Section C Objectives and activities

Summary of the objects of the charity set out in its governing document

To advance the Christian religion for the benefit of the public in accordance with the statement of faith, particularly but not exclusively by making grants and awards to young people to carry out missionary and outreach work.

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

To financially support Individual young people from the South West of England getting involved in mission and evangelism, in the SW, in the U.K., and to the “ends of the Earth”; Christian mission ventures, involving 12 – 25 year olds, organised in the South West of England; Church youth groups, from the South West of England, engaging in mission ventures in the UK and abroad. The charity will achieve its outcomes by giving grants to young people and youth groups who apply for those grants. The young people and youth groups will use those funds to engage in their chosen missions, wherever they may be. Not only will the recipients of the missionary endeavours benefit greatly, but those young people actually taking part in their missions will benefit from the experience of helping people and sharing love and compassion with them.

Additional details of objectives and activities (Optional information)

You **may choose** to include further statements, where relevant, about:

- policy on grantmaking;
- policy programme related investment;
- contribution made by volunteers.

Summary of the main achievements of the charity during the year

There were no fundraising events in the year, as things did not start again after Lockdown finished. Other donations also stopped. No donations were given, as there were no applications. We have been raising our visibility and have given 3 grants since the year end.
