We are flexible in working in collaboration with other charitable organisations or institutions as well as healthcare professionals with experience in related charity activities. We opt also to do voluntary works in psychiatric and general hospitals, and care facilities to gain an insight of policies and procedures governing most institutions. This enables our trustees to gain a comprehensive knowledge, experience and skills to carry out their responsibilities and duties.

The charity has a simple structure as of now with a CEO, Secretary and trustees since we are new and still gaining grounds. Jubert Impact and Integrated Foundation is still integrating into gaining further experiences in managing its activities and seeking support and funding to expand it activities in a wider and broad community. We will like to accommodate volunteers to meet our goals and aims.

Trustees are different individuals except for one who is a spouse.

Trustees are to ensure they engage in activities that will have less risk and all to share as such. Trustees endeavour to follow the internal policies and procedures to minimise any risk. We are engaging on activities to reduce

risk and ensuring our trustees and volunteers are working in accordance with the charity's policies and procedure.

## Section C Objectives and activities

**Summary of the objects of the charity set out in its governing document**

The charity engages in working with those individuals with emotional distress, depression and anxiety and other related health related issues or impairments. We are interested in working with adult and elderly people suffering with some mental health issues and providing relevant support, activities and distracting activities and ensuring they can feel independent and inclusive in their community.  
We look forward engaging to areas of the ethnic minority and underserved and unprivileged people in the community such as BAME.

**Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)**

We have mostly been operational voluntary especially during the Covid-19 pandemic in hospitals and also supporting in distributing food pack to elderly and those isolated. Running errands and shopping.  
Furthermore, engaging in working with those individuals with emotional distress, depression and anxiety and other related health related issues or impairments. We are interested in working with adult and elderly people suffering with some mental health issues and providing relevant support, activities and distracting activities and ensuring they can feel independent and inclusive in their community.  
We have actively engaged directly as a charity organisation in any public activities like the Coventry yearly diversity events where we showcase our activities, goals and purpose in supporting our community, vulnerable adults suffering with mental health, and the homeless.  
We want to expand in the area of supporting the BAME community in Coventry, Warwick and environs who are underprivilege and underserved in the community.

**Additional details of objectives and activities (Optional information)**

You **may choose** to include further statements, where relevant, about:

- policy on grantmaking;
- policy programme related investment;
- contribution made by volunteers.

The charity organisation has once received grant from National Lottery Community Fund. But we look forward soliciting for more grants from donors to enable our charity to embark more in its activities and impacting the community. We ensure we work in accordance with the policies and rules of the donor and be accountable of any activities and expenditure. Though as a starter is was a huge task. Our volunteers are capable and skilful to work and meeting the goals of the charity and gathering more experience. However, most of our activities carried out as of now is contributions from trustees individually.
