M16 REVIVAL FOUNDATION
REPORT OF THE TRUSTEES
FOR THE YEAR ENDED 30 APRIL 2025

Summary of the charity's main activities and achievements

See appendix for full report.

Financial review

During the year income increased by £20,440, to £52,880, with £5,200 of the increase relating to recovered gift aid. Expenditure increased by £420, to £51,710. As a result the cash held by the charity increased by £1,170, to £26,170, of which £25,170 is unrestricted and can be used for any charitable purpose.

Reserves policy

The trustees have determined that the charity should aim to hold unrestricted cash of no less than 3 months of unrestricted expenditure (which equates to approximately £13,000) so that the charity could continue to operate should income and / or expenditure vary adversely. At the year end, the charity held unrestricted cash of £25,170 and the charity is complying with its reserves policy.

Governance

Responsibility for setting policy and for making operating decisions rest with the trustees who meet regularly to monitor the activities of the charity. New trustees (who are members) are recruited and appointed by the existing trustees.

Safeguarding

Our current policy is that all trustees should have safeguarding training as a first priority, and all of our trustees have received safeguarding training. Our next priority is to get our evangelists to also receive training. We hope to address this early in 2026.

Responsibilities of trustees

Charity law requires us as Trustees to prepare financial statements for each accounting year which record the receipts and payments of the charity for the year.

We are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charity and enable us to ensure that the financial statements comply with the Charities Act 2011.

We also have a responsibility to safeguard the assets of the charity and to take reasonable steps to prevent fraud or any other irregularities.

M16 REVIVAL FOUNDATION REPORT OF THE TRUSTEES FOR THE YEAR ENDED 30 APRIL 2025

The Trustees have pleasure in submitting the Report and Accounts for the year ended 30 April 2025.

Objects of the charity

The charity is governed by a constitution and is constituted as a charitable incorporated organisation. The object of the CIO is, for the public benefit, to advance the Christian faith in such ways as the Charity's Trustees may from time to time decide.

Our purpose statement at the M16 Revival Foundation:

'To Revive the Great Commission'.

In review of the charity's main activities and achievements to further the above objectives and vision, the charity's main activities and achievements were as follows:

Introduction:

This fiscal year represents a landmark period of growth and spiritual impact for the M16 Revival Foundation. Under the leadership of Lead Evangelist Kristian Lythe, the charity successfully met its primary objective of mobilizing the Church for mass evangelism. By transitioning from vision-casting to a high-output training and mission model, M16 Revival continues stir believers and evangelists towards soul-winning and proclaiming the Gospel in the United Kingdom as well as a growing desire to see an impact in the Nations.

May 2024

OPERATION 100 REPORT & CELEBRATION

In May we hosted a Special M16Revival Operation 100 Celebration in Lighthouse Church with **40 people** from our team as we reached the goal of Preaching the Gospel and running missions at **100 London Tube Stations** in 1 year. It was a key time for testimonies and stories from the 100 Missions that we led outreaches outside Tube Stations from March 2024 to March 2025. We had set out a plan to mobilise evangelists to lead worship, share Jesus one to one, publicly preach and pray for people. This was done by collaborating with 75 different evangelists who teamed up to collaborate together. Here is the list of Tube Stations that we reached during that period:

The next aim is to reach every London Tube and Train Station in London with the Gospel. During this time, we saw hundreds hear the Gospel and pray with an evangelist on the streets and we saw over **150 make a Documented Decision for Jesus**. During the Operation 100 we were able to bless one of the new evangelists with a new Gospel speaker from the Obadiah Fund so he can continue to preach the Gospel.

Impact Report: The Impact of Operation 100 has been huge as we have a group of **75 evangelists** who are collaborating together to preach the Gospel all over London. In 1 year, **they had planned 100 missions to 100 London Tube Stations**, preaching the Gospel to staff and passersby. This was birthed from being a little frustrated that we were not seeing enough of the evangelists from the conference pioneering missions in the UK, so we decided to challenge them to be involved in this annual project to reach **100 stations**. It's been amazing to see people turned from hearing about the vision to accomplishing the vision together of saturating London with the Gospel.

Harlow Mission Visit

On 30th May, Kristian Lythe took a small team to mobilise **20 Evangelists and believers** from the church into Harlow where they hit the streets sharing Jesus one to one. It was the first time the church hit the streets and did one to one evangelism. Later we had a meeting with the leaders afterwards to discuss the possibility of leading an evangelism workshop there in Harlow later in the year. We saw **8 people respond to follow Jesus at the service and 2 people** respond to the Gospel on the Streets.

