THE BRIAN D NEWMAN FOUNDATION FOR THE ENVIRONMENT

Trustees' Annual Report

For the year ended 31 December 2022

The Trustees present their report along with the financial statements of the Charity for the year ended 31 December 2022. The financial statements have been prepared in accordance with the accounting policies set out in note 2 to the financial statements and comply with the Charities Act 2011.

OBJECTIVES AND ACTIVITIES

The purpose of the Charity

The purpose of the Charity, as set out in its objects within the constitution, are to advance for the public benefit the protection and improvement of the environment in the United Kingdom and Australia in particular but not exclusively by:

- (1) the conservation, protection and improvement of the natural environment, including recognised nature reserves, specialist gardens and protected habitats
- (2) promoting and facilitating public enjoyment and appreciation of the natural environment, and
- (3) advancing the education of the public in relation to the protection and improvement of the environment including the support, promotion, and dissemination of research for the public benefit within the United Kingdom and Australia

in such ways as the Charity trustees think fit.

Activities in the year

The Trustees grants for the year are detailed in Note 5 of the report.

Public benefit

The Trustees have had regard to the Charity Commission's guidance on public benefit and will consider that guidance in their future activities.

Grant making policy

Grants will be made in accordance with the objects of the charity and reflect the recommendations of the trustees and third-party grant applications.

The Charity makes grants to charities in the UK and Australia. Grants to unincorporated associations are limited to £2,500. The Charity considers grant applications from third parties and those nominated by the trustees. There are no multi-year grants, but the Charity will consider supporting applicants over a number of years provided the funds are available.

ACHIEVEMENTS AND PERFORMANCE

The Charity's work is measured by the degree to which each grant contributes to the stated objectives set out in the respective grant applications of recipients. Progress reports from the recipients are requested before the end of the Charity's financial year. Local trustee knowledge helps to direct grants and establish whether on-going support can be justified.

All grants made have enabled the recipients to further their charitable purposes.

THE BRIAN D NEWMAN FOUNDATION FOR THE ENVIRONMENT
Trustees' Annual Report (continued)
For the year ended 31 December 2022

Summary of the grants awarded during the year and their purpose

Country	Name	Summary	Amount (£)
UK	Ecological Continuity Trust	Towards Interpretation Boards to explain the importance of long-term ecological monitoring experiments.	2,000
UK	Buglife	Towards advocacy - reduce light pollution, chemicals in water and invasive species.	5,000
UK	Berkshire, Buckinghamshire and Oxfordshire Wildlife Trust	Towards remedial fieldwork on nature reserves.	5,000
UK	Future Trees Trust	Towards superior Silver Birch stock evaluation and progeny trials	5,570
UK	Kingswood Trust	Towards "Days in the wood" nature program for socially and economically deprived children.	6,245

Australia	Environment Victoria	Towards restoring the Murray-Darling (rivers) basin to health campaign.	10,015
Total awards for the year			98,845

FINANCIAL REVIEW

Financial performance

The Statement of Financial Activities shows the income and expenditure of the Charity for the year, together with the changes in value of the investments. Revenue was generated from the investment portfolio and expenditure was supplemented by funds carried forward from the previous year. There were no capital payments received by the trust in 2022. A cash donation of £150,000 was received on 28th March 2023, with the associated gift aid of £37,500 being received subsequently.

The assets of the Charity at the year-end were primarily the long-term investments representing the endowment fund. The investments primarily comprised equity investments, with a good geographic spread.

THE BRIAN D NEWMAN FOUNDATION FOR THE ENVIRONMENT

Trustees' Annual Report (continued)

For the year ended 31 December 2022

Investment policy

The Charity's investment policy is to seek income from the portfolio while simultaneously protecting the real value of the Charity's assets. In conjunction with the asset manager, UBS, the Charity adopted an investment approach for 2022 of having circa 75% of the funds in a well distributed portfolio of high-quality European equities, with the balance in cash / bonds. This policy is reviewed annually. The Trustees do not impose any other restrictions on the investee companies.

Total funds at the year-end amounted to £2,121,937 (£2,492,508). There was a capital loss of £310,137 for 2022 (2021: surplus £127,009).

Reserves

The Trustees are prohibited from spending the permanent endowment fund and therefore the Charity's free reserves comprise only the General fund, which amounted to £69,950 (2021: £130,384) as at the period end.

The Charity is an endowed, grant making charity with no employees and limited recurring costs. As such, Trustees do not consider that the Charity needs to hold reserves within its general fund. The trustees intend to use the reserves over the coming year to fund further grants.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing Document

The Charity was formed as a charitable incorporated organisation on 11 June 2020; its governing document is its constitution.

Appointment of trustees

The initial trustees were appointed by the founder trustee. Future trustees are appointed by the current trustees as a body.

Management

The Charity has no staff and is managed by its trustees.

Risk management

The trustees have assessed the major risks to which the charity is exposed, in particular those related to the activities and finances of the charity and are satisfied those systems are in place to mitigate those risks. A risk assessment register is maintained and will be reviewed annually.

