# Aikyam UK — Trustees' Annual Report

**Registered Charity Number:** 1190179

**Reporting period:** 1 April 2024 to 31 March 2025

**Trustees:** Kirit Mistry, Anand Joshi, Shivani Patel

---

## 1. Introduction

This Trustees' Annual Report covers the year **1 April 2024 to 31 March 2025**, a year of significant progress for **Aikyam UK**. Across the period, we strengthened delivery, expanded partnerships, and supported young people through a blend of structured projects, community engagement, and responsive one-to-one support.

The Trustees are proud of the charity's continued growth and the positive outcomes achieved. Our work this year reflected Aikyam UK's commitment to improving opportunities and wellbeing for young people, especially those facing barriers to support, confidence, and access.

---

## 2. Our Charitable Purpose and What We Do

Aikyam UK exists to support young people to thrive through practical guidance, trusted relationships, and projects that build knowledge, confidence, and positive life pathways. Our approach is rooted in inclusion, safeguarding, cultural understanding, and youth voice.

We deliver impact through:

- Youth engagement projects and workshops
  - Community and public health awareness activities
  - Partnerships with schools, universities, and health organisations
  - Creative and media-based opportunities that amplify youth voice
  - Individual support through referrals and targeted interventions
- 

## 3. Public Benefit

The Trustees confirm that Aikyam UK's activities during the year were carried out in furtherance of our charitable purposes and for the public benefit. We supported young people to improve wellbeing, build skills, access opportunities, and engage with public health information in ways that are approachable and relevant.

---

## 4. Year in Review — Key Achievements and Highlights

During 2024–2025, Aikyam UK worked with approximately **200+ young people** through a mixture of programmes, workshops, volunteering, events, and one-to-one support. This year we also deepened our collaborations with major partners across health, higher education, media, and community development.

### Highlights included:

- Supporting public health projects and awareness events with **South Asian Health Action** and the **NHS**
  - Delivering two university-linked projects: one focused on **HPV vaccinations**, and another exploring the **influence of AI on nutrition and body image**
  - Running youth workshops and delivering a **weekly youth radio slot** with **Eava FM** and **2Funky Radio**
  - Providing studio time to support talented young people to build confidence and creative skills
  - Supporting **BNCHA's annual community event**, including setup and live DJ contributions by youth volunteers
  - Supporting individual young people with issues including **mental health, job applications, careers advice**, confidence and goal-setting
  - Raising funds through a charity event held by the **Hitesh Pujara Foundation**, helping strengthen our ability to deliver youth-led activities and plan future programmes
- 

## 5. Activities and Outcomes

### 5.1 Health and Public Health Awareness (NHS & South Asian Health Action)

Aikyam UK supported health projects and public health awareness events in partnership with the **NHS** and **South Asian Health Action**. These activities helped young people and communities to access and engage with important health information in ways that feel trusted and relevant. We focused on increasing understanding, improving confidence to seek support, and encouraging informed decision-making.

**Outcome focus:** improved awareness, increased engagement, and stronger connections between young people/community and health partners.

### 5.2 Research and Education Projects (University of Leicester & Loughborough University)

Working with the **University of Leicester** and **Loughborough University**, we contributed to projects on:

- **HPV vaccinations** — supporting learning and engagement around vaccination awareness and decision-making
- **AI's influence on nutrition and body image** — exploring how emerging technology affects young people's perceptions, wellbeing, and choices

These partnerships helped connect young people to higher education environments and research-informed discussions, while ensuring youth voice and lived experience remained central.

**Outcome focus:** increased understanding, critical thinking, and youth-informed insight into key issues affecting young people.

### 5.3 Youth Voice, Media and Creative Development (Eava FM & 2Funky Radio)

In partnership with **Eava FM** and **2Funky Radio**, Aikyam UK delivered youth workshops and hosted a **weekly youth radio slot**. This created a consistent platform for young people to share ideas, build confidence, and develop communication skills in a real-world setting.

We also provided **studio time** to talented young people, helping them explore creative pathways and strengthen skills linked to aspiration and employability.

**Outcome focus:** confidence, communication, teamwork, creative skills, and increased youth visibility in community spaces.

