

Rafael's – Trustees Annual Report

Charity Number 1189670

YEAR ENDED 5 APRIL 2023

Unfortunately we have been unable to raise any money. Therefore our income has been zero since the charity was founded.

CHARITABLE PURPOSE

Our charity was founded with the intention to raise money for vital research into stillbirth with the long term aim to significantly reduce the numbers currently occurring in the UK. Our main geographical location is to cover the United Kingdom. This will benefit all prospective pregnant women who might be at risk of a stillbirth by increasing awareness about latest studies that could prove vital in their baby's wellbeing.

CHARITABLE OBJECTS

The advancement of research to gain a greater understanding into the cause of stillbirth by funding vital research projects and the publication of its results to medical professionals and the general public. To distribute charitable funds and make grants to research projects. To provide support to families affected by stillbirth.
