Objectives and Activities

The Objectives of Autism Treatment Support Initiatives (ATSI) are:

- To relieve the social isolation, provide advice on management and treatment of autism symptoms; to relieve poverty and poor living conditions; to promote the mental health and wellbeing to the benefit of people diagnosed with Autism and their families in UK and Africa and its environs without distinction of age, sex, race, disability, political, religious or other opinion, by associating the statutory authorities, voluntary organisations and inhabitants in a common effort to advance education, and to provide facilities in the interests of social welfare, for recreation or other leisure time occupation with the object of improving the conditions of life for the said inhabitants

- To establish or to secure the establishment of a Community Centre and to maintain it and to manage and cooperate with any local statutory authority in the maintenance and management of such a Centre for activities promoted by the Association and its constituent bodies in furtherance of the above objects.

The main activity undertaken for public benefit in relation to the objectives is the relief of sickness and preservation of health for those people who have been diagnosed as being on the Autistic Spectrum and their families by providing outreach advice and free education on Autism symptoms, treatment and life management.

During the current financial period, Autism Treatment Support Initiatives (ATSI) has furthered its charitable purposes for public benefit through its 'Befriend an Autistic Family Program' by:

Financial Review

Review of Financial Position

In the financial year ended 31st March 2025, Autism Treatment Support Initiatives (ATSI) generated £ 411 in income but incurred costs of £ 1 309 in costs to achieve its objectives funded by capital advances by the principal director.

Although at the end of the reporting period, the balance between income and expenditure is negative the main creditor of the charity relates to funds introduced by the Directors to support the charity.

The balance in the bank was £ 262 at the period end

Our main source of funds this year has been through charitable donations. We use donations made by volunteers (primarily by the chairperson Foluso Adebayo, and the Tade Autism Centre) to subsidise charity activity so that autistic individuals can access our services free of charge.

The majority of income is applied to fundraising events and providing support related activities with the main costs incurred being support and activities for our clients, volunteer transport costs, outreach and advocacy, social media management cost, webinars and Zoom events.

The main financial risk to the charity is lack of funding and reduced donations. We have mitigated this risk by soliciting donations directly from the chairperson and the trustees.

Reserves Policy

The charity does not have a Reserves Policy, but are aware it would be prudent to have one in place, and will consider this in the coming year. A reserve amount of £500 would be sufficient to pay trainers, suppliers, and volunteers if for any reason the charity had to wind up.

Structure, Governance and Management

Autism Treatment Support Initiatives (ATSI) is a Charitable Association registered with and regulated by the Charity Commission for England & Wales. Our governing document is the Autism Treatment Support Initiatives (ATSI) Constitution.

The Trustees who served during the year were:

Adetutu Soetan

Adeteju Ojelade

Foluso Adebayo

Mobolanle Akinyemi

Membership of Autism Treatment Support Initiative is open to autistic individuals and their families. ATSI trustees seek the views of service users and their families when deciding the activities to be run.

ATSI partners with Tade Autism Centre (TAC) with whom we jointly undertake the 'Befriend an Autistic Family Programme' and from whom we rent facilities for daytime activities such as IT training, wellbeing training, self-care training and seminars).

We have a child protection policy in place. Criminal Records Bureau and enhanced DBS checks are carried out prior to commencement of volunteer work or trusteeship.

Safeguarding policies are in place to protect Service User's right to live in safety, free from abuse. Volunteers/ Trustees are constantly trained to meet the 2018 Adult Safeguarding Roles and Competencies which applies to

Social Care.

The Chairperson is the Managing Trustee and oversees day to day running of the charity. All Trustees give their time voluntarily and received no remuneration or other benefits.

Recruitment and appointment of Trustees

Trustees of the charity are appointed or reappointed annually at the Annual General Meeting and in keeping with our Association's Constitution.

