 - (b) Providing support and activities which develop their skills, capacities and capabilities to enable them to participate in society as mature and responsible individuals.

During the year we experienced delays in opening a bank account due to Covid-19, so were not able to undertake the desired activity except that we started to raise the profile of the charity among the public in anticipation that the account will be opened soon. We used this time to identify viable projects and potential beneficiaries in preparation of delivering projects in the near future.

Trustees have had due regard to the guidance issued by the Charity Commission on public benefit and are satisfied that they will be benefitting the public with the planned projects..

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)
