OUTREACH
S O C I E T Y

Liverpool Muslim Outreach Society (LMOS) seeks to put into action the values of Islam by contributing to the wider community. Although this can simply be litter picks around Liverpool, most of its work is directed to those who are in dire need.

LMOS is an established provider of food and clothing to the homeless of our city, as well as those seeking refuge upon our shores. In addition, the impact of the cost-of-living crisis has meant that our efforts have been extended to those of our neighbours who are struggling to obtain even the basics. Home visits in the Anfield area revealed many people who were either grateful to receive assistance themselves or were happy to suggest others they knew who were more in need.

CSS

Our involvement in the Home Office Community Sponsorship Scheme reached a successful conclusion after three years of hard work. In February 2022 we were finally able to welcome a family from the Vulnerable Persons Resettlement Scheme. One year later they are keen to make a contribution to society, with the children enjoying their school and the parents embracing the new opportunities available to them.

LMOS serves the most disadvantaged in society through its food distribution, food parcel distribution, homeless feeds and clothing distribution. Whilst ensuring that any such activity is carried out against a backdrop of interfaith cooperation and inclusivity.