Organisational structure and how decisions are made

Decisions are considered and made by Autism Treatment Support Initiatives (ATSI) Trustees on an individual proposal basis. Decisions at meetings are decided by a simple majority of those present and entitled to vote. It is the responsibility of the Managing Trustee to ensure the execution of decisions and the reporting of works carried out back to the Board.

Statement of Trustees Responsibilities

This standard list of accounting policies has been applied by the charity except for those deleted. Where a different or additional policy has been adopted then this is detailed in the box below.

INCOMING RESOURCES

Recognition of incoming resources	These are included in the Statement of Financial Activities (SoFA) when: - the charity becomes entitled to the resources; - the trustees are virtually certain they will receive the resources; and - the monetary value can be measured with sufficient reliability.
Incoming resources with related expenditure	Where incoming resources have related expenditure (as with fundraising or contract income) the incoming resources and related expenditure are reported gross in the SoFA.
Grants and donations	Grants and donations are only included in the SoFA when the charity has unconditional entitlement to the resources.
Tax reclaims on donations and gifts	Incoming resources from tax reclaims are included in the SoFA at the same time as the gift to which they relate.
Contractual income and performance related grants	This is only included in the SoFA once the related goods or services have been delivered.
Gifts in kind	Gifts in kind are accounted for at a reasonable estimate of their value to the charity or the amount actually realised. Gifts in kind for sale or distribution are included in the accounts as gifts only when sold or distributed by the charity. Gifts in kind for use by the charity are included in the SoFA as incoming resources when receivable.
Donated services and facilities	These are only included in incoming resources (with an equivalent amount in resources expended) where the benefit to the charity is reasonably quantifiable, measurable and material. The value placed on these resources is the estimated value to the charity of the service or facility received.
Volunteer help	The value of any voluntary help received is not included in the accounts but is described in the trustees' annual report.
Investment income	This is included in the accounts when receivable.
Investment gains and losses	This includes any gain or loss on the sale of investments and any gain or loss resulting from revaluing investments to market value at the end of the year.

EXPENDITURE AND LIABILITIES

Liability recognition	Liabilities are recognised as soon as there is a legal or constructive obligation committing the charity to pay out resources.
Grants with performance conditions	Where the charity gives a grant with conditions for its payment being a specific level of service or output to be provided, such grants are only recognised in the SoFA once the recipient of the grant has provided the specified service or output.
Grants payable without performance conditions	These are only recognised in the accounts when a commitment has been made and there are no conditions to be met relating to the grant which remain in the control of the charity.

ASSETS

Tangible fixed assets for use by charity	These are capitalised if they can be used for more than one year, and cost at least £500. They are valued at cost or a reasonable value on receipt.
Investments	Investments quoted on a recognised stock exchange are valued at market value at the year end. Other investment assets are included at trustees' best estimate of market value.
Stocks and work in progress	These are valued at the lower of cost or market value.

Accounting policies

This standard list of accounting policies has been applied by the charity except for those deleted. Where a different or additional policy has been adopted then this is detailed in the box below.

INCOMING RESOURCES

Recognition of incoming resources	These are included in the Statement of Financial Activities (SoFA) when: • the charity becomes entitled to the resources; • the trustees are virtually certain they will receive the resources; and • the monetary value can be measured with sufficient reliability.
Incoming resources with related expenditure	Where incoming resources have related expenditure (as with fundraising or contract income) the incoming resources and related expenditure are reported gross in the SoFA.
Grants and donations	Grants and donations are only included in the SoFA when the charity has unconditional entitlement to the resources.
Tax reclaims on donations and gifts	Incoming resources from tax reclaims are included in the SoFA at the same time as the gift to which they relate.
Contractual income and performance related grants	This is only included in the SoFA once the related goods or services have been delivered.
Gifts in kind	Gifts in kind are accounted for at a reasonable estimate of their value to the charity or the amount actually realised. Gifts in kind for sale or distribution are included in the accounts as gifts only when sold or distributed by the charity. Gifts in kind for use by the charity are included in the SoFA as incoming resources when receivable.
Donated services and facilities	These are only included in incoming resources (with an equivalent amount in resources expended) where the benefit to the charity is reasonably quantifiable, measurable and material. The value placed on these resources is the estimated value to the charity of the service or facility received.
Volunteer help	The value of any voluntary help received is not included in the accounts but is described in the trustees' annual report.
Investment income	This is included in the accounts when receivable.
Investment gains and losses	This includes any gain or loss on the sale of investments and any gain or loss resulting from revaluing investments to market value at the end of the year.

