

Redirect Trustees Statement 2022/23

It is our sad duty to report the passing of a much-admired trustee Kate Melvin, she will be sadly missed

During the reporting period we have been very active in the promotion of our Objects and to this end we secured a grant from the Local Authority to undertake a research study on the behaviour of residents in four tower blocks on the Clarion Ranelagh Estate in Bow East London. We asked the East London Garden Society and the Queen Mary University to carry out the practical arrangements in association with Clarion Housing, and the study is nearing completion.

We are also exploring the avenues for greater education of the Public in the Reuse, Recycle and repair of seconded hand goods and waste, and will continue forming relationships with any organisation that can help us with this task
