Objective and Activities

The trustees have considered the Charity Commission's guidance on public benefit, including the guidance 'public benefit: running a charity (PB2)'.
The Charity's main activities are the relief of financial hardship among pregnant mothers and their children living in poverty by providing such persons with necessities including (but not limited to) food, clothes, medical and personal items which they could not otherwise afford through their own means.

Public benefit statement

The Trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and the Republic of Ireland (FRS 102) (effective 1 January 2019).

Achievements and performance

The prevalence of the Covid-19 has hampered the charity's planned activities and programs since registration on 01 June 2020. Introduction of the lockdown restrictions by the UK government in March 2020 to curb the spread of virus made it impossible, the charity was inoperative since registration.