EXPENDITURE AND LIABILITIES

Liability recognition	Liabilities are recognised as soon as there is a legal or constructive obligation committing the charity to pay out resources.
Grants with performance conditions	Where the charity gives a grant with conditions for its payment being a specific level of service or output to be provided, such grants are only recognised in the SoFA once the recipient of the grant has provided the specified service or output.
Grants payable without performance conditions	These are only recognised in the accounts when a commitment has been made and there are no conditions to be met relating to the grant which remain in the control of the charity.

ASSETS

Tangible fixed assets for use by charity	These are capitalised if they can be used for more than one year, and cost at least £500. They are valued at cost or a reasonable value on receipt.
Investments	Investments quoted on a recognised stock exchange are valued at market value at the year end. Other investment assets are included at trustees' best estimate of market value.
Stocks and work in progress	These are valued at the lower of cost or market value.

- To establish or to secure the establishment of a Community Centre and to maintain it and to manage and cooperate with any local statutory authority in the maintenance and management of such a Centre for activities promoted by the Association and its constituent bodies in furtherance of the above objects.

The main activity undertaken for public benefit in relation to the objectives is the relief of sickness and preservation of health for those people who have been diagnosed as being on the Autistic Spectrum and their families by providing outreach advice and free education on Autism symptoms, treatment and life management.

During the current financial period, Autism Treatment Support Initiatives (ATSI) has furthered its charitable purposes for public benefit through its 'Befriend an Autistic Family Program' by:

- Providing support and advice to autistic families to access social care, organising activities for autistic adults and children, running a day service to help autistic individual to prevent isolation especially at this unprecedented period

Financial Review

Review of Financial Position

In the financial year ended 31st March 2023, Autism Treatment Support Initiatives (ATSI) generated no income but incurred costs of £ 3 465 in costs to achieve its objectives funded by capital advances by the principal director.

Although at the end of the reporting period, the balance between income and expenditure is negative the main creditor of the charity relates to funds introduced by the Directors to support the charity. Funds to be carried forward to the following financial year are - £4 793. The opening balance for the period was - £1,328.

The balance in the bank was £ 1 012 at the period end

Our main source of funds this year has been through charitable donations. We use donations made by volunteers (primarily by the chairperson Foluso Adebayo, and the Tade Autism Centre) to subsidise charity activity so that autistic individuals can access our services free of charge.

The majority of income is applied to fundraising events and providing support related activities with the main costs incurred being support and activities for our clients, volunteer transport costs, outreach and advocacy, social media management cost, webinars and Zoom events.

The main financial risk to the charity is lack of funding and reduced donations. We have mitigated this risk by soliciting donations directly from the chairperson and the trustees.

Reserves Policy

The charity does not have a Reserves Policy, but are aware it would be prudent to have one in place, and will consider this in the coming year. A reserve amount of £500 would be sufficient to pay trainers, suppliers, and volunteers if for any reason the charity had to wind up.

Structure, Governance and Management

Autism Treatment Support Initiatives (ATSI) is a Charitable Association registered with and regulated by the Charity Commission for England & Wales. Our governing document is the Autism Treatment Support Initiatives (ATSI) Constitution.

The Trustees who served during the year were:

Adetutu Soetan

Adeteju Ojelade

Foluso Adebayo

Mobolanle Akinyemi

Membership of Autism Treatment Support Initiative is open to autistic individuals and their families. ATSI trustees seek the views of service users and their families when deciding the activities to be run.

