

Welcome to The Danny Butcher Foundation Annual Report for 2022-2023

This year has been a challenging period for The Danny Butcher Foundation, marked by personal difficulties for our trustees and uncertainty about the Charity's future. Despite these challenges, we remain steadfast in our commitment to our mission of supporting causes that reflect Danny Butcher's values, such as aiding the homeless, supporting veterans, and promoting mental health and cancer treatment.

The loss of two key trustees placed a significant burden on me, as I had to take on additional responsibilities while managing a multimillion-pound civil lawsuit. This legal challenge significantly impacted our growth this tax year, as I was unable to dedicate sufficient time to the Charity's development. However, my dedication and resilience have been instrumental in navigating this difficult period.

To mitigate future challenges, I successfully recruited new trustees, Jason Jackson and Shelly Conway, whose contributions have been invaluable. Since their appointment, the Charity has shown significant growth and progress, which will be evidenced in next year's return. I also extend my heartfelt gratitude to our current and remaining trustees, Michelle Conway, Jason Jackson, Carrie Jones, and Alan Butcher, for their unwavering support and contributions during this time.

Looking ahead, I am pleased to report that significant progress and growth have been achieved since the end of this reporting period. These advancements will be detailed in our next annual report, reflecting our ongoing commitment to our vision of making a meaningful impact on the lives of those we serve. Additionally, we are excited to announce that during the next accounting period, The Danny Butcher Foundation plans to make its largest donation to date, furthering our mission and expanding our reach.
