CISV GREAT BRITAIN

TRUSTEES' REPORT

FOR THE YEAR ENDED 31 DECEMBER 2023

The trustees present their annual report and financial statements for the year ended 31 December 2023.

The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

CISV Great Britain (CISV GB) is a Charity Incorporated Organisation (CIO), Registered Charity number 1189691. CISV GB (formerly known as Children's International Summer Villages, Great Britain Association) was formally constituted over sixty years ago to support the goals of CISV International Ltd. (formerly known as Children's International Summer Villages International Association) and to facilitate participation in CISV's educational programmes.

CISV GB acts as the coordinating body for the six Branches of the association, through which the programmes of CISV International are promoted and organised. Coordination is undertaken by the National Council of the Association, consisting of Officers and Branch Representatives to the Council, together with representatives of the National Junior Branch Forum.

Objectives and activities

CISV's purpose is to prepare individuals to become active and contributing members of a peaceful society. CISV endeavours to stimulate the lifelong development of amicable relationships, effective communication skills, cooperative abilities and appropriate leadership towards a fair and just world.

CISV volunteer programmes and activities are planned to promote personal, cultural, intercultural and international learning. This enables individuals to develop awareness of and positive attitudes towards others, and the skills and knowledge to live, work and play with them, irrespective of cultural background. Through participation, individuals come to better understand themselves and their own culture as well as others and their cultures.

CISV offers opportunities to interested children, young people, adults and families to explore relevant themes through independent, short term, non-formal, educational activities organised in international, national and local settings. These may be residential or non-residential settings and are offered to qualified participants irrespective of gender, race, religion, ethnicity, political affiliation, socio-economic background, or distinction of any other kind.

Public benefit

With regard to the public benefit requirement of the Charities Act 2006 CISV Great Britain's activities are open to all. Invitations are circulated widely and there are no restrictions on who may apply or an applicant's ability to pay fees. The Trustees are aware of and have had regard to the Charity Commission's public benefit guidance.

Achievements and performance

CISV Great Britain coordinates the hosting of CISV Villages and other international programmes within Great Britain and the allocation of invitations to programmes hosted elsewhere. Requests and invitations for the other programmes of CISV International, i.e. Step Up, Seminar Camp, Youth Meetings are organised through the National Association. National Leadership Training is also organised on an annual basis and the National Junior Representatives liaise with Branch Representatives regarding training and educational activities for Junior Branch members.

CISV Great Britain has active Branches in North East England, Leeds & West Yorkshire, Manchester & the North West, Sheffield, Hull & East Riding, and London. Correspondence from CISV International and from other National Associations is normally received by the Secretary by email, then forwarded to the relevant national coordinator or participating Branch, as appropriate.

Branch Representatives met as Great Britain Council on several occasions during 2023 to facilitate programme planning and the allocation of invitations, and to consider policies and development within both the national association and CISV International. Meetings were held virtually for most of the year to facilitate the number of people able to attend, however the AGM in September was held in person in Hull.

CISV programmes and activities in CISV Great Britain are coordinated and organised by volunteers. These volunteers receive no remuneration and normally pay their own travel expenses, within the country. The time given can amount to several hours per week for those in administrative / fundraising roles. Host staff and leaders, similarly, give a considerable amount of time to plan, prepare and participate in residential programmes of up to 28 days during holiday periods.

International Programmes and Activities 2023

During 2023 we hosted three international programmes, sticking to the plan we had outlined to the International Office (IO) as part of the post covid rebuilding. We hosted a month-long Village in London, where 40 participants, 10 leaders and 6 Junior Counsellors (JCs) attended the camp. We hosted a week long Youth Meeting (YM) for 12/13 year olds in Hull during the summer which was also successful. The Leeds branch hosted a Step Up, a three week programme for 40 14 year olds. The feedback received from staff and participants was all positive.

We sent Village delegations to Canada, Germany (x3), GB, Japan, South Korea, Netherlands and Portugal - these camps were a mixture of three and four weeks. We sent JCs to Brazil, Germany, GB (x2), Japan and Portugal. We sent Step up delegations to Canada, GB, Israel and Colombia. We sent Youth Meeting delegations to Canada, Germany (x2), GB, Italy, Netherlands, Spain and Portugal - these were a mixture of one and two week camps. We sent Seminar Camp participants to Colombia(x2), Denmark, Egypt (x2), Germany, The Netherlands, Poland (x2), Spain(x2), Switzerland (x2) and Portugal (x3).

National and Branch Activities 2023

Each Branch of CISV Great Britain organises its own programme of events for Junior Branch members (11-18 years) and their families. Each Branch also organises selection, preparation and training meetings for participants and leaders, including weekend 'mini camps', as well as a variety of social and fund raising activities to support the CISV programmes.

