Structure, Governance and Management.

Governing Document

The Charity is **controlled by its governing document**; the constitution adopted 28th September 1993 as amended by resolution dated 8th May 2009, 16th June 2009 and 8th May 2010.

How is the charity constituted?

The Charity is a CIO [Charitable Incorporated Organisation] and consists of six members. **The minimum number of Committee members shall be 5 and the maximum shall be 9**, together with up to a further 3 co-opted members.

The Committee shall consist of: A Chair, a Treasurer and a Secretary ("the Officers"); and not less than 2 nor more than 6 other elected Members.

Trustee selection methods

Officers and **Committee members are elected for one year at the Annual General Meeting**. Retiring Officers and Committee members are eligible for re-election unless they have already served on the Committee in any capacity for ten consecutive years.

Co-opted members may join at any time on the invitation of the Committee but shall retire at the next Annual General Meeting. No co-opted member shall serve for more than six consecutive years.

Additional Governance Issues

All Officers and Committee **members are required to hold a current Enhanced DBS certificate and be registered on the DBS 'Update' system**. In addition to DBS certificates, all Officers and Committee members are registered with Ofsted via the formal EY2 process and are listed on the Charity Commission website.

Objectives and Activities.

Objectives

Here at St Bonaventure's we **strive to provide high quality care and education for children in their pre-school year.** We appreciate this can be a huge step into the wider world for children, parents and families, so we pride ourselves on our ability to ensure all children feel happy safe and secure with us. St Bonaventure's Pre-School is **a warm welcoming and caring environment.** The aims of the Charity are to enhance the development and education of children primarily under statutory school age.

Activities

We strive to achieve our objectives by **offering appropriate play, education, and care facilities, together with facilitating parents to take responsibility for and to become involved in the activities of the preschool,** ensuring that the preschool offers opportunities for all children whatever their race, culture, religion, means or ability.

We are passionate about providing the best start in life for children in a fun and relaxed atmosphere. **Children are unique and we treat them all with respect. Practitioners love to chat with the children, exploring their views and extending their learning.** Children who are happy will learn through their play. Our highly qualified and experienced practitioners support and extend their learning.

We nurture children's self-esteem and wellbeing and foster a sense of belonging and pride in their preschool. **Children are encouraged to "have a go" and persevere in their endeavours. We promote risk taking whilst following strict health and safety guidelines.** We take great pride in promoting children's involvement in a variety of physical exercise and an awareness of a healthy lifestyle.

Section D | Achievements and Performance.

Achievements and Performance.

Achievements and Performance

During the period **1st September 2019 - 31st August 2020** we **provided play, education and care facilities to a total of 23 children** from our local community.

We provided this to children who are active learners who play in an engaged and purposeful way. **Staff used observation and assessment to monitor data of children's achievements consistently and track children's progress effectively** this information was then used to plan and provide purposeful activities to develop learning. This highly effective assessment also helped staff plan in detail to meet children's individual care and learning needs.

Staff were able to draw on a wealth of knowledge and experience that they could then use to develop positive strategies that support all children in their learning. **Staff were then able to effectively share this with parents ensuring a consistent approach to children's learning continued to be successfully achieved.** Partnerships with parents remained strong, with staff using various strategies to keep parents well informed about their children's learning and how to extend this at home.

The manager expertly evaluated the quality of the provision and **identified any staff training needs through a robust system of supervision**, this training then had a positive impact on outcomes for the children, as staff were able to share their newly gained knowledge with the whole team, providing a holistic approach to learning.

The manager and her team **developed strong relationships with other professionals and used this support to further help to ensure that staff practice and the provision are carefully adapted to meet the needs of all children.** As a result, the children make exceptional progress from their starting points.

Financial Review.

Reserves Policy

The trustees consider that the reserves held are sufficient to continue the support of the Pre-School in future years.

Independent Examiner's Review

Independent Examiner: Mrs Lena Long (ACCA)

Address: 32 Great Clover Leaze, Stoke Gifford, Bristol BS16 1GG

Date: 8th June 2022.

I have examined all records and the Income and Expenditure Account presented to me for any errors or fraud. I am confident that the accounts for the year ended 2020-2021 show financial integrity and that there are no signs of fraud or substantial errors. Any small errors have now been rectified.

There are no major points of concern.
