

Trustees Annual Report for Muslims Against Antisemitism (1 April 2022 to 31 March 2023)

As part of activities, Muslims Against Antisemitism (MAAS), continued in carrying out online campaigns aimed at raising awareness around antisemitism within British Muslim communities. These campaigns looked at:

- - The language of antisemitism,
- - The Holocaust and its importance for all communities,
- - How discourse around the Middle East conflict must not include antisemitic rhetoric.

The campaigns reached to out over 200,000 people online and were conducted through Twitter with specific graphics and themes promoted within each of the campaigns.

The campaigns were run at the time to counter online divisions stoked up due to issues in the Middle East due to the Israel and Palestine conflict.

Income during this period: £100

Expenditure during this period: £667.97
