Trustees have given due regard to the Charity Commission's guidance on Public Benefit. Our door is open to anyone who needs help and advice, no matter what the issue is. We have a great deal of experience on helping people on many issues such as benefit claims, housing, employment and sensory impairment issues. If our expert volunteers can't help directly we will try and find other sources of help in the area.

OBJECTIVES AND ACTIVITIES

Becoming Stronger

We have grown in every aspect of our organization:

Our People

We now have;
6 Full time paid staff
3 part-time staff
22 volunteers

Our Organisational Structure

We have strengthened our board with three new trustees and a new Chair, Lauren McKetchnie who replaces Jon Lord who did a fantastic job steering BCA the past couple of years.

Improving Professional Standards

Our Wellbeing Service contract with GMCA is run to highest professional standards in line with the probation service and we by adopting the same standards in our other BCA services we have greatly improved every aspect of how we operate.

We now have paid members of staff responsible for;
Safeguarding
Health & Safety
Recording and monitoring of client information
Confidentiality
Data protection.

Our Location

We have substantially developed our large building at 16a Oxford Street to make more use of the space. We have decided to close our original building at 148 Deansgate so that everything operates from one building. This is now a truly unique Community Hub and under one roof we are able to offer:

ADVICE, GUIDANCE OR SIGNPOSTING on a wide range of issues, including benefits, housing, physical and mental wellbeing.

THE WELLBEING SERVICE helping people on probation to break the cycle of reoffending

PROFESSIONAL ADVOCACY SERVICES for people with issues including hearing and sight impairment, mental health issues and age-related issues

REPORT OF THE TRUSTEES
FOR THE YEAR ENDED 31 MARCH 2025

ACHIEVEMENTS AND PERFORMANCE

Charitable activities

Many of our staff are trained independent advocates (Generic, Community, non-statutory) who are able to work with and on behalf of some of our clients.

We have continued to step up our staff development and training and have invested a good proportion of our funding on this, with volunteers attending courses in the following:

- Mental Health First Aid
- First Aid Training
- Safeguarding Training
- British Sign Language
- Advocacy Training
- Advice and Guidance Training
- Counselling Training

We also provide peer advocacy for sensory, mental health, learning disabilities and mobility issues. We also a peer advocate for autism and ADHD.

FINANCIAL REVIEW

Financial position

Our turnover increased substantially to around £285,000 (March 2025 published accounts) but so did our expenditure and so we ended 2025 on very low reserves.

We have taken steps to address this including extra fundraising initiatives, developing other income streams from licensing space in our building and monetizing initiatives from the Bike Library including bike sakes and chargeable repairs.

Reserves policy

The Trustees have worked hard to source unrestricted funding which encompasses all aspects of the charity's spending. However the charity is still heavily dependent on grant income which often has restrictions imposed and as such general reserves remain low.

FUTURE PLANS

Opportunities

The development of 16a Oxford Street, on which we have a lease extension until September 2028, provides an excellent opportunity for growth.

We are significantly developing numerous projects to make best use of our large first floor space, which will reinforce our position as a unique community hub, including;

Increasing our core Advice, Signposting and Guidance services
Expanding our Advocacy Service

Employability projects

A volunteer-led reception

area Numeracy and Literacy

classes ESOL classes

An upcycling project

Counselling Services

Increased co-location of other services in our Hub

The Wellbeing Service

We are about to enter into a continuation year of funding for our Wellbeing Service until March 2027 which will go out for the tender for a longer-term contract sometime this year. We are well established as the trusted delivery partner for this service and we are very confident that we will be involved in this.

Once again, I would like pass on my sincerest thanks to everyone who has made our continuing success possible, and I look forward to an amazing 2026.

**INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES
BOLTON COMMUNITY ADVICE**

Independent examiner's report to the trustees of Bolton Community Advice

I report to the charity trustees on my examination of the accounts of Bolton Community Advice (the Trust) for the year ended 31 March 2025.

Responsibilities and basis of report

As the charity trustees of the Trust you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the Trust's accounts carried out under Section 145 of the Act and in carrying out my examination I have followed all applicable Directions given by the Charity Commission under Section 145(5)(b) of the Act.

Independent examiner's statement

Since your charity's gross income exceeded £250,000 your examiner must be a member of a listed body. I can confirm that I am qualified to undertake the examination because I am a member of the Institute of Chartered Accountants in England and Wales, which is one of the listed bodies.