Ministry Partnership Events

Trafalgar Square with Walking Like Jesus Ministries

On 4th May, we had the awesome opportunity to partner with Walking Like Jesus Ministries as they gathered **2000 Evangelists and believers** in the heart of Trafalgar Square for live worship, praying for the nation and preaching the Gospel. Kristian had the opportunity to serve as part of the team to proclaim the Gospel on the live stage and many M16 team members took part in the outreaches that blitz London with the Gospel. Hundreds responded to the call to accept Jesus and came forward at the altar Call when Ev Chand gave the Call.

Impact Report: This one-day event which gave us the opportunity to partner with Evangelists right across the Country which made national headlines and united Evangelists and those passionate about spreading the Gospel across the Nation. This also encouraged more churches, evangelists and believers to pioneer similar events in their own towns and cities. Since then, many others have hired Trafalgar Square and Parliament Square for significant Gospel Prayer and Proclamation Events to mobilise the church.

June 2024

THE EVANGELISTS CONFERENCE – WEMBLEY

This year as a team, we had a powerful time hosting the M16 Evangelists Conference in the heart of Wembley at Harvest Church. The Evangelist's Conference has grown in its influence and impact across the Evangelistic Community. Kristian organised and led the conference with the team as we hosted various speakers who are influencing many to be bold about their faith with key speakers such as Jonathan Oloyede, Daniel Chand, Dominic Muir and CFAN UK evangelists. **We had 245 Evangelists** attend the conference over 3 days with Evangelism happening every day in the afternoons across the city. We hit **16 Tube Stations** with the Gospel, increasing our impact across London by sending out teams from the conference each day. We specifically targeted the Jubilee Line and hundreds of people heard the message of the Gospel as we recorded **75 Documented Decisions for Jesus**.

Impact: The Evangelists Conference has grown in its impact and has people attending from all over the UK. This gives M16 Revival the opportunity to connect and partner with leaders, evangelists, churches and believers from the diverse Christian Community across the UK. One of the main keys to bringing the Gospel to the UK is going to be mobilising the Saints into every corner and corridor of society. We see the

importance of the conference each year to gather and keep that momentum going as we join hand in hand with other Evangelistic Ministries to see an impact for Jesus across the UK and beyond.

Ministry Partnership Events

Fire camp Ilford London

We continue to partner with Christ For All Nations (CFAN) in the UK. We had the opportunity to join the team for the London Ilford Fire camp where we had the opportunity to work alongside other CFAN Evangelists and train **60 new Evangelists** in preaching the Gospel. We saw **130 people make decisions to follow Jesus** over the two outreaches and the 60 Evangelists trained were sent back to their Churches to make an impact. Toyin Lythe, Rodel Perez some of our team members graduated as trained Fire camp Evangelists. This CFAN week of training also gave M16 Revival the opportunity to partner for missions with other evangelists across the UK. The Fire camp was based in East London so we had the opportunity to share Jesus in Ilford and also extend our reach across London Tube Stations on the east part of the city.

Impact: One of our main priorities as a charity is to train evangelists; partnering with CFAN UK helps us to achieve this and to extend our impact to influence evangelists and missionaries from other towns and cities across the UK.

Sunday Base Gathering

From February to June 2024, we gathered evangelists and local believers weekly on Sundays. This was a special season as it allowed us to strengthen the relationships we have built over the years. As a team we decided to pause these as it was stretching us a little too far as we needed to keep pioneer mission's projects on the weekends. These meetings were very powerful times and many evangelists from our team across the country came by to meet, fellowship and receive prayer. We know we will move into building a strong community locally at some point but we decided to put this on hold until the time is right. During the 4 months we baptised 1 person and **gathered 35 different evangelists**. The attendance began to decrease during our busy season in June when we launched the Evangelists Conference, we felt we could not ask the same people to attend and build Sundays and be out helping at conferences on Friday and Saturdays. In order to move this local project, forward we will need an assistant leader to help do the day to day manage and pastoral care for those who are gathering.

Impact Report: These last 5 months have given evangelists and local believers a place to attend and connect. Many encountered the Lord and went back to their towns and cities to keep building their evangelism teams and local believers have been encouraged to preach the Gospel.

July 2024

REVIVE ABERDEEN

We sent Ev Kristian, our lead evangelist to visit Aberdeen earlier in the year to meet with Pastor Ediosa, Love Bridge Church, Pastor Blessing and Pastor Hope to discuss the possibility of setting up a Citywide Evangelism Training Day for local churches in

July 2024. During the time there Kristian had the opportunity to minister in 3 local churches.

