Summary of the main achievements of the charity during the year

In an extremely tough financial year which very nearly saw closure, we are delighted to have survived and this was done by support of our community & our own fundraising efforts including a parachute sky dive! This jump enabled a concrete turn out and enables Donkeys to stay out of wetter ground.

The donkeys here remain in the best possible care & health. The charity has fielded numerous calls both here and in Europe for advice & networking animals to care or advice.

We hope to take in more donkeys this year, with funding gradually increasing again, and with extended turn out area, now possible to do so.
