To advance the Islamic faith through representing mosques and Islamic centres of Nottingham and Nottinghamshire under the structure of one council. in doing so activities will include promoting understanding and unity amongst the various mosques and Islamic centres; and promoting racial and religious harmony between Muslims and non-Muslims

The Nottingham Council of Mosques was not able to do it's full set of intended work due to changes caused by coming out of Covid.

We however continued working primarily in the fields of Health, Cemeteries, Islamophobia and Mosque advocacy to meet our stated objectives.

Within health work was done on producing videos to increase uptake of flu vaccinations and reducing health inequalities.

Many meetings were held with the Council to improve burial facilities for muslim and the Nottingham Council of Mosques were involved in the majority of burials in Nottingham providing guidance and support to bereaved families.

The Nottingham Council of Mosques worked with the Green Academy Trust to hold an important event on tackling Islamophobia which was very well attended. In addition we liaised with the Police on a number of cases linked to islamophobia which impacted on the Muslim community.

The Nottingham Council of Mosques also responded to the National consultation on Prevent and remained and attended meetings as an active member of the Muslim Council of Britain.
