Trustee Selection Methods:

Any gaps identified in the knowledge and expertise of the existing Trustees is used to identify the preferred characteristics of new Trustees. In selecting individuals for appointment as charity trustees, the charity trustees must have regard to the skills, knowledge and experience needed for the effective administration and management of UK UYGHUR COMMUNITY. All potential trustees must have a formal interview with the existing Trustees to understand their motivation to be appointed and their skills and experience.

How New Trustees are Inducted and Trained:

All new Trustees will be provided with a copy of the Governing Document (Constitution) and the most recent Trustees' Annual Report & Financial Statements (if available). In addition, they will also be provided the 'Fundamental Principles of the UK UYGHUR COMMUNITY', which is a document

that sets out the 8 values and principles of UK UYGHUR COMMUNITY including: Integrity, Open-mindedness, Respect, Innovation, Loyalty, Excellence, Positivity, and Independence. This ensures that all trustees understand the values that UK UYGHUR COMMUNITY stands for and what is expected of everyone involved with UK UYGHUR COMMUNITY.

Statutory Declaration on Public Benefit

The trustees declare that they have complied with their duty to have due regard to the guidance on public benefit published by the Charity Commission in exercising their powers or duties.

Activities, Achievements & Performance

The Pandemic has given a chance to our Charity to re-assess its values, objectives, and aspirations. Although we were not able to hold any face-to-face activities, we laid strong foundations to UK UYGHUR COMMUNITY Charity's future and planned several activities for the next year, started preparations for launching Sunday Uyghur Language School and started fundraising.

Statement of the Charity's Policy on Reserves

Currently, the charity operates digitally with the help from volunteers. This means there are minimal costs associated with the running of the charity. All associated software and IT costs are predictable as they are incurred on an annual subscription basis. Therefore, there is no charity policy on reserves. As UK UYGHUR COMMUNITY expands to offer physical projects, an appropriate Reserve Policy will be implemented.
