Trustees Report

Our main income activity is now mainly from Hedgehog Talks provided to local community groups in the Nottinghamshire and Derbyshire area. We have continued to attend outdoor events to raise money and offer information and advice about Hedgehogs as well as other related topics e.g. wildlife gardening/general biodiversity. The charity has continued to provide support for rescues over this period, helping with Veterinary bills, food supplies and the provision of funds to purchase some additional rabbit hutches for the Hedgehog Rescue.

Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	Para 1.20	<p>The charity mainly raises funds by providing local community groups with talks and attending events.</p> <p>Some talks and suitable events were either postponed or cancelled due to the situation with Covid in 2020 and also 2021, so this income stream has been severely affected in this period. The charity has still been able to support local rescues by assisting with vets bills, food, rescue equipment etc with the funds raised. The charity is a contact for the public if they find an injured hedgehog and we have still been able to advise on the best action to take, or arrange for a rescue to take the hedgehogs if required.</p>