REFERENCE AND ADMINISTRATIVE INFORMATION

Name and Registered Number of Charity

The Charity is registered as "Brian D Newman Foundation for the Environment" and its registered number is 1189900.

Principal Address

The principal address of the Charity is: c/o TaxAssist Accountants, Unit 1-3, Pluto House, 19-33 Station Road, Ashford, Kent, TN23 1PP.

The Charity's email address is: BDNFoundation@gmail.com.

Names of Trustees

The Trustees who acted during the year and subsequently were as follows:

Louise Maxwell Barton
Matthew Beardmore-Gray
Janet Clare Dear
Elizabeth Ann Skilbeck

Fundraising

The Charity does not undertake any fundraising activities.

TRUSTEES' RESPONSIBILITIES STATEMENT

The Trustees are responsible for preparing the Trustees' Report and the financial statements in accordance with applicable law and regulations.

The law applicable to charities in England and Wales requires the trustees to prepare financial statements for each financial year in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable regulations). Under that law the Trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Charity and of the incoming resources and application of resources of the Charity for that period.

In preparing these financial statements, the Trustees are required to:

- Select suitable accounting policies and then apply them consistently.
- Observe the methods and principles in the Charities SORP
- Make judgements and accounting estimates that are reasonable and prudent.
- State whether applicable accounting standards have been followed.
- Prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Charity will continue in business.

The Trustees are responsible for keeping proper accounting records which are sufficient to show and explain the Charity's transactions and disclose with reasonable accuracy at any time the financial position of the Charity and enable them to ensure that the financial statements comply with the Charities Act 2011, the Charities (Accounts and Reports) Regulations 2008 and the provisions of the constitution. They are also responsible for safeguarding the assets of the Charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

THE BRIAN D NEWMAN FOUNDATION FOR THE ENVIRONMENT

Independent examiner's report

For the year ended 31 December 2022

I report to the trustees on my examination of the accounts of The Brian D Newman Foundation for the Environment for the year ended 31 December 2022, which comprise the Statement of Financial Activities, the Balance Sheet and the notes to the accounts, including a summary of significant accounting policies.

Respective responsibilities of trustees and examiner and basis of report

As the charity's trustees you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the charity's accounts carried out under section 145 of the Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the charity as required by section 130 of the Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

THE BRIAN D NEWMAN FOUNDATION FOR THE ENVIRONMENT

Notes to the financial statements

For the year ended 31 December 2022

1 Status

The Brian D Newman Foundation for the Environment (“the Charity”) is a charitable incorporated organisation governed by its constitution dated 11 June 2020. The charity number is 1189900. Its principal address is Unit 1-3, Pluto House, 19-33 Station Road, Ashford, TN23 1PP.

2 Accounting policies

The principal accounting policies are summarised below.

Basis of preparation

The accounts have been prepared in accordance with The Financial Reporting Standard applicable in the UK and Republic of Ireland (“FRS 102”) and with the Statement of Recommended Practice applicable to charities preparing their financial statements in accordance with FRS 102 (effective 1 January 2019). The financial statements are also prepared in accordance with the Charities Act 2011.

The charity is a public benefit entity as defined by FRS 102.

Fund accounting

The funds held as at the year-end are in the form of a permanent endowment fund and unrestricted funds. Income from the endowment is available for the general purposes of the Charity.

Unrestricted funds are spent or applied at the discretion of the trustees to further any of the charity’s purposes. The use of unrestricted funds is not restricted to any particular charitable purpose of the charity. Trustees may choose during the reporting period to set aside (designate) a part of the unrestricted funds to be used for a particular project or commitment.

Going concern

The trustees are confident that the Charity will continue to be a going concern and the financial statements have been prepared on this basis.

Income

All incoming resources are included in the Statement of Financial Activities when the Charity is legally entitled to the income, when its receipt is probable and when it can be measured with reasonable certainty.

Expenditure

All expenditure is accounted for on an accruals basis and has been included under expense categories that aggregate all costs. Costs have been allocated on a basis consistent with the use of the resources.

Grants to beneficiaries

Grants to beneficiaries are recognised when the trustees judge that the recipients have a valid expectation that they will receive the funds. This is usually when the recipients have been informed of the grants and when any substantive performance obligations have been met.

THE BRIAN D NEWMAN FOUNDATION FOR THE ENVIRONMENT
Notes to the financial statements (continued)
For the year ended 31 December 2022

2 Accounting policies (continued)

Investments

Investments are a form of basic financial instruments and are initially recognised at their transaction cost and subsequently remeasured at fair value at the balance sheet date using the closing quoted market price. The statement of financial activities includes the net gains and losses on revaluations and disposals throughout the year.

3 Employee information

The Charity had no employees.

4 Trustees

No trustee was remunerated in the period.

Expenses reimbursed to one trustee amounted to £133 (2021 - £44).

5 Grant Analysis

Charity Name	2022 £	2021 £
