Over the last 12 months we have taken over the fireworks, Ceredigion soapbox and the New Quay Wales music festival. A lot of the money we have had during the year is from the 3 new items we have added to our charity. We had a fireworks display in October 2021. We had a christmas tree erected in the town and got local school children to make the decorations to put on the tree, We also had one of the shops in the town sell memorial decorations that people could buy and place on the tree.

In 2022 we hope to do a wildflowering project, get the music festival and soapbox back up and running after covid and do a few more fundraising events as well as helping the local school with their events. Also have the Christmas tree up again.
