Charity Commission – Trustees Report – October 2023 - October 2024.

The Trustees are: John Heron, Ronnie Marston, Paul Clatworthy and Neil Walker.

With regard to our weekly collections, we have sent gifts to Christian Missions with a view to spreading the news about the Christian Faith in the UK and around the world including contacts in Ukraine.

Some of those missions were: Emmaus Bible School, Gideons Uk (now called “Good News for Everyone”), Open Air Mission, Barnabus Fund, Samaritans Purse, The Faith Mission, Christians Against Poverty, Opal Trust, Logos Ministries International, Mission Aviation Fellowship, Medical Missionary News and Open Doors. Some of these missions are working with people who are very poor and cannot afford food, medicines or Bibles etc.

Our contact with the local community is also made by visiting “door to door” as we have for many years, delivering a Christian Newspaper. We were also very happy to support a local food bank. On several occasions we have supported those who were in financial difficulty, some of which were not church members. We have a monthly Coffee Morning which is well attended.

As a Church, over many years, we have set up displays (exhibitions) of “Bible stories” such as “the birth of Jesus,” and the “Life of Jesus.” These presentations were carried out in the Church building and also in Schools. Some of our members visit schools to present New Testaments and take “Assemblies.”

We are always striving to have a greater influence in our town and surrounding villages, showing friendship and interest in the lives of local people.

There is a Church website which is used widely to explore all our activities and links so that anybody can listen to the sermons. This is helpful to those who are unable to attend physically in person.

Charity Commission - Trustees Report - July 2020 - October 2021.

During this period, the trustees were John Heron, James McCallum, Ronnie Marston and Bob Brewer.

We made the purchase of the building in Market St in June 2019. Since that time, many improvements were made especially having in mind public safety and suitable facilities to suit the elderly and infirm.

Examples of the improvements are a passenger lift to the first floor, extra toilet accommodation (including accessible), complete redecoration, carpeting, seating, sound and projection equipment, a hearing aid loop and others.

As time passed, local people and visitors to town showed interest in our new facility and came to some of our services and events. To help us fund our new facility we received gifts from a number of Christian Charitable Trusts as well as many gifts from our own members members and friends from other churches.

A considerable time, that this report covers, was spent in "covid lockdown". Services were then made available using a zoom facility, which kept our fellowship in close contact. Using this means, we were able to link up with services in other churches. When possible, we organised coffee mornings and evening suppers so that we could keep in contact with local people. Nowadays, the coffee mornings are a monthly event.

As far as our weekly collections were concerned, we have sent gifts to Christian Missions with a view of spreading news about the Christian Faith in the UK and around the world.

Some of those missions were: Emmaus Bible School, GideonsUK, Open Air Mission, Barnabas Fund, Samaritans Purse, The Faith Mission, Christians Against Poverty, Opal Trust, Logos Ministries International, Mission Aviation Fellowship, Medical Missionary News and Open Doors. Some of these missions are working with people who are very poor and can't afford food, medicines or Bibles etc.

Our contact with the local community is also made by visiting “door to door” as we have for many years, delivering a Christian newspaper. We were also very happy to support a local food bank. On several occasions we have supported those who were in financial difficulty, some of these were not church members.

As a Church, over many years we have set up displays (exhibitions) of “Bible stories” such as “the Birth of Jesus,” and the “Life of Jesus.” Another notable event was the acting out of the story of Bunyon’s “Pilgrims Progress.” These presentations were carried out in the Church building and also in schools. These sort of activities we hope to resume when possible.

Some of our members visit schools to present New Testaments and take “Assemblies”.

We are always striving to have a greater influence in our town and surrounding villages, showing friendship and interest in the lives of local people.

There is a Church website which is used widely to explore all our activities and links so that anybody can listen to the sermons. This is particularly useful for those who are unable to attend physically.
