# Trustees Report 2021/22

Date: 22/04/2022

Since establishing the CIO the trustees experienced significant delays (due to Covid restrictions) in setting up a bank account for the charity. An account was finally established with Barclays in December 2021, however in the interim the landowners who had agreed to rent the charity the land on which to operate requested that the charity relocate in order to make way for a commercial venture. Due to this it was decided that the CIO would hold off until alternative arrangements could be made before it commenced operations.

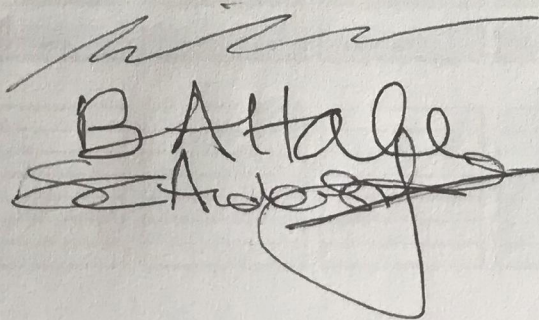

The charity has not received any funds in, nor has any money been spent.
