

Trustees annual report 2024-25.

Year ending May 2025.

The Trustees wish to report that the affairs of the charity were primarily conducted in May 2024, with a trip to Kenya and Tanzania. On this trip there was much appreciation for the Bible Teaching in both countries. During the year to May 2025 we did not complete any projects but delayed them until December 2025.

Signed,

David Brewer,

Trustee.
