

May 23 – Apr 24 Return for NG16Helphedgehogs

Trustees Report

Our main income activity is now mainly from Hedgehog Talks provided to local community groups in the Nottinghamshire and Derbyshire area. We have continued to attend outdoor events to raise money and offer information and advice about Hedgehogs as well as other related topics e.g. wildlife gardening/general biodiversity. The charity has continued to provide support for rescues over this period, helping with Veterinary bills, food supplies and the provision of funds to purchase some additional rabbit hutches for the Hedgehog Rescue.