Hull and East Riding

This year we hosted our first international camp since pre-covid which saw a successful camp hosted by a strong staff team. It also gave us a good opportunity to get local volunteers back involved with national camps by keeping the camp fed. We also hosted Junior Branch events which saw our young people gain experience in running activities before heading to their international camps. We also hosted the AGM in September which was successful in bringing together the National Council for a productive planning afternoon after the AGM.

FOR THE YEAR ENDED 31 DECEMBER 2023

Leeds and West Yorkshire

We successfully sent two delegations this year - one to a Step Up and one to a Village, as well as 16+ participants to both Seminar and JC positions on camps. We hosted a summer BBQ to send off our participants which was a lovely send off. We also hosted local Junior Branch events and fundraising such as a family quiz night and production of new merchandise. We also hosted a Step Up camp in August. The camp was successful receiving positive feedback from both staff and leaders.

London

2023 saw us host a successful Village over summer where we hosted delegations and JCs from 12 different countries. The camp was themed around "the mind palace" which provided the basis for some of the activities. We sent 7 delegations to camps as far ranging as Japan and Canada, as well as 6 individual participants to Seminar and JC camps. We hosted several mini camps which were attended by not only London participants but children from other branches too.

Manchester and North West

This year we continued to host local Junior Branch meetings allowing for participants to keep in touch with each other between sending seasons. We sent participants to all types of camps sending two delegations to GB hosted camps in Leeds and London, as well as further afield to Spain and Germany. We are looking forward to hosting for the first time since covid next year and have already got a staff team in place for our Easter YM.

North East England

During the summer of 2023 we successfully sent one delegation to a Village in Germany and had two other participants join a delegation that went to South Korea. We sent one JC. A delegation went to a YM in the summer but sadly the YM that had been planned for Winter was cancelled by CISV International (We were able to pick up a replacement invitation to send children to a YM in the summer of 2024). We were also able to assist other branches with participants for YM delegations. In 2023 we took a break from hosting to enable us to gather funds for our next hosting event but did hold a mini camp for our JB members in Durham. Monthly JB meetings continue and we are grateful to JB members who attend and organise these, attendance is often 20+. In September we hosted the National Junior Branch Day and had a great time welcoming other JB members to the North East.

Sheffield

We had another successful sending season in 2023 sending participants to camps in South Korea, The Netherlands, GB, Japan, Colombia, Spain, Portugal, Germany and Denmark reaching all over the world. All participants had a great time at their respective camps. We hosted successful monthly Junior Branch meetings. In 2024 we are hosting a Village and have already started preparations for that.

Finances of CISV Great Britain

Collection of fees due to CISV International Ltd. is coordinated by the Treasurer of CISV Great Britain. Each Branch pays an agreed amount towards the expenses of the national association, which includes representation at the Regional Meeting (BEAM) and the International Junior Branch Conference (IJBC). The Association has a National Hosting Formula whereby Branches contribute towards the costs of hosting programmes in proportion to the number of delegations sent away. A contribution towards programme costs is then received in the years in which a Branch hosts. There's also a contribution from international fees. The combination of these fees more or less covers the cost of hosting with some additional small fundraising efforts.

Administrative costs are kept low by the use of electronic communication within the National Association, subject to CISV's guidelines on electronic communication and confidentiality. A balance sheet and receipts and payments account is supplied by the Treasurer to accompany this report.

Participation in CISV International

CISV Great Britain continues to take a full part in CISV International.

Financial review

Income for the year was £186,836 (2022: £177,435). Outgoings were £187,986 (2022: £162,992) leaving a net deficit of £1,150 (2022: surplus of £14,443).

Reserves Policy

It is the policy of the charity that free reserves (unrestricted reserves not tied up in fixed or other long term assets) should be maintained at a level equivalent to between three and six months expenditure. The trustees consider that reserves at this level will ensure that, in the event of a significant drop in funding, they will be able to continue the charity's current activities while consideration is given to ways in which additional funds may be raised.

Reserves at the year end are £265,217 (2022: £266,367), of which £67,746 (2022: £67,746) are restricted and £197,471 (2022: £198,621) are designated.

The level of general reserves required should enable the continued operation of the charity for a minimum of twelve months. The goal of twelve months is desirable in all situations.

Plans for future periods

During 2024 we plan on hosting two Villages in Leeds and Sheffield, a Step Up in North East and a YM in Manchester. We are hoping that sending of delegations returns to a more pre-covid level and return to full in-person training and support. We will continue to receive support from the outgoing Risk manager until our new RM receives full training from the International body. As an Executive Board we will continue to work towards our strategic plan.

Structure, governance and management

The charity is controlled by its governing document, a deed of trust and constitutes a Charitable Incorporated Organisation.