### 5.4 Community Engagement and Youth Volunteering (BNCHA)

Aikyam UK supported **BNCHA's annual community event**, helping with event setup and supporting delivery on the day. A key strength of this work was youth volunteering—particularly through **young DJs** who contributed their skills and energy to the event.

**Outcome focus:** stronger community connection, youth leadership, volunteering experience, and positive visibility for young people.

### 5.5 Individual Support and Referrals

Alongside project delivery, Aikyam UK supported individual young people through referrals and direct support. This included help with:

- Mental health and emotional wellbeing (listening support, practical guidance, signposting)
- Job applications, CV support, and interview preparation
- Careers advice, education routes, confidence and goal-setting

This work remains central to our mission. For many young people, timely, trusted support can make a long-term difference—helping them move forward with stability and hope.

**Outcome focus:** increased confidence, improved access to support, practical progression in work/education, reduced isolation.

## 5.6 Fundraising

During the year, Aikyam UK was grateful to receive fundraising support through a charity event held by the **Hitesh Pujara Foundation**. This contribution supported our ongoing delivery and helped build momentum for our next stage of development. The Trustees extend sincere thanks to everyone involved in organising, supporting, and attending the event.

---

## 6. Partnerships

Our progress this year was made possible through collaborative working with a wide range of partners, including:

**NHS, South Asian Health Action, Eava FM, 2Funky Radio, BNCHA, University of Leicester, Loughborough University**, and **local schools**, as well as partners supporting individual referrals.

These partnerships strengthened reach, ensured relevance, and enabled Aikyam UK to deliver a combination of preventive, developmental, and responsive support for young people.

---

## 7. Governance and Trustee Oversight

Aikyam UK is governed by its Trustees: **Kirit Mistry, Anand Joshi, and Shivani Patel**. Trustees provided oversight throughout the year, ensuring the charity remained focused on its objectives and delivered work aligned to its public benefit responsibilities.

The Trustees are pleased with the progress made during the year and remain committed to strengthening capacity, accountability, and sustainability as Aikyam UK grows.

---

## 8. Looking Ahead (2025–2026)

Aikyam UK enters the next year with clear priorities shaped by what we have learned from delivery, partnerships, and direct support to young people. Our focus will be on prevention, early intervention, skills-building, and creating safe spaces for young people to learn and thrive.

Key priorities include:

- **Delivering workshops in schools**, including:
  - **Conflict resolution** and practical tools for managing disagreements, peer pressure, and communication challenges
  - **How AI will affect the future**, supporting young people to understand opportunities and risks, think critically, and prepare for education and work in a changing world

- **Securing funding for Project Rakshaa (Domestic Abuse Project):**  
We will be actively seeking funding to deliver **Project Rakshaa**, a new programme designed to address domestic abuse through both **prevention and cure**. The project aims to build awareness, strengthen protective factors, encourage safe help-seeking, and support recovery pathways for those affected.
- **Sustaining and deepening partnerships** across health, education, community and media
- **Strengthening evaluation and learning**, so we can better evidence outcomes and continuously improve programme quality

The Trustees are committed to ensuring that growth is safe, sustainable, and aligned with the charity's mission and capacity.

---

## 9. Closing Statement

This year demonstrated what is possible when young people are supported with care, consistency, and opportunity. The Trustees would like to thank all partners, volunteers, youth contributors, and supporters who helped Aikyam UK deliver such impactful work. We also thank the **Hitesh Pujara Foundation** and everyone who contributed to fundraising efforts this year, helping us build towards an ambitious programme of school workshops and the development of **Project Rakshaa**.

Most importantly, we thank the young people who engaged with our programmes, trusted our support, and helped shape our direction. Aikyam UK finishes the year proud of what has been achieved and energised for the next stage of growth.

