ACCOUNTING PRINCIPLES

Basis of Preparation and Assessment of Going Concern

The financial statements of the charitable company, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015), Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Companies Act 2006. The financial statements have been prepared under the historical cost convention.

The trustees consider that there are no material uncertainties about the charity's ability to continue as a going concern.

Financial reporting standard 102 - reduced disclosure exemptions

The charity has taken advantage of the following disclosure exemption in preparing these financial statements, as permitted by FRS 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland':

Income

Income is recognized when the charity has entitlement to the funds, any performance conditions attached to the item(s) of income have been met, it is probable that the income will be received, and the amount can be measured reliably.

Government and other grants in relation to tangible fixed assets are credited to profit and loss account over the useful lives of the related assets, whereas those in relation to expenditure are credited when the expenditure is charged to profit and loss.

Donations are recognized when the charity has been notified in writing of both the amount and settlement date. In the event that a donation is subject to conditions that require a level of performance before the charity is entitled to the funds, the income is deferred and not recognized until either those conditions are fully met, or the fulfilment of those conditions is wholly within the control of the charity, and it is probable that those conditions will be fulfilled in the reporting period.

Legacy gifts are recognized on a case by case basis following the granting of probate when the administrator/executor for the estate has communicated in writing both the amount and settlement date. If the gift is in the form of an asset other than cash or a financial asset traded on a recognized stock exchange, recognition is subject to the value of the gift being reliably measurable with a degree of reasonable accuracy and the title to the asset having been transferred to the charity.

Expenditure

Liabilities are recognized as expenditure as soon as there is a legal or constructive obligation committing charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all costs related to the category.

Debtors

Trade and other debtors are recognised at the settlement amount due after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

Cash at bank and in hand

Cash at bank and cash in hand include cash and short term highly liquid investments with a short

amount of three months or less from the date of acquisition or opening of the deposit or similar account.

Creditors and provisions

Creditors and provisions are recognised where the charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors and provisions are normally recognised at their settlement amount after allowing for any trade discounts due.

Financial instruments

The charity only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value except for bank loans which are subsequently measured at amortised cost using the effective interest method.

Functional and Presentational currency

The functional and presentational currency is £ sterling.

The Trustees acknowledge their responsibility for

1. Ensuring the company keeps accounting records
2. Preparing accounts which give a true and fair view of the state of affairs of the charity at the end of the financial year, and of its profit or loss for the financial year.
3. These accounts have been prepared in accordance with the provisions applicable to charities.

REPORT OF THE INDEPENDENT EXAMINERS

INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF CONGOLESE DEVELOPMENT PROJECT FOR THE YEAR ENDED 31ST MAY 2025

I report on the accounts of the charity for the year ended 31st May 2025.

RESPECTIVE RESPONSIBILITIES OF THE TRUSTEES AND EXAMINER

The Trustees (who are also the directors of the company for the purposes of company law) are responsible for the preparation of the accounts. The Charity's Trustees consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 (the Charities Act) and that an Independent Examination is needed. The charity's income for the year is under £250,000.

Having satisfied myself that the charity is not subject to an audit under part 16 of the Companies Act 2006 and the trustees have elected to have an Independent Examination, it is my responsibility to:

- examine the accounts under section 145 of the Charities Act.
- to follow the procedures laid down in General Directions given by the Charity Commission (under Section 145(5)(b) of the Charities Act; and
- to state whether particular matters have come to my attention.

BASIS OF INDEPENDENT EXAMINER'S REPORT

My examination was carried out in accordance with the General Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts and seeking explanations from the Trustees concerning any such matters. The procedures undertaken do not provide all evidence that would be required in an audit and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters that are set out in the statement below.

INDEPENDENT EXAMINER'S STATEMENT

In the course of my examination, no matter has come to my attention to indicate that:

- accounting records have not been kept in accordance with section 386 of the Companies Act 2006.
- the accounts do not accord with such records:
- where accounts are prepared on an accruals basis, whether they fail to comply with relevant accounting requirements under section 396 of the Companies Act 2006, or are not consistent with the Charities SORP (FRS102)
- any matter which the examiner believes should be drawn to the attention of the reader to gain a proper understanding of the accounts