The trustees who served during the year and up to the date of signature of the financial statements were:

Mrs C Woolard	
Mrs C James	
Ms A Brown	(Appointed 13 May 2023)
Ms H James	(Appointed 15 April 2023)
Mr J Pattinson	
Mrs J Stephenson	(Resigned 13 May 2023)
Mr M Webster	(Resigned 16 September 2023)
Mr B Uttley	(Resigned 16 September 2023)
Mrs S Jordaan	(Resigned 15 April 2023)

Recruitment and appointment of trustees

From time to time it is necessary for the Charity to recruit new Trustees to replace those that have either resigned during their term of office, or by way of anticipating planned retirements after the completion of a single term. When a vacancy occurs, the Board will determine the mix of skills and experience needed so as to ensure a fully functioning team of Trustees and will seek to identify individuals who appear to have the qualities and interest in what we do.

The Executive Board elected at the AGM 2023 were:

Chairman:	Anna Engstad
Vice Chair:	Rose Wittenberg
Treasurer:	Louise Forrester Gray
Secretary:	Alice Ritchie
National Association Representative:	Helen Pringle
Risk Manager:	Tim Allcott (incoming)

Outgoing chair board members: James Forrester Gray

The Trustees of CISV Great Britain meet annually, or more often, if necessary, to review the activities of the Association and provide advice when requested. Trustees during 2023 were chaired by James Pattinson (London). Other branches were represented by Chris James (Manchester), Angela Brown (North East), Helen James (Leeds and West Yorkshire), Ben Uttley (Sheffield) and Cathy Woolard (Hull and East Riding).

Conclusion

CISV is a volunteer organisation with highly committed members in both administrative and support/fundraising roles. We also depend on volunteers to organise our intercultural, educational programmes. Members see the benefits of CISV participation for young people, their growing self-awareness, self-confidence and international understanding. We seek to expand the regular membership of CISV, so that we can further develop CISV activities within Britain, extend British participation in international programmes, and develop our work with like-minded organisations.

The trustees' report was approved by the Board of Trustees.

INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF CISV GREAT BRITAIN

I report to the trustees on my examination of the financial statements of CISV Great Britain (the charity) for the year ended 31 December 2023.

Responsibilities and basis of report

As the trustees of the charity you are responsible for the preparation of the financial statements in accordance with the requirements of the Charities Act 2011 (the 2011 Act).

I report in respect of my examination of the charity's financial statements carried out under section 145 of the 2011 Act. In carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

- 1 accounting records were not kept in respect of the charity as required by section 130 of the 2011 Act; or
- 2 the financial statements do not accord with those records; or
- 3 the financial statements do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the financial statements to be reached.

CISV GREAT BRITAIN

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2023

1 Accounting policies

Charity information

CISV Great Britain is a Charitable Incorporated Organisation (charity number: 1189691). The registered office is based at 30 Coldfall Avenue, London, N10 1HS.

1.1 Accounting convention

The financial statements have been prepared in accordance with the charity's governing document, the Charities Act 2011, FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" ("FRS 102") and the Charities SORP "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" (effective 1 January 2019). The charity is a Public Benefit Entity as defined by FRS 102.

The charity has taken advantage of the provisions in the SORP for charities not to prepare a Statement of Cash Flows.

The financial statements are prepared in sterling, which is the functional currency of the charity. Monetary amounts in these financial statements are rounded to the nearest £.

1.2 Going concern

At the time of approving the financial statements, the trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. Thus the trustees continue to adopt the going concern basis of accounting in preparing the financial statements.

1.3 Charitable funds

Unrestricted funds are available for use at the discretion of the trustees in furtherance of their charitable objectives.

Restricted funds are subject to specific conditions by donors or grantors as to how they may be used. The purposes and uses of the restricted funds are set out in the notes to the financial statements.

Endowment funds are subject to specific conditions by donors that the capital must be maintained by the charity.

1.4 Income

Income is recognised when the charity is legally entitled to it after any performance conditions have been met, the amounts can be measured reliably, and it is probable that income will be received.

Voluntary income received by way of grants, donations and gifts is included in full in the Statement of Financial Activities when receivable. Grants, where entitlement is not conditional on the delivery of a specific performance by the charity, are recognised when the charity becomes unconditionally entitled to the grant.

Incoming resources from other trading activities are recognised in full in the Statement of Financial Activities when receivable.

CISV GREAT BRITAIN

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED) FOR THE YEAR ENDED 31 DECEMBER 2023

1 Accounting policies

(Continued)

1.5 Expenditure

All expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all costs related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with use of the resources. Expenditure includes any VAT which cannot be fully recovered, and is reported as part of the expenditure to which it relates:

- Expenditure on raising funds comprise the costs associated with obtaining income from other trading activities.
- Charitable expenditure comprises those costs incurred by the charity in the delivery of its activities and services for its beneficiaries.

1.6 Cash and cash equivalents

Cash and cash equivalents include cash in hand, deposits held at call with banks, other short-term liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities.

1.7 Taxation

The charity is exempt from tax on its charitable activities.

1.8 Creditors and provisions

Creditors and provisions are recognised where the charity has a present obligation arising from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably.