ATSI partners with Tade Autism Centre (TAC) with whom we jointly undertake the 'Befriend an Autistic Family Programme' and from whom we rent facilities for daytime activities such as IT training, wellbeing training, self-care training and seminars).

We have a child protection policy in place. Criminal Records Bureau and enhanced DBS checks are carried out prior to commencement of volunteer work or trusteeship.

Safeguarding policies are in place to protect Service User's right to live in safety, free from abuse. Volunteers/ Trustees are constantly trained to meet the 2018 Adult Safeguarding Roles and Competencies which applies to

Social Care.

The Chairperson is the Managing Trustee and oversees day to day running of the charity. All Trustees give their time voluntarily and received no remuneration or other benefits.

Recruitment and appointment of Trustees

Trustees of the charity are appointed or reappointed annually at the Annual General Meeting and in keeping with our Association's Constitution.

Organisational structure and how decisions are made

Decisions are considered and made by Autism Treatment Support Initiatives (ATSI) Trustees on an individual proposal basis. Decisions at meetings are decided by a simple majority of those present and entitled to vote. It is the responsibility of the Managing Trustee to ensure the execution of decisions and the reporting of works carried out back to the Board.

Note 2 Accounting policies

This standard list of accounting policies has been applied by the charity except for those deleted. Where a different or additional policy has been adopted then this is detailed in the box below.

INCOMING RESOURCES

Recognition of incoming resources	These are included in the Statement of Financial Activities (SoFA) when: - the charity becomes entitled to the resources; - the trustees are virtually certain they will receive the resources; and - the monetary value can be measured with sufficient reliability.
Incoming resources with related expenditure	Where incoming resources have related expenditure (as with fundraising or contract income) the incoming resources and related expenditure are reported gross in the SoFA.
Grants and donations	Grants and donations are only included in the SoFA when the charity has unconditional entitlement to the resources.
Tax reclaims on donations and gifts	Incoming resources from tax reclaims are included in the SoFA at the same time as the gift to which they relate.
Contractual income and performance related grants	This is only included in the SoFA once the related goods or services have been delivered.
Gifts in kind	Gifts in kind are accounted for at a reasonable estimate of their value to the charity or the amount actually realised. Gifts in kind for sale or distribution are included in the accounts as gifts only when sold or distributed by the charity. Gifts in kind for use by the charity are included in the SoFA as incoming resources when receivable.
Donated services and facilities	These are only included in incoming resources (with an equivalent amount in resources expended) where the benefit to the charity is reasonably quantifiable, measurable and material. The value placed on these resources is the estimated value to the charity of the service or facility received.
Volunteer help	The value of any voluntary help received is not included in the accounts but is described in the trustees' annual report.
Investment income	This is included in the accounts when receivable.
Investment gains and losses	This includes any gain or loss on the sale of investments and any gain or loss resulting from revaluing investments to market value at the end of the year.

EXPENDITURE AND LIABILITIES

Liability recognition	Liabilities are recognised as soon as there is a legal or constructive obligation committing the charity to pay out resources.
Grants with performance conditions	Where the charity gives a grant with conditions for its payment being a specific level of service or output to be provided, such grants are only recognised in the SoFA once the recipient of the grant has provided the specified service or output.
Grants payable without performance conditions	These are only recognised in the accounts when a commitment has been made and there are no conditions to be met relating to the grant which remain in the control of the charity.

ASSETS

Tangible fixed assets for use by charity	These are capitalised if they can be used for more than one year, and cost at least £500. They are valued at cost or a reasonable value on receipt.
Investments	Investments quoted on a recognised stock exchange are valued at market value at the year end. Other investment assets are included at trustees' best estimate of market value.
Stocks and work in progress	These are valued at the lower of cost or market value.

- To establish or to secure the establishment of a Community Centre and to maintain it and to manage and cooperate with any local statutory authority in the maintenance and management of such a Centre for activities promoted by the Association and its constituent bodies in furtherance of the above objects.

