Structure, governance and management

The charity is governed by a CIO Foundation governing document, registered on 11 June 2020. The trustees are responsible for the overall governance and strategic direction of the charity, and for ensuring that funds are applied solely towards the charity's charitable purposes.

2. Objectives and activities

The charity's objects are to advance such charitable purposes according to the law of England and Wales as the trustees see fit from time to time, in particular but not exclusively by making grants and awards to registered charities. This includes the relief of sickness and the preservation and protection of health by making grants and awards to registered charities for such purposes.

During the period, the charity's principal activity was fundraising through sponsored physical challenge events, including endurance and sporting events, with donations received primarily through JustGiving. The charity then applied funds by making grants to other registered charities and by meeting a small amount of administration and IT support costs necessary to operate the charity.

The trustees have had regard to the Charity Commission's guidance on public benefit when planning and carrying out the charity's activities. The charity operates throughout

England and primarily helps other charities and voluntary bodies, alongside wider public benefit groups identified on the Charity Commission register.

3. Achievements and performance

During the period, the charity received donations from fundraising activity and supporter giving. Total incoming resources for the period were **£2,853.22**.

The charity made grants totalling **£2,000.00** to other charities during the period. In addition, the charity incurred **£24.00** of support / administration expenditure for Microsoft 365 and website support.

A transfer of **£4,692.00** was made from the charity's current account to its own savings account. This was an internal transfer between accounts held for the charity and is therefore not treated as expenditure in these accounts.

4. Financial review

The charity prepared these accounts on a receipts and payments basis.

Total income: £2,853.22

Total expenditure: £2,024.00

Net movement in funds for the period: £829.22

The trustees consider the charity's financial position at the end of the period to be satisfactory for its current scale of activity.

Reserves policy

The charity is small and holds modest reserves to support future charitable giving and operating continuity. At this stage, the trustees review reserves pragmatically according to expected donations, planned grants, and operating costs.

5. Grants made

Grants made in the period were as follows:

- Grants to other charities: **£2,000.00**
 - Grants to individuals: **£0.00**

6. Statement of trustees' responsibilities

The trustees are responsible for keeping sufficient accounting records to show and explain the charity's transactions and to disclose with reasonable accuracy at any time the financial position of the charity. They are also responsible for safeguarding the assets of the charity and for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Welcome to The Danny Butcher Foundation Annual Report for 2022-2023

This year has been a challenging period for The Danny Butcher Foundation, marked by personal difficulties for our trustees and uncertainty about the Charity's future. Despite these challenges, we remain steadfast in our commitment to our mission of supporting causes that reflect Danny Butcher's values, such as aiding the homeless, supporting veterans, and promoting mental health and cancer treatment.

The loss of two key trustees placed a significant burden on me, as I had to take on additional responsibilities while managing a multimillion-pound civil lawsuit. This legal challenge significantly impacted our growth this tax year, as I was unable to dedicate sufficient time to the Charity's development. However, my dedication and resilience have been instrumental in navigating this difficult period.

To mitigate future challenges, I successfully recruited new trustees, Jason Jackson and Shelly Conway, whose contributions have been invaluable. Since their appointment, the Charity has shown significant growth and progress, which will be evidenced in next year's return. I also extend my heartfelt gratitude to our current and remaining trustees, Michelle Conway, Jason Jackson, Carrie Jones, and Alan Butcher, for their unwavering support and contributions during this time.

Looking ahead, I am pleased to report that significant progress and growth have been achieved since the end of this reporting period. These advancements will be detailed in our next annual report, reflecting our ongoing commitment to our vision of making a meaningful impact on the lives of those we serve. Additionally, we are excited to announce that during the next accounting period, The Danny Butcher Foundation plans to make its largest donation to date, furthering our mission and expanding our reach.
