TRUSTEE'S ANNUAL REPORT

FOR THE YEAR ENDED 31 MARCH 2025

STRUCTURE, GOVERNANCE AND MANAGEMENT

GOVERNING DOCUMENT

The charity is constituted as a charitable incorporated organisation (CIO) and is governed by its constitution, last amended 10th July 2020. It was entered into the Register of Charities on 13th July 2020.

ORGANISATIONAL STRUCTURE

Retired Greyhounds Canterbury is a public benefit entity whose objects are to promote humane behaviour towards animals by providing appropriate care, protection, treatment and security for greyhounds which are in need of care and attention by reason of retirement from the racing industry, sickness, maltreatment, poor circumstances and ill usage, rehoming such greyhounds where possible and educating the public in matters pertaining to responsible dog ownership and the prevention of cruelty and suffering among dogs, with a particular focus on retired racing greyhounds.

Retired Greyhounds Canterbury currently has 5 trustees who support the work of the charity. They collaborate with the treasurer, who also serves as a trustee, and the kennels manager to advance the objectives of the CIO.

RISK MANAGEMENT

In addition to making sure that the proper procedures are in place to offer a reasonable level of assurance against fraud and error, the trustees have a responsibility to identify and review the risks to which the charity is exposed. These responsibilities are fulfilled by an independent examination of our annual report and accounts, a frequent evaluation of our risk assessment processes, ongoing monitoring, and appropriate action where necessary. Trustee meetings take place frequently throughout the year.

OBJECTIVES AND ACTIVITIES

Significant activities

The trustees use the Charity Commission's recommendations on public benefit when organising the charity's operations. The trustees specifically consider how scheduled activities will support the charity's goals and objectives.

In addition to advocating for the humane treatment of greyhounds and increasing public awareness of them, our purpose also includes providing essential care and safety for the dogs that are brought into our care while they are looking for new homes.

Our goal is to rehome such greyhounds when it is feasible and to give suitable care, protection, treatment, and security for greyhounds that require it due to illness, abuse, bad conditions, or retirement from the racing industry. Also educating the public in matters pertaining to responsible dog ownership and the prevention of cruelty and suffering among dogs, with a particular focus on retired racing greyhounds.

ACHIEVEMENTS AND PERFORMANCE

Every person connected to the charity rose to the challenges of finding new homes for the greyhounds within the fiscal year 2024-2025. The rising cost of living for all parties involved—including prospective adoptees—made this increasingly challenging. The events team, manned by a group of dedicated volunteers, continued to attend a number of organised events in the county of Kent, these currently are Pawfest, Greyfest, Paws in the Park, Staple country fayre and Dog Show, Chestfield Fun Day, Quex Park Kent County Show and Lord Whisky Fun Day. Additionally, where requested the team have undertaken ad-hoc attendance at local events with the aim to further promote the charities aims and objectives. Further to these there are two organised monthly walks at Botany Bay and Liminge, these are primarily attended by adoptees of greyhounds, from the charity. The walks raise public awareness of the charity's rehoming side and to allow the opportunity to increase donations. Furthermore, it gives adoptees the opportunity to talk about issues they may have with their own animals.

The dog walking volunteers continued to help the charity by offering enrichment activities for the greyhounds away from the kennels, which enhanced awareness about the re-homing part of the organisation.

The charity is honoured to work in conjunction with the Pets Foundation Charity. This avails the charity to partake in awareness days at their local Pets at Home premises. Volunteers from the charity attend a specific number of days at the stores, notably at Easter and Christmas, these plan events generate significant income for the charity.

The collaborative efforts of the events team, dog walkers, volunteers at Pets at Home, and the individual who regularly attends the Central Park track in Sittingbourne each Saturday evening collectively generate substantial financial contributions that support the charity's rehoming objectives.

Between April 2024 and March 2025, forty-six dogs were re-homed through the efforts of various groups. This figure is marginally lower than that of the previous year, attributed to current economic conditions. The rehoming challenge is a national concern affecting numerous charities.

The charity works with Arena Racing Company (ARC), which manages the Central Park Racing (CP) track in Sittingbourne. The kennel manager communicates regularly with representatives from the company to maintain working arrangements.

FUTURE PLANS

Preserving the charity's finances is a top priority for the upcoming fiscal year.

We will keep continue to build on relationships with current supporters of the charity and explore alternative methods of income generation and ways of raising the profile of the charity.

The charity maintains £23,243 in a separate account as contingency reserve funds.

FINANCIAL REVIEW

The charity has, for financial prudence and by mutual agreement with the kennels, reduced the number of dogs directly in the care of the charity. This has aided us in maintaining our financial stability and carrying on with the retired greyhounds who come to us for re-homing.

Our primary sources of funding include homing donations made by new owners at the time of adoption, as well as income fees linked to each greyhound, which will going forward also be supported by the Greyhound Board of Great Britain because we are one of their certified homing centres.

Donations are collected at events on an ad hoc basis, and individuals can contribute by standing order or by completing Gift Aid forms, which generates additional income.

Our capacity and approach for fundraising are still being developed. Our priorities still include developing direct relationships with individuals and groups within the community and creating excellent presentation materials. Additionally, we will continue our relationship with Pets at Home Stores in Ashford and Sittingbourne to maintain our status as preferred charity partners.

The charity's contingency reserve fund was originally set up in case of exceptional veterinary fees for any individual dog that came into our care. This was to ensure that any dog could receive treatment if needed without finances restricting the provision of required care and treatment, thereby not compromising the health and wellbeing of dogs in the care of the charity.

Additionally, to make sure:

- RGC has sufficient funds to meet its obligations as they fall due
- RGC can allow for contingencies which may arise – such as:
 - a) loss of a major supporter
 - b) an orderly closure of the charity being required

THE TRUSTEES THANK

The staff and volunteers at Rosedale kennels without whom the charity could not exist. Our volunteers for their enthusiasm and commitment to everything we do and our donors who generously support the charity and enable its continuance.

STATEMENT OF TRUSTEES RESPONSIBILITIES

The trustees are responsible for preparing the Report of the Trustees and the financial statements in accordance with applicable law and United Kingdom Accounting Standards.

TRUSTEE'S ANNUAL REPORT

FOR THE YEAR ENDED 31 MARCH 2025

Charity law requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charitable charity and of the incoming resources and application of resources, including the income and expenditure, of the charitable charity for that period. In preparing those financial statements, the trustees are required to

- select suitable accounting policies and then apply them consistently.
- observe the methods and principles in the Charity SORP.
- make judgements and estimates that are reasonable and prudent.
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business

Trustees are tasked with maintaining accurate accounting records that reflect the financial status of the charitable organisation and ensure compliance with the Companies Act 2006. They are also responsible for protecting the charity's assets and implementing reasonable measures to prevent and identify fraud or other irregularities.
