Chairman`s report to the 30th April 2025

Further to my report last year, once again there has been limited activity in the period covered by this report.

Our fundraising activities continued but we had to cancel a couple of fund raising events due to lack of ticket sales resulting from a lack of visibility within the local community. The committee have discussed this in some detail regarding how we, as a fund raising charity raise our profile and generate interest in the evening and weekend events that we would like to put on.

The web site is up and running and we have some events later in the calendar year which we intend to utilise and maximise our profile and see tickets through our Stripe account which we have confirmed is active.

In the meantime, we organised a charity quiz and raffle fund raising event at a local football establishment in June which raised the sum of £605.00

I am also pleased to announce that a grant of £300 was made during the period. This was to pay for a student to have a course of guitar lessons.

The committee have discussed this in some detail regarding how we, as a fund raising charity raise our profile and generate interest in the evening and weekend events that we would like to put on.

The web site is up and running and one decision we decided was to open and attach a Stripe account so that donations and ticket sale purchases could be made directly through this avenue.

This proved worthwhile with our first event being the big sing event held on the 13th December 2023. Advertised through the website with Stripe allowed ticket sales to be made online. The resultant show made a profit of £848.00 which is an encouraging start to what we hope will be further encouraging fund raising efforts.

No grants were made in the period detailed.

For the year end 30th April 2022

Chairman's report to the 30th April 2022

The Charity was set up on the 11.3.20 and to the year end 30th April 2022 I regret to report that there has been very little activity.

In part this was due to the charity not having a Bank account with which to operate from, preventing the set up of a fund raising page on the website.

An issue compounded by the resignation of the existing Treasurer and the Banks failure and inability to amend the account.

Sadly no grants were made in the financial year, however we were able to fund raise through the Eastbourne Town Bid Team to run a fund raiser at the santa's grotto at the Christmas ice rink during the festive period in the run up to Christmas 2021 which raised an amazing £1381.75

Now that the trustee's have opened a new Bank account with a new provider our fund raising efforts can commence in earnest in the next financial year. The account details will be added to the website and a fund raising manager appointed in their new role.

I therefore have great hope for the foreseeable future on the charity