The main activity undertaken for public benefit in relation to the objectives is the relief of sickness and preservation of health for those people who have been diagnosed as being on the Autistic Spectrum and their families by providing outreach advice and free education on Autism symptoms, treatment and life management.

During the current financial period, Autism Treatment Support Initiatives (ATSI) has furthered its charitable purposes for public benefit through its 'Befriend an Autistic Family Program' by:

- Providing support and advice to autistic families to access social care, organising activities for autistic adults and children, running a day service to help autistic individual to prevent isolation especially at this unprecedented period

Financial Review

Review of Financial Position

In the financial year ended 31st March 2022, Autism Treatment Support Initiatives (ATSI) has raised funds of £400, and incurred £ 2 750 in costs to achieve its objectives.

Although at the end of the reporting period, the balance between income and expenditure is negative the main creditor of the charity relates to funds introduced by the Directors to support the charity. Funds to be carried forward to the following financial year are - £1,328. The opening balance for the period was £1,022.00.

The balance in the bank was £ 3 022 at the period end

Our main source of funds this year has been through charitable donations. We use donations made by volunteers (primarily by the chairperson Foluso Adebayo, and the Tade Autism Centre) to subsidise charity activity so that autistic individuals can access our services free of charge.

The majority of income is applied to fundraising events and providing support related activities with the main costs incurred being support and activities for our clients, volunteer transport costs, outreach and advocacy, social media management cost, webinars and Zoom events.

The main financial risk to the charity is lack of funding and reduced donations. We have mitigated this risk by soliciting donations directly from the chairperson and the trustees.

Reserves Policy

The charity does not have a Reserves Policy, but are aware it would be prudent to have one in place, and will consider this in the coming year. A reserve amount of £500 would be sufficient to pay trainers, suppliers, and volunteers if for any reason the charity had to wind up.

Structure, Governance and Management

Autism Treatment Support Initiatives (ATSI) is a Charitable Association registered with and regulated by the Charity Commission for England & Wales. Our governing document is the Autism Treatment Support Initiatives (ATSI) Constitution.

The Trustees who served during the year were:

Adetutu Soetan

Adeteju Ojelade

Foluso Adebayo

Mobolanle Akinyemi

Membership of Autism Treatment Support Initiative is open to autistic individuals and their families. ATSI trustees seek the views of service users and their families when deciding the activities to be run.

ATSI partners with Tade Autism Centre (TAC) with whom we jointly undertake the 'Befriend an Autistic Family Programme' and from whom we rent facilities for daytime activities such as IT training, wellbeing training, self-care training and seminars).

We have a child protection policy in place. Criminal Records Bureau and enhanced DBS checks are carried out prior to commencement of volunteer work or trusteeship.

Safeguarding policies are in place to protect Service User's right to live in safety, free from abuse. Volunteers/ Trustees are constantly trained to meet the 2018 Adult Safeguarding Roles and Competencies which applies to

Social Care.

The Chairperson is the Managing Trustee and oversees day to day running of the charity. All Trustees give their time voluntarily and received no remuneration or other benefits.

Recruitment and appointment of Trustees

Trustees of the charity are appointed or reappointed annually at the Annual General Meeting and in keeping with our Association’s Constitution.

Organisational structure and how decisions are made

Decisions are considered and made by Autism Treatment Support Initiatives (ATSI) Trustees on an individual proposal basis. Decisions at meetings are decided by a simple majority of those present and entitled to vote. It is the responsibility of the Managing Trustee to ensure the execution of decisions and the reporting of works carried out back to the Board.

Section C**Notes to the accounts****(cont)****Note 2****Accounting policies**

This standard list of accounting policies has been applied by the charity except for those deleted. Where a different or additional policy has been adopted then this is detailed in the box below.

