### Objective

The prevention or relief of poverty in particular but not exclusively in Bangladesh by providing grants, items and services to individuals in need and/or charities, or other organisations working to prevent or relieve poverty.

### Trustees

Heron Miah, Gusur Rahman, Muhammad Abdus Sabur

### Funding

For the current year, as well as fund raising from trustees we have also raised funds from extended family and friends. There were plans to hold fund raising events, but unfortunately interrupted due to COVID19.

### Charity activity for the year:

During our inaugural year the world faced an extraordinary challenge due to the COVID19 pandemic and the poor even more so. We focused our efforts in helping alleviate the hardship caused by this. We therefore successfully delivered clothing for students at a village mosque, assisted in the repair of access roads to poor areas to help with delivery of aid and future regeneration, donated over 200 food packs to poor families, donated to a village food bank, provided Eid gifts to poor children, and provided small cash grants to assist with medicines.