From Thursday July 18th to Sunday July 21st, we sent a team of 12 people to Aberdeen for a powerful revival mission and citywide evangelism training called **REVIVE ABERDEEN**. We partnered with several local churches, including Hope Church, Love Bridge, Church of God Mission, CFAN and the RCCG Churches. **100 Evangelists and believers** were trained in bold evangelism and one-on-one witnessing on Saturday 20th July 10am – 4pm. During the sessions, we hit the streets with live worship and the proclamation of the Gospel, reaching people at train stations, bus stops, and shopping centres across the city. **40 people made documented decision for Christ**, and countless lives were touched through prayer and healing! We are thrilled by what God accomplished and the team unity we all shared during meals at the hotel. This is just the beginning for Aberdeen; churches were stirred, and local believers shared powerful testimonies on Sunday regarding the mission's impact.

Impact: For some churches this was the first time their members were trained in evangelism and shared the gospel. This was the first time an M16Revival mission took place in Scotland; the impact we made on the churches was so significant that they would like us to return.

August 2024

M16 SUMMER RAMPAGE MISSION

The M16 Summer Rampage Mission successfully saturated **25 strategic London stations over ten intensive days**, bringing the Gospel directly to the heart of the city's transport network. Through bold preaching and live worship, hundreds of commuters stopped to hear the gospel message, resulting in numerous documented decisions and powerful moments of prayer. By re-digging the wells of revival across these high-traffic hubs, our team effectively stirred the spiritual atmosphere and ignited a fresh fire among local believers. We deployed **40 Evangelists** across the City in key commuter hubs. This mission marked a major milestone toward our 100-station goal, strengthening the foundations in the team for future citywide outreach.

Impact Report: The summer rampage helped us increase our aim towards reaching 100 Tube Stations with the Gospel and our long-term aim of reaching every station in London.

September 2024

5TH Anniversary Celebration

On Sunday 15th September we gathered the M16 Team, families and partners for a Celebration of Thanksgiving at the South Oxhey Baptist Church outside Watford, UK. It was a special time as many of the newly trained evangelists shared testimonies of the impact Kristian and the team have had on their lives. We had a great time of fellowship with **75 Evangelists and families**, cutting cake and eating together afterwards. We **baptised two people** from one of the outreaches launched in Milton Keynes, which was a special time.

Impact Report: These special team gatherings strengthen team unity and encouraged team members towards the M16 Vision. They also give a space for the team and evangelists to share testimonies from the year.

M16 Media News

On September 17th, the M16 Revival mission reached a significant milestone as our lead evangelist, Kristian Lythe, was featured in a live interview on the Betty King Ministries TV Show, THE CRY, broadcast globally on God TV. This appearance provided a strategic platform to share the vision of M16 and our passion to pray for Revival in the United Kingdom and to declare the vision to a larger audience. We are so thankful to Betty King Ministries for this opportunity and their support as we continue to bring the gospel to the UK and help equip churches to share the gospel.

Impact Report: This episode has helped us reach a wider audience across the UK we wouldn't usually impact. This has also challenged us to re-think how we can upgrade our media to impact more people in the churches and also create more content for reaching those not in the church.

October 2024:

M16 Strategic Month of Prayer – A Day to Seek the Lord!

On Saturday 19th October, the M16 Revival team gathered at Wembley Christian Centre for a pivotal day of prayer and intercession. Our primary focus was to cry out to the Lord of the harvest, specifically petitioning Him to raise up a new generation of bold evangelists to reach the lost. This was a dedicated time of seeking God's heart, as we laid our plans before Him and asked for divine wisdom regarding the next phase of our mission and the mobilisation of evangelists in the city. We felt we had the peace of God to move forward with our mission to launch the next Evangelists Academy in November where we trained another **19 Evangelists**.

Impact Report: These days of prayer and intercession are pivotal days in our decision making process. These also provide important times of training for the team to wait, listen and hear from God before we put into practice what He is saying to us.

Watford Mission with Tough Talk

On Saturday 14th October, we led another local outreach to Watford with special guests Tough Talk and collaborated with the evangelists from the Evangelist's Academy. We saw **30 evangelists and believers** join us on the streets for the outreach and **14 people made a documented decision to follow Jesus**. We launched our Follow Jesus coffee meet up and saw 7 people attend over a few weeks so we could make sure they were connected to a local Church.

