Fund raising ~ Increased awareness of bereavement issues

Summary of the main achievements of the charity during the year

The Covid pandemic has imposed various serious practical challenges to our research service, however bereavement support and care was maintained by phone and email communications.

- Traced the resting place of 126 babies who were either stillborn or died soon after birth in the decades of the 1940's 1950's 1960's, 1970's and 1980's
- Supported the families of over 400 babies who were either stillborn or died soon after birth in the decades of the 1940's 1950's 1960's, 1970's and 1980's
- Support for families when the baby was born before twenty-eight weeks gestation and that were would not be in the position to find the bay's resting place as there would not be one.
