Structure, governance and management

Charity Status and Structure

Moving Assembly Project is a charitable incorporated organisation governed by its constitution. It was registered by the Charity Commission in England and Wales on 25 June 2020. The trustees are the members of the Charity. In the event of a winding up the members have no liability to contribute to the payment of the charity's liabilities.

Recruitment, Appointment and Training of Trustees

Trustees are recruited from those who share the charity's aims and aspirations and must be able to bring a breadth and depth of experience and skills to the trustee body.

Risk Management

The trustees have identified the major risks to which they believe the charity is exposed and systems have been established to minimise those risks.

Governance

The responsibility for the charity rests with the trustees who meet to both oversee governance and to make operating decisions.

Objectives and activities

The charity's objects, for the public benefit, are to advance the education of young people aged 9 to 18 living in deprived or disadvantaged areas in South Africa or the UK by the creation of new works, the promotion of the arts, dance, film, photography and by any other means as the trustees determine. Covid interrupted the charity's plans and development. There was no activity during the year.

Plans for future periods

The trustees are reviewing whether the charity has a future.

Public benefit

The trustees have paid due regard to the Charity Commission's guidance on public benefit and strongly believe in the public benefit of the charity's activities.
