**JULY:** Starting from the 1-07-2023 Fountain Life Ministry applied for the Ministerial fellowship of RMIMA. RMIMA is a body of over 300 independent like-minded organizations that come under the banner of Revival ministries international which has a base in Tampa bay Florida. During this time in Florida Fountain Life attended a day conference as well as partnered with **Don Walker Ministries**. To hold a community outreach event in St Petersburg, Florida which aimed to reach drug addicts, the homeless and gang members in the area. Hiring the local community facility, we conducted a 3-day event. During the outreach boxes of food and bibles were given away to people in need. Elishua Dewey from Fountain Life Ministry was the main speaker at these events and communicated The gospel of Jesus Christ to the people that gathered in the evening events. It is my privilege to report over 100 people were recorded making decisions to receive Jesus Christ as their Lord and savior. During this time, we also held baptism classes and did water baptisms for those who wanted to be water baptized.

Upon returning back to Kenya in July, we continued to build team, support the local churches and conduct street outreaches in the marketplace, where we fed people, we prayed for people with
