LIVERPOOL  
M U S L I M  
OUTREACH  
S O C I E T Y

In a world that is increasingly diverse yet often divided, the work of community outreach is more vital than ever. **Liverpool Muslim Outreach Society (LMOS)** was founded on the principles of compassion, service and unity – values deeply rooted in our faith and reflective of the city we call home.

**LMOS** was born out of a simple yet profound belief: that positive change begins with reaching out. Whether it's supporting a neighbour in need, providing food and clothing to the homeless of our city, as well as those seeking refuge upon our shores. The ongoing cost-of-living crisis has meant that our efforts have been extended to those of our neighbours who are struggling to obtain even the basics. Home visits in the Anfield area revealed many people who were either grateful to receive assistance themselves or were happy to suggest others they knew who were more in need.

Our work is powered by volunteers and generous donors who believe, as we do, that no one in our city should be left behind. **LMOS** is here to serve – humbly, consistently and with faith.

**LMOS** serves the most disadvantaged in society through its food distribution, food parcel distribution, homeless feeds and clothing distribution. Whilst ensuring that any such activity is carried out against a backdrop of interfaith cooperation and inclusivity.
