## **FOUNTAIN LIFE FOUNDATION ANNUAL REPORT**

*Reporting Period: 1 July 2024 – 30 June 2025*

This report outlines the activities, impact, and progress of Fountain Life Foundation over the stated period. Detailed monthly accounts are provided below.

---

### **JULY 2024**

July 2024 marked a monumental period for Fountain Life Foundation, characterized by significant ministry outreach and spiritual impact across the United States. During this month, the founder of Fountain Life Foundation, Elishua Dewey, ministered extensively in South Carolina, engaging with individuals from challenging backgrounds, including ex-gang members, former prisoners, and those recovering from drug addiction. These gatherings were marked by powerful moments of transformation, restoration, and renewed hope as the message of the Gospel was shared. A key highlight was ministry at New Life Deliverance Church, where lives were deeply impacted through preaching, prayer, and personal ministry. During these meetings, numerous healings were recorded, with individuals testifying to the restoration of their bodies—particularly in shoulders and arms. These testimonies were captured on video and are available on the Elishua Dewey YouTube channel, serving as documented evidence of the impact of these ministry gatherings. The outreach extended further through travel to West Chesapeake, where Elishua Dewey ministered in a Methodist church and visited several other denominational churches throughout the region. The month concluded with a strategic transition to Pittsburgh, Pennsylvania, where Elishua Dewey, founder of Fountain Life Ministries, attended a conference at Revival Today Church, focused on impartation, revelation, spiritual refreshing, and further training. This time of equipping served to strengthen the foundation for ongoing ministry work, ensuring continued effectiveness and growth in both outreach and discipleship efforts.

## AUGUST 2024

In August 2024, Evangelist Elishua returned to the United Kingdom, dedicating much of the month to reconnecting with board members, strengthening organizational alignment, and advancing key administrative matters. This period also included active ministry engagements across various locations.

A notable highlight was participation in outreach efforts in King's Cross alongside Nation's Call London Church, where the Gospel was shared in a public setting. Key highlights included testimonies of severely sick individuals coming to receive the love of God and finding relief through prayer. Others were reached as the wider community was uplifted and serenaded with gospel songs, creating an atmosphere of hope and encouragement.

The month also provided an important window for renewing essential documentation, alongside intentional time for spiritual refreshing and physical rest. This preparation was strategic, positioning the ministry for the upcoming return to Kenya. Looking ahead, the focus was set on the God is Love campaigns scheduled for September, with a clear objective to reach 10,000 youth with the message of God's love.

## SEPTEMBER 2024

In September 2024, the ministry returned to Kenya with renewed focus and momentum to carry out the God is Love school campaigns. This marked a significant outreach phase, targeting young people with the message of God's love across multiple school settings. These campaigns were met with strong engagement, as students were reached with the Gospel in a clear and impactful way. The initiative formed part of the broader objective to reach thousands of youth, bringing encouragement, truth, and spiritual awakening within the school environments. Key highlights from these campaigns have been documented and can be viewed on the ministry's YouTube channel, featured within the 2024 highlight video. 2024 Highlight Video: [www.youtube.com/watch?v=CM2nRsf6z0I](https://www.youtube.com/watch?v=CM2nRsf6z0I)

## OCTOBER 2024

In October 2024, the ministry partnered with an established church in the Eastland's area of Buru Buru, Makadara, to conduct a large-scale gospel campaign. The focus of this outreach was to share the good news of the Gospel, pray for the sick, and challenge individuals with a message of hope, light, love, and eternal destiny.

This campaign was marked by numerous powerful testimonies. Notably, numerous individuals with varying degrees of blindness—from impaired vision and short-sightedness to complete blindness—testified of receiving full restoration of sight. One testimony included a man who had previously been robbed and struck in the head with a piece of wood, resulting in blindness in his right eye; he testified that his sight was restored. Another individual, who had suffered a severe leg injury from an accident and was unable to walk properly due to a twisted leg, experienced a visible straightening and began walking normally before the crowd.