REVIVE SHREWSBURY

In October Ev Sean Carr and a small team of people from M16Revival pioneer there second mission to Shrewsbury. The led evangelism training in the Baptist Church and saw more than **25 people respond to Jesus** on the streets to the Gospel.

Impact: This second mission has helped churches start to unite together for the Gospel and to send teams to the streets and there is momentum building in the churches.

November 2024

Trinity Church, Wembley

Our lead evangelist Kristian Lythe visited Trinity Church in Wembley on Saturday 9th November to collaborate with Evangelist Keya and Pastor Mitel. During this strategic visit, the congregation was challenged to take full responsibility for the Great Commission, and we had the opportunity to present the M16 Revival vision through videos to inspire the believers.

Impact Report: Since then, the church has gone from strength to strength, consistently evangelising on the streets each week. Furthermore, members have actively participated in the Evangelists Conference and other key events with M16 Revival, demonstrating a lasting commitment to citywide transformation and soul winning.

Watford Carols

On November 14th, we held a strategic "warm-up" event at the Watford Shopping Centre during the Mayor's official Christmas tree lighting. At the invitation of the shopping centre management, we organized a choir and mobilised our team to engage with over **100 parents and schoolchildren**. This was a significant opportunity to introduce M16 Revival to the local community, and the turnout far exceeded our expectations. The success of the day was instrumental in building vital town-wide relationships and strengthening our partnership with the shopping centre.

Impact Report: Following the positive impact of this event, we were officially given the go-ahead to host the M16 Revival: Shine Your Light campaign on December 14th, 2024. This event was expected to be a major platform for us to proclaim the Gospel through dance, personal testimonies, and the distribution of gift invites. We are excited to build on this momentum and reach even more people in Watford with the message of Christ during the Christmas season.

M16 Evangelist's Academy (Nov – Dec)

In November 2024, M16 Revival pioneered the 2nd M16 Evangelist Academy, running a five-week intensive training course for evangelists from the 19th of November to the 12th of December. This strategic period, covering two Sundays, 2 Saturdays and 2 Fridays, saw 20 evangelists register to be equipped in bold Gospel proclamation, one-on-one outreach, and how to launch local church evangelistic outreaches. Supported

by a dedicated team of 8 senior M16 trained evangelists who provided mentorship and teaching, the academy achieved an outstanding success rate with **19 out of the 20 evangelists successfully graduating**. We sent these 19 to pioneer 19 new missions throughout London and the UK in order to graduate the Academy. The training focused on practical activation, moving participants from theory to high-impact public ministry in the heart of the city. Each of the graduating evangelists were given the opportunity to join M16 as Partner Evangelists and to collaborate with us on future initiatives and events.

Impact Report: The impact of the academy was felt immediately as students moved from the preparation phase to active missions across the London. Notable breakthroughs included an evangelist overcoming the fear of man to preach at a London tube station for the first time, while another successfully spearheaded a powerful mission in his local town of Bletchley. Throughout the five weeks, students led various outreaches at London tube stations in collaboration with their local churches, resulting in many people accepting Jesus Christ as their Saviour. This 2nd M16 Evangelists Academy was very successful and has firmly established the academy as a key strategy for M16 Revival to multiply labourers and expand the reach of the Gospel through the UK. To impact future evangelists is what M16Revival is all about, seeing them get excited about the Gospel, becoming bolder and more confident about sharing Jesus with others. We have now trained a total of **46 Evangelists** through our two Evangelists Academy since 2023.

December 2024

M16 Revival Shine Your Light Event

On Saturday, December 14th, we hosted the M16 Revival Shine Your Light Watford mission at Atria shopping centre Watford, creating a vibrant atmosphere of worship and outreach in the heart of the shopping centre. The event featured a dynamic collaboration between the M16 Revival team, the Beecham Grove Choir, Watford City Band, and local church singers, alongside a special appearance by the Tough Talk team. Their powerful presence, combined with prizes and high-energy engagement, successfully entertained and drew large crowds of shoppers, boldly preached the Gospel with Evangelist Kristian Lythe and a team of **20 Evangelists** from M16Revival. As the team shared the message of hope, volunteers were active on the floor, handing out gifts to passers-by and engaging in fruitful one-on-one evangelism.

Impact Report: This strategic mix of powerful testimonies and direct outreach transformed the busy shopping environment into a place of divine encounter, reaching hundreds of people with the love of Jesus. We have been inspired to look at other ways we can utilise the shopping centre space to bring the Gospel in other seasons.

January 2025

PRAYER & FASTING MONTH

From 10th – 24th January we launched 10 days of Prayer and Fasting for the year with different team members ministering online. This was so effective as it helped release

team members to lead prayers and have an opportunity to teach and preach laying a good foundation for the year ahead.