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Trust as required by Section 130 of the Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

OBJECTIVES AND ACTIVITIES

Objectives and aims

The objects of the Charitable Incorporated Organisation are to promote any charitable purpose for the public benefit by the advancement of education, the protection and preservation of health and the relief of poverty, sickness and distress in particular, but without limitation, for the benefit of the community in Bolton and surrounding areas.

Bolton Community Advice aim to improve the lives of the people in our community by giving advice, guidance or information on a wide range of issues including benefits, housing and debt management.

Significant activities

The Wellbeing Project

Funded by GMCA, our Wellbeing Project offers extra support to people on probation, helping them to reintegrate back into society and making sure they get the assistance they need to get back into work, education or volunteering.

Following a hugely successful pilot, The Wellbeing Service has been jointly commissioned by Greater Manchester Combined Authority (GMCA) and HM Prison and Probation Service (HMPPS) to continue working in the community with people on probation, to help them meet their goals and aspirations.

The service is a partnership led by The Big Life group, which comprises of 12 local organisations, including Bolton Community Advice, meaning that when people work with us, they'll benefit from our in-depth local knowledge in convenient locations such as our new community hub on Oxford Street!

Our mission is to make sure that people have all the tools, information and support they need to succeed while on probation.

Public benefit

The Trustees have given due regard to the Charity Commission's guidance on Public Benefit. Our door is open to anyone who needs help and advice, no matter what the issue is. We have a great deal of experience on helping people on many issues such as benefit claims, housing, employment and sensory impairment issues. If our expert volunteers can't help directly we will try and find other sources of help in the area.

Volunteers

We have continued to strengthen with 6 new volunteers.

This year we have helped a record number of people:

- Over 300 People on Probation with our Wellbeing Service
- Over 250 people with Universal credit and other benefit claims

FOR THE YEAR ENDED 31 MARCH 2024

FINANCIAL REVIEW

Financial position

The charities total income for the year to 31st March 2024 was £170,818 (2023: £210,050) and the total expenditure was £227,272 (2023: £112,550).

At the year end the Charity had cash in the bank of £45,493.

The charity had total funds at the year end of £56,455. The restricted fund accounted for £55,119 of this for the delivering of specific projects.

Reserves policy

The Trustees have worked hard to source unrestricted funding which encompasses all aspects of the charity's spending. However the charity is still heavily dependent on grant income which often has restrictions imposed and as such general reserves remain low.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

The charity is controlled by its governing document, a deed of trust and constitutes a Charitable Incorporated Organisation first registered 21 May 2020 as amended on 20 June 2022.

INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF BOLTON COMMUNITY ADVICE

Independent examiner's report to the trustees of Bolton Community Advice

I report to the charity trustees on my examination of the accounts of Bolton Community Advice (the Trust) for the year ended 31 March 2024.

Responsibilities and basis of report

As the charity trustees of the Trust you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the Trust's accounts carried out under Section 145 of the Act and in carrying out my examination I have followed all applicable Directions given by the Charity Commission under Section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Trust as required by Section 130 of the Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Improvements to property	- 20% on reducing balance
Fixtures and fittings	- 20% on reducing balance
Computer equipment	- 25% on reducing balance

Taxation

The charity is exempt from tax on its charitable activities.

Fund accounting

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

Further explanation of the nature and purpose of each fund is included in the notes to the financial statements.

Pension costs and other post-retirement benefits

The charity operates a defined contribution pension scheme. Contributions payable to the charity's pension scheme are charged to the Statement of Financial Activities in the period to which they relate.

Dear Steve,

I now have pleasure in enclosing two sets of the charity accounts for your attention. These are due with the Charity Commission, along with the annual report, by the end of this week.

If any Trustee wishes to contact me as Independent Examiner about the accounts or the letter of representation for any explanations, they can of course do so.

Assuming there are no adjustments required, if Ms Lauren McKechnie could sign both sets of accounts on page 4 and page 7 on behalf of the trustees. If you could then return both sets of signed accounts to me, I will sign the Independent Examiner's report and return a fully signed set of accounts to you for your records.

You should then scan and upload these fully signed accounts to your page on the Charity Commission website along with your annual return.

I would be grateful if Lauren could also sign and date the letter of representation enclosed which is from the trustees to myself as independent examiner and return this with the accounts.

If you have any queries regarding any of the above, please do not hesitate to contact me.

Finally, I enclose our account for services rendered which I trust you will find acceptable.

Best wishes

Yours sincerely
