The trustees present their report and accounts for the year ending 31st January 2022.

The charity is a registered Charitable Incorporated Organisation (CIO), with trustees appointed by a resolution passed the charity trustees. The organisation is governed by a constitution governing document adopted on 2nd July 2020.

The charities objective is the promotion of community participation in healthy recreation for the benefits of the inhabitants of Telford & Wrekin, Shropshire by the provision of facilities and coaching for gymnastics.

The trustees, together with representatives from coaching staff and gymnasts meet regularly to manage the charities affairs.

The start of the year saw us back in lockdown due to COVID-19, which meant for a period of time we were unable to provide gymnastics training. Luckily we were able to reopen our doors April 2021, upon reopening we made new classes available making room for new members. The goal for this financial year was to re grow from the loss of the COVID-19 pandemic and continue to support one another as we adjusted to life outside of lockdown once again. Please see some of the trustees highlights from this financial year below:

- We offered online gymnastics classes for the first part of the year, this not only helped working parents at home but benefited the children by giving an opportunity to take part in healthy activity/exercise and gave them the opportunity to see their gymnastics friends through video.
- We adjusted our class timetable making room for new classes, giving more opportunities for children and young adults to attend.
- We continued to reach out to our teen members with regards to volunteering and coaching assistant roles within the club. This not only benefited the club but the teens as it gave them a positive role within the club and helped keep many involved in sport for longer.
- We invested in the purchase of new gymnastics equipment, replacing worn tired apparatus.
- We invested in a much needed heating system for the clubs facility.
- We worked as a team and made achievements of re growing our members and are continuing to work together on that goal.

The club reported a deficit of £20,116.01 for the year end 31/01/2022. All costs are regularly monitored by the trustees and prompt actions taken at an early stage to deal with any unexpected developments.

The accounts have been reviewed by an independent examiner and are attached to this report.

Katherine Butler