CFAN UK ALLIANCE RE-UNION

On January 20, 2025, our lead evangelist, Kristian Lythe, had the honour of leading the Christ for all Nations (CfaN) Evangelism Alliance Reunion for the United Kingdom. This landmark gathering brought together **80 influential evangelists** who are currently impacting towns and cities across the nation. The assembly represented a diverse geographical spread, with leaders traveling from Scotland, Wales, Manchester, Birmingham, the Midlands, and both the East and West of the UK. This event served as a strategic platform for Kristian to establish vital connections and partnerships with key evangelists who share a common mission of saturating the United Kingdom with the Gospel of Jesus Christ. The event featured esteemed guest speakers, including Jonathan Oloyede from the National Day of Prayer and CFAN's UK Director Luke Cartwright, both of whom delivered keynote messages.

Impact Report: A pivotal moment of the reunion occurred when Kristian, leading on behalf of CfaN, had the opportunity to minister and lead two of the key ministry sessions. The impact of this gathering has been immediate and far-reaching; Kristian has now successfully collaborated with new evangelists in various regions in partnership with CFAN and M16 Revival will continue to serve CFAN's vision in the UK.

February 2025

CFAN EVANGELISTS GATHERING, FLORIDA

In February 2025, our lead Evangelist Kristian Lythe was sent by M16 Revival to attend the Christ for all Nations (CfaN) Evangelism Alliance Congress in Orlando, Florida, joining **300 evangelists** from the global CfaN Evangelism Alliance. During this powerful week of meetings, Kristian had the opportunity to collaborate with international leaders to strategize for upcoming crusades in Africa and establish M16 ministry partnerships for 2025 and 2026. The gathering was marked by a heavy presence of God and deep encouragement from the ministry of Evangelists Daniel Kolenda, Peter Van Den Berg and Levi Lutz, alongside the entire CfaN team.

A significant highlight of the Congress occurred when the evangelists divided into groups by continent to pray specifically for revival across Africa, Asia, Europe, and the rest of the world. Kristian also got two days to spend with the CFAN UK team that was in Orlando at the same time to establish stronger connections for evangelism ministry in the UK.

Impact Report: This focused time of intercession left Kristian supercharged and full of faith for the future of M16 Revival. Following this impartation, the ministry is more committed than ever to its vision of bringing the Gospel to the United Kingdom, Europe, and the ends of the earth.

March 2025

WISBECH MISSION

M16 Revival recently conducted a powerful mission to Wisbech, UK, on the 29th of March in a strategic partnership with Pastor Femi and the local Redeemed Christian Church. The mission began with intensive training for the congregation, where believers were equipped through a Christ for all Nations (CfaN) evangelism workshop, focusing on one-to-one witnessing and bold public preaching. Kristian Lythe and Sean Carr were the trainers on the day.

The impact was immediate as the team and the **50 newly trained evangelists and believers** took to the streets to share the Gospel. In one remarkable instance, a man who had just finished his shift at a local tea shop felt a supernatural urge to visit a church; as he walked, he was stopped by the sound of the Gospel being preached, was touched by the Holy Spirit, and surrendered his life to Jesus on the spot. Additionally, a group of young people gathered around the team, resulting in six of them praying to receive Christ. In total, **we saw 11 documented responses to the Gospel**, which led to a time of joyful celebration and testimonies back at the church before the team shared a meal of Greek food to reflect on the Lord's work.

Impact Report: One of the aims of M16Revival is to train evangelists in local UK towns and cities. This mission has extended out influence in another town of the UK. Pastor Femi is also keen to work together on other missions.

April 2025

On Saturday 19th April 12:00-15:00, we hosted another local mission in the heart of Watford. It took place at St Mary's Church steps with Tough Talk and our M16 Worship Band. We had **50 Evangelists** and local believers join us for the mission from different churches across the town. **Many shared testimonies for the first time.** More than **15 people made a documented decision for Jesus.** We also preached the Gospel with dance solos and short testimonies in the shopping centre and had Live Acoustic Worship 16:00 – 18:00. It was amazing to see so many people stop and listen and other believers joining in and lifting their hands in worship as many shoppers passed by. We also led small missions to Ilford, South Oxhey and Watford train stations.

Impact: These regular missions to the town which we host 2-3 times a year are causing a rippling effect of outreach across the town and Christians are starting to be mobilised for missions. One of the next aims is to do an Evangelism Workshop in every church in Watford and the surrounding locations.
