S O C I E T Y

In a world that is increasingly diverse yet often divided, the work of community outreach is more vital than ever. **Liverpool Muslim Outreach Society (LMOS)** was founded on the principles of compassion, service and unity – values deeply rooted in our faith and reflective of the city we call home.

LMOS began with a simple but powerful belief : positive change begins with reaching out. From supporting neighbours in times of hardship to providing food, clothing and comfort to those experiencing homelessness or seeking refuge, our mission is to stand with anyone in need. As the cost of living crisis continues to affect families across Liverpool, our work expands to include those who are struggling to secure the basics.

Our work is powered by volunteers and generous donors who believe, as we do, that no one in our city should be left behind. **LMOS** is here to serve – humbly, consistently and with faith.

LMOS serves the most disadvantaged in society through its food distribution, food parcel distribution, homeless feeds and clothing distribution. Whilst ensuring that any such activity is carried out against a backdrop of interfaith cooperation and inclusivity.
