

NOTTINGHAM AFGHAN FOUNDATION

The object of the Nottingham Afghan foundation are the advancement of education (including social and physical training) of boys and girls, and in particular to maintain day school. We provide an educational environment where each student can develop and fulfil his or her potential, building their self-confidence and inculcating a desire to contribute to the wider community.

Take the children to Jumma prayer every week

This is an excellent opportunity to see community interaction in practice. Even younger kids can benefit. Provided you give them a heads up about behaviour in the mosque and a reward for following the rules afterward. While they may not understand everything the imam or khatib will say, praying with others

A Islamic film festival at a mosque

While it's fun watching these alone in the comfort of your home, it's even more entertaining to do so with a bunch of friends over popcorn and drinks.

Organize a Muslim joke festival

Organize a Muslim joke festival. An event that would feature local youth presenting their funniest material for a small fee. All proceeds go to charity.

Nottingham Afghan foundation provides education to boys and girls from the ages of 4yrs to 18yrs. We seek to provide a structured educational environment that develops our pupils' capabilities and skills.

We have our own professional teacher to teach the kids their home language and reading Quran
