During the year, we experienced delays in opening a bank account due to Covid-19, so we could not undertake the desired activity except that we started to raise the charity profile among the public in anticipation that the account will be opened soon. We used this time to identify viable projects and potential beneficiaries in preparation for delivering projects in the near future.

Trustees have had due regard to the guidance issued by the Charity Commission on public benefit and are satisfied that they will be benefitting the public with the planned projects.