---

## **Aikyam UK – Annual Report for the Year Feb 1<sup>st</sup> 2024 to Jan 31<sup>st</sup> 2025**

**Charity Name:** Aikyam UK

**Registered Charity Number:** 1190179

**Website:** [WWW.AikyamUK.ORG](http://WWW.AikyamUK.ORG) (Under Construction – Expected launch date May 2<sup>nd</sup> 2025)

### **Trustees:**

- Chair: Kirit Mistry
- Treasurer: AnandKumar Joshi
- Secretary: Shivani Patel

Aikyam UK is a charitable incorporated organisation governed by its Constitution. The charity's day-to-day management is delegated to founder Keval Sachdev.

This year our achievements and performance include:

- Partnered with Equality Health to deliver presentation as part of NIHR Bio Resource programme for development grants
- We worked with local police to address the rising problem of Laughing Gas/Nitrous Oxide usage amongst young people. This was featured on ITV News
- We contributed ideas towards the #Dontstopyourfuture anti knife crime campaign which was shown by BBC starring Idris Elba
- We partnered with local organisations to organise and host an Interfaith dialogue to help build stronger community relationships in the aftermath of the Muslim/Hindu Riots that took place in Leicester
- We also provided support to a few young people who were personally affected or involved with the riots
- We took part in 7 of the 11 coffee mornings hosted by Leicester Police and Zinthyia Trust
- We were chosen by Phoenix Way UK to be one of the selected organisations to take part and represent for the Midlands Regional Advisory Forum
- We supported Equality Health in their recruitment of young people for a research project aimed at young people who require tech for their Type 1 Diabetes
- We also became a delivery partner as part of South Asian Health Actions and Equality Health's first children's DNA project called D-CYPHR
- We also began communication with local police to offer a weapons collection service aimed at reducing violent crime by youth within LLR

- We were one of 5 selected organisations to take part in the Community Assets and Community Wealth Building Project led by The Phoenix Way, Ubele and SAHA
- We were asked to co-host and present as part of the EDIRA Building Trust Project set up by Dr Sondra Butterworth
- We regularly join Belgrave Police Officers for Neighbourhood Patrol to address Anti-Social behaviour by young people and continue work with these youngsters
- We are a stakeholder and delivery partner for SAHA on the CORE20Plus5 project by the NHS
- We continue our work with young people on the dangers of Knife Crime, Gang Affiliation and Drug Use
- We were featured on BBC on 05/08/24 to discuss the local riots and its impact on local youth
- We regularly support Missing Children campaigns
- We participated through invitation for the Intercultural event hosted by Leicester Police
- We work with youngsters to make dreams come true, an example being Raf, a young boy whose dream is to become a football commentator, and we aim to help him achieve that
- We have a ongoing partnership with Loughborough University research team and working with 10 to 15 year olds to research their relationship with food and body image. We hope this leads to future funding as part of this project

Our plans for the sustainability for the next 3 years is to work with National lottery who we now have a relationship with and believe we have more than enough evidence of work we have done for them to grant us funds which we can use to hire staff, rent a local youth space and deliver on more amazing projects.

## Aikyam UK (1190179)

Trustees:

Kirit Mistry	President
Anandkumar Joshi	Treasurer
Shivani Patel	General Secretary

Trustees Report: 01 February 2022 to 31<sup>st</sup> January 2024

About Aikyam UK:

Aikyam UK is growing charity working with youth and young adults aged 8 to 24. Aikyam UK's primary objective to date has been to create awareness of our existence targeting youth and young adults. Aikyam UK has also built solid working partnerships with many local organisations, community groups and with local community.

Aikyam UK aims to work with youth and young adults in two ways.

1, Aikyam UK provides support internally or externally via signposting to any youth and young adults who seek support with any issue. Issues include but not exclusive to, Gang Culture, Mental Health, Wellness, Bullying, Racism, Addictions and anything a youth or young adult may require support with.

2, Aikyam UK supports Youth Lead Social/Community Action Projects. To date, we are actively working on 3 youth lead projects which are, Ending Period Poverty, Gang Culture and Knife Crime and also Domestic Abuse. These projects are brought to Aikyam UK by local youth who require support to ensure they can reach their goals/targets.

Aikyam UK also provides support to other local charities and volunteer community groups which to date have included CVSS (Corona Virus Shakti Seva) and Mobile Apps Learning for the Elderly.