INCOMING RESOURCES

Recognition of incoming resources	These are included in the Statement of Financial Activities (SoFA) when: - the charity becomes entitled to the resources; - the trustees are virtually certain they will receive the resources; and - the monetary value can be measured with sufficient reliability.
Incoming resources with related expenditure	Where incoming resources have related expenditure (as with fundraising or contract income) the incoming resources and related expenditure are reported gross in the SoFA.
Grants and donations	Grants and donations are only included in the SoFA when the charity has unconditional entitlement to the resources.
Tax reclaims on donations and gifts	Incoming resources from tax reclaims are included in the SoFA at the same time as the gift to which they relate.
Contractual income and performance related grants	This is only included in the SoFA once the related goods or services have been delivered.
Gifts in kind	Gifts in kind are accounted for at a reasonable estimate of their value to the charity or the amount actually realised. Gifts in kind for sale or distribution are included in the accounts as gifts only when sold or distributed by the charity. Gifts in kind for use by the charity are included in the SoFA as incoming resources when receivable.
Donated services and facilities	These are only included in incoming resources (with an equivalent amount in resources expended) where the benefit to the charity is reasonably quantifiable, measurable and material. The value placed on these resources is the estimated value to the charity of the service or facility received.
Volunteer help	The value of any voluntary help received is not included in the accounts but is described in the trustees' annual report.
Investment income	This is included in the accounts when receivable.
Investment gains and losses	This includes any gain or loss on the sale of investments and any gain or loss resulting from revaluing investments to market value at the end of the year.

EXPENDITURE AND LIABILITIES

Liability recognition	Liabilities are recognised as soon as there is a legal or constructive obligation committing the charity to pay out resources.
Grants with performance conditions	Where the charity gives a grant with conditions for its payment being a specific level of service or output to be provided, such grants are only recognised in the SoFA once the recipient of the grant has provided the specified service or output.
Grants payable without performance conditions	These are only recognised in the accounts when a commitment has been made and there are no conditions to be met relating to the grant which remain in the control of the charity.

ASSETS

Tangible fixed assets for use by charity	These are capitalised if they can be used for more than one year, and cost at least £500. They are valued at cost or a reasonable value on receipt.
Investments	Investments quoted on a recognised stock exchange are valued at market value at the year end. Other investment assets are included at trustees' best estimate of market value.
Stocks and work in progress	These are valued at the lower of cost or market value.

Objectives and Activities

The Objectives of Autism Treatment Support Initiatives (ATSI) are:

- *To relieve the social isolation, provide advice on management and treatment of autism symptoms; to relieve poverty and poor living conditions; to promote the mental health and wellbeing to the benefit of people diagnosed with Autism and their families in UK and Africa and its environs without distinction of age, sex, race, disability, political, religious or other opinion, by associating the statutory authorities, voluntary organisations and inhabitants in a common effort to advance education, and to provide facilities in the interests of social welfare, for recreation or other leisure time occupation with the object of improving the conditions of life for the said inhabitants*
- *To provide advice on relief of sickness and preservation of health for those people who have been diagnosed as being on the Autistic Spectrum and their families by providing outreach advice and free education on autism symptoms treatment and life management*
- *To establish or to secure the establishment of a Community Centre and to maintain it and to manage and cooperate with any local statutory authority in the maintenance and management of such a Centre for activities promoted by the Association and its constituent bodies in furtherance of the above objects.*

The main activity undertaken for public benefit in relation to the objectives is the relief of sickness and preservation of health for those people who have been diagnosed as being on the Autistic Spectrum and their families by providing outreach advice and free education on Autism symptoms, treatment and life management.

During the current financial period, Autism Treatment Support Initiatives (ATSI) has furthered its charitable purposes for public benefit through its 'Befriend an Autistic Family Program' by:

- Providing support and advice to autistic families to access social care, organising activities for autistic adults and children, running a day service to help autistic individual to prevent isolation especially at this unprecedented period
- Providing advice on self-care and health and treatment
- Running errands for autistic individuals and their families
- Helping young autistic adults to access jobs by organising interviews technique clinics
- Partnered with day care centres, school's specialist therapists and supported living providers
- Outreach support via telephone consultation and advice
- Supported autistic individuals aged between 4 – 40 years and their families regardless of personal background, faith, gender or personal circumstances.