Additionally, deaf ears were opened, and many individuals experiencing spiritual oppression testified to receiving freedom and liberty. The preaching of the Gospel brought a tangible shift in the atmosphere, as the message of Jesus Christ brought life, peace, and transformation to those in attendance.

Throughout the month, Evangelist Elishua also served local churches and communities, continuing to fulfill the mission of spreading the good news of the Gospel across selected regions within the nation of Kenya. All of these activities have been documented through media and video recordings, available for viewing on the ministry's YouTube channel.

## NOVEMBER 2024

In November 2024, the ministry made strategic investments into its media arm, developing and advancing its podcast platform, which is available on the ministry's YouTube channel. This initiative was aimed at expanding digital reach and creating ongoing access to teaching, testimonies, and Gospel-centered content. Alongside this, the ministry continued active street outreaches, engaging directly with individuals in public spaces and sharing the message of the Gospel. During this month, the ministry also strengthened its operational capacity through the purchase of a new generator, supporting the logistical needs of ongoing and future outreach efforts.

Evangelist Elishua also traveled to western Kenya, ministering in Rongo, Busia, and Kisumu. During this time, he shared the Gospel and his personal testimony of deliverance and freedom from addiction through radio broadcasts, extending the reach of the message to a wider regional audience. Throughout this period, he ministered to thousands across various locations, including conferences and gatherings with different local church bodies, making a significant, far-reaching impact. Supporting pictures and media content can be found in our Mail Chimp monthly news updates.

## DECEMBER 2024

In December 2024, Evangelist Elishua traveled to Uganda, where he ministered across various locations and churches, continuing the work of sharing the Gospel and strengthening believers.

During this period, he also spent the Christmas season in fellowship with friends of the ministry and a host family, taking time to build relationships and reflect on the impact of the year.

This month marked a transition point, as preparations were made for the next phase of the mission, with travel arrangements set in place to depart in January for continued ministry work in Nigeria.

---

## JANUARY 2025

In January 2025, the ministry entered a new phase of international outreach. A ministry vehicle was stationed securely in Uganda as Evangelist Elishua departed by air to Port Harcourt, Nigeria, to join a ministry team for further training and active engagements.

During this time, he joined friends of the ministry and a wider team to partake in further training through a large-scale conference in Port Harcourt, which hosted thousands of attendees. This season provided the opportunity to preach on Salvation Television Station, which has a global reach, broadcasting to many nations and an audience exceeding 100 million viewers. It was a significant time of equipping, learning, and spiritual growth, alongside actively exercising faith in ministry. Following this, he engaged in

marketplace ministry, taking the message of Jesus directly into everyday environments.

The outreach then continued with travel to Lagos, where further ministry took place through conference settings as well as continued marketplace evangelism. Additional movements included Lekki and Abuja, expanding the reach of the Gospel across multiple regions within Nigeria.

This marked the beginning of 2025 with a strategic three-nation tour over a three-month period, reflecting the growing scope and momentum of Fountain Life Foundation's mission. For those interested, highlights from this period can also be viewed on the ministry's 2025 highlight video.

## FEBRUARY / MARCH 2025

February 2025 was a significant and personal month, as Evangelist Elishua returned to Australia for the first time in 11 years. This visit provided an important opportunity to reconnect with family and friends, while also opening doors for ministry and future mission engagements.

During this time, several ministry opportunities emerged, including a tent mission in the Riverland region and an open door to minister to a few hundred people in a coastal area. In addition, Evangelist Elishua returned to his roots, visiting and ministering within the local church where he was founded, established, and mentored. He preached across three different locations, strengthening believers and reconnecting with the foundational community that played a key role in his early development.

This period also served as a time of preparation and planning for the next phase of the mission. Arrangements were made for a return to Uganda, where the ministry secured significant support from newfound friends and partners in Australia to conduct Divine Nature Miracle Conferences across three locations—one large-scale gathering in western Uganda and two medium-sized conferences in Kampala. The western Uganda conference reached the airwaves and gathered hundreds in attendance, including over 50 local church leaders who received training and equipping, aligning with a foundational purpose of Fountain Life Foundation.