Aikyam UK is currently supporting South Asian Health Action on numerous health related projects. These projects include Core20Plus5 which is through the NHS and also on other Medical Research projects in way of recruitment, promotion and awareness.

Aikyam UK now also has a weekly youth radio show on a local radio station, EAVA FM, 102.5 FM. We go live every Wednesday between 4pm and 6pm. This is transmitted locally but can be heard worldwide through our online link: [EAVA FM 102.5, listen live \(radio-uk.co.uk\)](http://radio-uk.co.uk). Via our radio show, we get amazing feedback of issues being faced locally and also discuss different topics each week. Topics have included Hate Crimes, Criminal Justice System, Online Safety, Bullying, Drugs and Substance misuse, Addictions and many more. We try and pick a relevant but different theme each

week. We have also had special guests including the Police Crime Commissioner of LLR (Leicester, Leicestershire and Rutland). We have also had guests from a Prisoner Release support service and people with lived experiences of the Criminal Justice System.

Aikyam UK were also invited by ITV Central News to discuss the law change around the use of “NOS” aka Nitrous Oxide. This was the substance used legally by youngsters until the recent law change. We believe this was a huge success as local incidents of usage has fallen drastically.

Aikyam UK has also partnered the Local LLR NHS ICB and is working on project research for the HPV vaccination. This is an ongoing project and a proposal is due to be sent May 2024.

This is done weekly so many links available via the channel as per the above examples.

The Future:

Aikyam UK has built great working relationship with NHS Trust Leicester, NCS (National Citizens Service) and local Schools.

As well as our existing working relationships, we have working partners which include South Asian Health Action and Avanti Schools.

Through our local network and partnerships, we are launching a new long-term project called Project EANC (Embedding a New Culture) Leicestershire.

This project will aim to change negative trends in our society and local culture by working with youth focusing on early intervention and prevention over cure.

Further details can be provided on request. Aikyam UK is currently creating the proposal for which we already have over 50 local committed partners including businesses, individuals and organisations including NCS, NHS, Leicester Police, Leicester City Council, South Asian Health Action, Avanti Schools and many more.

## Trustees' Annual Report 2023

Aikyam UK (1190179)

Trustees:-

President	Kirit Mistry
Treasurer	Anand Joshi
General Secretary	Shivani Patel

Trustees Report – 1<sup>st</sup> February 2022 to 31<sup>st</sup> March 2023

### Contents

1. Introduction
2. Activities
3. Key Achievements and Impact
4. Fundraising and Support
5. Future Plans
6. Declaration

### 1. Introduction

We are pleased to present Aikyam UK's Trustees' Annual Report for the year ended 31/03/2023. This report provides an overview of our activities and achievements during the year. As trustees, we are proud to lead this organization and are committed to our mission of supporting 8 to 24-year-olds through any issues or concerns they may have.

### 2. Activities

During the year, our charity has been actively involved in Youth lead social action projects. Co-Production for a Peer-to-Peer Youth Mental Health Ambassadors project, Supporting LEBC and its summer NCS scheme, Youth Music Workshops, Radio Hosting workshops and Individual referral support to young people and families. We served 1300+ young people in our community, providing them with opportunities for growth, learning, and personal development.

### 3. Key Achievements and Impact

Our programs have had a significant impact on the lives of young people in our community. We have witnessed positive outcomes, including improved educational outcomes, increased self-esteem, and increased community engagement. Testimonials and case studies demonstrate the transformative effects of our work.

#### **4. Fundraising and Support**

We would like to extend our gratitude to our donors, supporters, and volunteers for their contributions and dedication to our cause. Your support has been instrumental in our ability to make a positive impact on the lives of young people in our community.

#### **5. Future Plans**

We are excited about the future and remain committed to Aikyam UK's mission. Our plans for the upcoming year include:

- Expanding our programs to reach even more young people.
- Strengthening partnerships with local schools, businesses, and other organizations.
- Fundraising initiatives to secure our financial sustainability.

#### **7. Declaration**

We, the trustees of Aikyam UK, declare that this report accurately represents the activities, achievements, and financial status of the charity for the year ended 31/01/2023.

Signed -

President     Kirit Mistry