Achievements and Performance

During the period, Autism Treatment Support Initiatives (ATSI) has:

- Successfully helped 2 autistic young adults in gaining employment apprenticeships
- Successfully implemented the 'Befriend an Autistic Family Program' where we support autistic adults and families in gaining access to appropriate education and health care plan, providing advice on appropriate therapy and treatments, self-care and healthy living
- Benefited 5 autistic adults and their families through the Befriend an Autistic Family Program
- Partnered with 1 specialist day centre for autistic individuals to provide vocational advice for young adults
- Trained 2 young adults on how to make Christmas cards which were designed, packed and posted by our service users

Plans the coming year will see a continued emphasis on promoting the Befriend an Autistic Family Program and other structured activities to support autistic individuals and their families.

Financial Review

Review of Financial Position

In the financial year ended 31st March 2021, Autism Treatment Support Initiatives (ATSI) has raised funds of **£7,717**, and incurred **£6,695** in costs to achieve its objectives.

At the end of the reporting period, the balance between income and expenditure is positive. Funds to be carried forward to the following financial year are **£1,022**. The opening balance for the period was **£0.00**.

Our main source of funds this year has been through charitable donations. We use donations made by volunteers (primarily by the chairperson Foluso Adebayo, and the Tade Autism Centre) to subsidise charity activity so that autistic individuals can access our services free of charge.

The majority of income is applied to fundraising events and providing support related activities with the main costs incurred being support and activities for our clients, volunteer transport costs, outreach and advocacy, social media management cost, webinars and Zoom events.

The main financial risk to the charity is lack of funding and reduced donations. We have mitigated this risk by soliciting donations directly from the chairperson and the trustees.

Reserves Policy

The charity does not have a Reserves Policy, but are aware it would be prudent to have one in place, and will consider this in the coming year. A reserve amount of £500 would be sufficient to pay trainers, suppliers, and volunteers if for any reason the charity had to wind up.

Structure, Governance and Management

Autism Treatment Support Initiatives (ATSI) is a Charitable Association registered with and regulated by the Charity Commission for England & Wales. Our governing document is the Autism Treatment Support Initiatives (ATSI) Constitution.

The Trustees who served during the year were:

Adetutu Soetan
Adetutu Ojelade
Foluso Adebayo
Mobolanle Akinyemi

Membership of Autism Treatment Support Initiative is open to autistic individuals and their families. ATSI trustees seek the views of service users and their families when deciding the activities to be run.

ATSI partners with Tade Autism Centre(TAC) with whom we jointly undertake the 'Befriend an Autistic Family Programme' and from whom we rent facilities for daytime activities such as IT training, wellbeing training, self-care training and seminars).

We have a child protection policy in place. Criminal Records Bureau and enhanced DBS checks are carried out prior to commencement of volunteer work or trusteeship.

Safeguarding policies are in place to protect Service User's right to live in safety, free from abuse. Volunteers/ Trustees are constantly trained to meet the 2018 Adult Safeguarding Roles and Competencies which applies to Social Care.

The Chairperson is the Managing Trustee and oversees day to day running of the charity. All Trustees give their time voluntarily and received no remuneration or other benefits.

Recruitment and appointment of Trustees

Trustees of the charity are appointed or reappointed annually at the Annual General Meeting and in keeping with our Association's Constitution.

Organisational structure and how decisions are made

Decisions are considered and made by Autism Treatment Support Initiatives (ATSI) Trustees on an individual proposal basis. Decisions at meetings are decided by a simple majority of those present and entitled to vote. It is the responsibility of the Managing Trustee to ensure the execution of decisions and the reporting of works carried out back to the Board.

Statement of Trustees Responsibilities

The Trustees of Autism Treatment Support Initiatives (ATSI) are responsible for preparing the Trustees Report and the accounts in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).