## APRIL 2025

In April 2025, the ministry concluded the third nation of its multi-country mission, returning to Uganda to carry out a strategically planned phase of outreach. Significant preparation had already been undertaken while in Australia, working closely with coordinators to organize a major conference in the western region of Uganda.

This resulted in the Fire and Nature Miracle Conference, a large-scale gathering that incorporated radio broadcasting and drew strong attendance. The conference also hosted a number of church leaders who participated over a four-day period, receiving teaching, impartation, and equipping. In addition to the conference, Evangelist Elishua ministered at Agape Church and also attended sessions at Miracle Centre Cathedral, where he received impartation under the ministry of Dr. Robert Kayanja. This period marked a powerful culmination of preparation, collaboration, and impactful ministry engagement, while fulfilling the focus, purpose, and vision of Fountain Life Foundation, also known as Fountain Life Ministry ([www.fountainlifeministry.org](http://www.fountainlifeministry.org)).

## MAY 2025

In May 2025, Evangelist Elishua departed from Uganda, crossing over the border into western Kenya and continuing the ministry journey. This phase included fulfilling planned engagements with Word of Praise Church in Mbale and Fellowship Church in Kakamega. During this time, he ministered within these church communities and also met with numerous pastors, engaging in strategic discussions regarding future collaborations and upcoming campaigns to spread the message of God's love throughout the western region of Kenya.

## JUNE 2025

June 2025 marked a significant milestone for Fountain Life Foundation, celebrating five years of ministry, outreach, and impact. This anniversary reflected the faithfulness of the journey, the growth of the work, and the lives transformed through the message of Jesus Christ.

During this month, Evangelist Elishua continued ministering across established churches in Kenya, including Redeemed Gospel Church in Buruburu, Eastlands, strengthening believers and advancing the Gospel. This period also included forward planning for the upcoming months of July and August 2025, setting the stage for continued expansion and increased outreach efforts, which will be detailed in the next annual report. Fountain Life Foundation is supported by a committed group of partners who give faithfully at different times throughout the year. As the ministry continues to grow, there is an open invitation for new partners to collaborate in expanding the reach and impact of future campaigns and conferences. For further information, partnership inquiries, or to express interest, contact: [info@fountainlifeministry.org](mailto:info@fountainlifeministry.org). The ministry remains committed to transparency, integrity, and a sincere passion for advancing the Gospel and serving communities.

## CONCLUSION

This reporting period has been marked by growth, movement, and undeniable impact across multiple nations. From the United States to the United Kingdom, across Kenya, Uganda, Nigeria, and Australia, Fountain Life Foundation has continued to carry the message of Jesus Christ with clarity, boldness, and tangible demonstration. Lives have been reached, bodies healed, communities impacted, and believers strengthened. From large-scale conferences to street outreaches, from radio broadcasts to media expansion, each step has contributed to a wider and deeper expression of the Gospel. This year has also reflected strategic development—building partnerships, expanding media reach, equipping leaders, and laying foundations for even greater works ahead. What began with a small circle of faithful supporters continues to grow into a wider network of partners and collaborators who share in the vision. As Fountain Life Foundation moves forward, the focus remains unchanged: to preach the Gospel, demonstrate the power of God, equip believers, and reach communities with the reality of God’s love. The coming year carries expectation for greater expansion, deeper impact, and increased fruit.

## VISION

To see lives transformed by the power of God, communities impacted by the reality of His love, and believers equipped to walk in their identity, authority, and divine nature in Christ.

## MISSION

Fountain Life Foundation exists to preach the Gospel of Jesus Christ with power and clarity, to demonstrate the love of God through healing, deliverance, and outreach, and to equip believers and leaders through teaching, training, and impartation. The ministry is committed to reaching the lost, strengthening the Church, and expanding the Kingdom of God through strategic campaigns, conferences, media, and partnerships across nations.

## Partner With Us

Fountain Life Foundation is actively advancing the Gospel—reaching the lost, strengthening believers, and impacting communities across nations. This work is made possible through partnership. As we expand into larger campaigns, wider outreach, and deeper ministry impact, we are inviting committed partners to stand with us.
